Taak 1 Graad 12 2015

field, which aims to increase collaboration and reduce conflict within groups. A-I Theory and associated inventory (KAI) have been extensively researched and are increasingly used to assist teambuilding and personnel management. In the context of the management of diversity and change, Dr Kirton outlines the central

Taak 1 Graad 12 2015

concepts of the theory, including the processes of problem solving, decision making and creativity as well as explanatory concepts such as the paradox of structure; coping behaviour; the distinction between how teams collaborate on the common task and how teams manage their own diversity. In addition,
