Glossaries include local patent rules and model patent jury instructions. These are current with model patent jury instructions prepared by National Jury Instruction Project (June 2009). (3) Margin Index to easily locate relevant content Although similar in many respects to other forms of complex civil litigation, patent cases pose distinctive case-management challenges. As the number, size, and complexity of patent cases have grown throughout the United States over the past several decades -- paralleling expansion in the role of high technology enterprises in the U.S. economy -- the need for a comprehensive, user-friendly, and practical judicial guide for managing patent cases has become increasingly apparent. Recognizing this, the authors
