

Liberty Eric Foner Volume 1 3rd Edition

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool. The best-selling Seagull Edition is also available in full color for the first time.

Never HIGHLIGHT a Book Again! Virtually all of the testable terms, concepts, persons, places, and events from the textbook are included. Cram101 Just the FACTS101 studyguides give all of the outlines, highlights, notes, and quizzes for your textbook with optional online comprehensive practice tests. Only Cram101 is Textbook Specific. Accompanys: 9780393935424 .

From the Pulitzer Prize-winning scholar, a timely history of the constitutional changes that built equality into the nation 's foundation and how those guarantees have been shaken over time. The Declaration of Independence announced equality as an American ideal, but it took the Civil War and the subsequent adoption of three constitutional amendments to establish that ideal as American law. The Reconstruction amendments abolished slavery, guaranteed all persons due process and equal protection of the law, and equipped black men with the right to vote. They established the principle of birthright citizenship and guaranteed the privileges and immunities of all citizens. The federal government, not the states, was charged with enforcement, reversing the priority of the original Constitution and the Bill of Rights. In grafting the principle of equality onto the Constitution, these revolutionary changes marked the second founding of the United States. Eric Foner 's compact, insightful history traces the arc of these pivotal amendments from their dramatic origins in pre-Civil War mass meetings of African-American "colored citizens " and in Republican party politics to their virtual nullification in the late nineteenth century. A series of momentous decisions by the Supreme Court narrowed the rights guaranteed in the amendments, while the states actively undermined them. The Jim Crow system was the result. Again today there are serious political challenges to birthright citizenship, voting rights, due process, and equal protection of the law. Like all great works of history, this one informs our understanding of the present as well as the past: knowledge and vigilance are always necessary to secure our basic rights.

America is the leading narrative history because students love to read it. Additional coverage of immigration enhances the timeliness of the narrative. New Chapter Opener videos, History Skills Tutorials, and Norton's adaptive learning tool, InQuizitive, help students develop history skills, engage with the reading, and come to class prepared. What hasn't changed? Our unmatched affordability. Choose from Full, Brief (15% shorter), or The Essential Learning Edition--featuring fewer chapters and additional pedagogy.

The Problem of National Unity

The Second Founding: How the Civil War and Reconstruction Remade the Constitution

America in the Age of Lincoln

A Documentary History

Give Me Liberty!: An American History (Brief Fourth Edition) (Vol. One Volume)

Explore the important role Radical Republicans played during Reconstruction in an easily digestible style with Radical Reconstruction.

A powerful text by an acclaimed historian, Give Me Liberty! delivers an authoritative, concise, and integrated American history. In the Sixth Edition, Eric Foner addresses a question that has motivated, divided, and stirred passionate debates: "Who is an American?" With new coverage of issues of inclusion and exclusion reinforced by new primary source features in the text and a new secondary source tutorial online Give Me Liberty! strengthens students' most important historical thinking skills. The Seagull Edition offers the complete text of the Full Edition in full color and a portable trim size with fewer illustrations and maps and an exceptionally low price.

This first of two volumes presents an introduction to the history of America from pre-Columbian times to Reconstruction. This edition includes new coverage of inclusion and exclusion as it has played out in American law and institutions, political and social movements, family and individual aspirations, and race, gender, and ethnicity. The author emphasizes the effect of contact among peoples of three different continents, the creation of an "American" people, and the evolving definitions of freedom and equality.

Prague

Dolley Madison

Seagull Fourth Edition

The leading text in the U.S. survey course.

First Lady of the United States and America's "Queen of Hearts," Dolley Madison fashioned an unofficial role for herself in the new administration of the United States, helping to answer the nation's need for ceremony and leaving footprints for centuries of presidential wives to follow. Assisting her husband, James Madison, she helped to promote national unity, modeling a political behavior that stressed civility and empathy. Together, their approach fueled bipartisanship in a country still assembling a political identity. About the Lives of American Women series: selected and edited by renowned women's historian Carol Berkin, these brief biographies are designed for use in undergraduate courses. Rather than a comprehensive approach, each biography focuses instead on a particular aspect of a women's life that is emblematic of her time, or which made her a pivotal figure in the era. The emphasis is on a 'good read', featuring accessible writing and compelling narratives, without sacrificing sound scholarship and academic integrity. Primary sources at the end of each biography reveal the subject's perspective in her own words. Study questions and an annotated bibliography support the student reader.

Now revised — the easy-to-understand guide to the story of America Want to better understand U.S. History? This friendly book serves as your tour guide through the important events of America's past and present, introducing you to the people who helped to shape history. From pre-Columbus to the American Revolution, from Watergate to Iraq to Barack Obama, you'll discover fascinating details that you won't find in dry history texts! They're coming to America — explore early civilizations, meet Native Americans, and see how the development of the English colonies led to slavery and the American Revolution From Thomas Jefferson to Abraham Lincoln — examine the contributions of great Americans as well as the discovery of gold, the birth of California, the Civil War, and Manifest Destiny America grows up — be there during the conquering of the West, industrial development, and the invention of the light bulb and the telephone The impact of the World Wars — understand the sweeping changes these epochal events brought to America and the rest of the world The Cold War, Camelot, and Clinton — take a closer look at the Korean War and communism, the fabulous '50s, JFK, Vietnam, Nixon and Watergate, Reaganomics, and the Clinton years From the '90s to now — witness the birth of the microchip, the impact of hanging chads in a presidential election, the largest terrorist attack on American soil, and the growing economic crisis Open the book and find: Ten important events that defined American culture Interesting Americans, from presidents to gangsters to sports heroes How America fought to win independence from England Details about all the major wars and their long-term effects Insight into the roots of slavery Inventions that changed life for Americans The impact of the atomic bomb The Bill of Rights and the Declaration of Independence

Give Me Liberty!: An American History (Brief Fourth Edition)

The leading text, in a compact, value edition.

Presents a survey text of American history from European exploration to the present day, with an emphasis on the interconnections between social, cultural, political, and economic history.

Explore the complex app development concepts for iOS application programming with fun and ease. KEY FEATURES

- *In-depth knowledge with practical examples on how to develop professional iOS apps.*
- *Includes coverage on the entire iOS application development, right from designing the UI to application deployment.*
- *Get to know more about machine learning and augmented reality, and their impact on iOS apps.*

DESCRIPTION *Grab this book if you want to make Apps for Apple's iOS devices and that too efficiently like a skilled developer. This book covers the complete development of iOS applications, right from concepts of designing an application to adding machine learning capabilities in the applications. You will learn and practice the App development environment with Xcode and Swift programming. Concepts like different types of views and UI components, data manipulations, animations, different iOS screen views, and integrating web services are covered in detail with examples. You will also learn the popular machine learning technology and fascinating features like Augmented Reality to be put into use in your app. You will learn to run automated application testing, use SwiftUI, and deploy applications on the network. WHAT YOU WILL LEARN*

- *Build strong familiarity with the entire application development environment.*
- *Revive essential coding concepts and methods of Swift and Xcode.*
- *Simplify integration of iOS apps with web services, including JSON and XML decoding.*
- *Learn to work with iOS ARKit and add the experience of augmented reality to applications.*
- *Work with popular SwiftUI, XCTest, and a growing machine learning library, CoreML. WHO THIS BOOK IS FOR* *This book caters to mobile developers, application developers, and students who want to build sound proficiency in the entire process of iOS Application development. Knowing basic programming concepts would be good, although not mandatory. TABLE OF CONTENTS*
 1. *iOS App Development Environment*
 2. *Swift Programming Language*
 3. *User Interface and Data Handling*
 4. *Different Views in iOS Devices*
 5. *Image and Animation*
 6. *Multi-View Application and Navigation*
 7. *Data Persistence for iOS Devices*
 8. *Integration with Web Services*
 9. *Augmented Reality*
 10. *Machine Learning*
 11. *App Testing and Deployment*

SwiftUI

"A masterpiece [by] the preeminent historian of the Civil War era."—Boston Globe Selected as a Notable Book of the Year by the New York Times Book Review, this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue: American slavery. A master historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery, secession, and civil war. Lincoln's greatness emerges from his capacity for moral and political growth.

Give Me Liberty!

A poignant reflection on alienation and belonging, told through the lives of five remarkable people who struggled against nationalism and intolerance in one of Europe's most stunning cities. What does it mean to belong somewhere? For many of Prague's inhabitants, belonging has been linked to the nation, embodied in the capital city. Grandiose medieval buildings and monuments to national heroes boast of a glorious, shared history. Past governments, democratic and Communist, layered the city with architecture that medled politics and nationhood. Not all inhabitants, however, felt included in these efforts to nurture national belonging. Socialists, dissidents, Jews, Germans, and VietnameseAll have been subject to hatred and political persecution in the city they called home. Chad Bryant tells the stories of five marginalized individuals who, over the last two centuries, forged their own notions of belonging in one of Europe's great cities. An aspiring guidebook writer, a German-speaking newspaperman, a Bolshevik carpenter, an actress of mixed heritage who came of age during the Communist terror, and a Czech-speaking Vietnamese blogger: none of them is famous, but their lives are revealing. They speak to tensions between exclusionary nationalism and on-the-ground diversity. In their struggles against alienation and dislocation, they forged alternative communities in cafes, workplaces, and online. While strolling park paths, joining political marches, or writing about their lives, these outsiders came to embody a city that, on its surface, was built for others. A powerful and creative meditation on place and nation, the individual and community, Prague envisions how cohesion and difference might coexist as it acknowledges a need common to all.

The dramatic story of fugitive slaves and the antislavery activists who defied the law to help them reach freedom. More than any other scholar, Eric Foner has influenced our understanding of America's history. Now, making brilliant use of extraordinary evidence, the Pulitzer Prize-winning historian once again reconfigures the national saga of American slavery and freedom. A deeply entrenched institution, slavery lived on legally and commercially even in the northern states that had abolished it after the American Revolution. Slaves could be found in the streets of New York well after abolition, traveling with owners doing business with the city's major banks, merchants, and manufacturers. New York was also home to the North's largest free black community, making it a magnet for fugitive slaves seeking refuge. Slave catchers and gangs of kidnapers roamed the city, seizing free blacks, often children, and sending them south to slavery. To protect fugitives and fight kidnappings, the city's free blacks worked with white abolitionists to organize the New York Vigilance Committee in 1835. In the 1840s vigilance committees proliferated throughout the North and began collaborating to dispatch fugitive slaves from the upper South, Washington, and Baltimore, through Philadelphia and New York, to Albany, Syracuse, and Canada. These networks of antislavery resistance, centered on New York City, became known as the underground railroad. Forced to operate in secrecy by hostile laws, courts, and politicians, the city's underground-railroad agents helped more than 3,000 fugitive slaves reach freedom between 1830 and 1860. Until now, their stories have remained largely unknown, their significance little understood. Building on fresh evidence—including a detailed record of slave escapes secretly kept by Sydney Howard Gay, one of the key organizers in New York—Foner elevates the underground railroad from folklore to sweeping history. The story is inspiring—full of memorable characters making their first appearance on the historical stage—and significant—the controversy over fugitive slaves inflamed the sectional crisis of the 1850s. It eventually took a civil war to destroy American slavery, but here at last is the story of the courageous effort to fight slavery by "practical abolition," person by person, family by family.

Clear, concise, integrated, and up-to-date, Give Me Liberty! is a proven success with teachers and students. Eric Foner pulls the pieces of the past together into a cohesive picture, using the theme of freedom throughout. The Fourth Edition features stronger coverage of American religion and a reinforced pedagogical program aimed at fostering effective reading and study skills. The Seagull Edition includes the full text of the regular edition in a compact volume, for an affordable price.
