In this inspiring guide to successful leadership, New York Times bestselling author John C. Maxwell shares his tried and true principles for maximum personal growth. Are there tried and true principles that are always certain to help a person grow? John Maxwell says the answer is yes. He has been passionate about personal development for over fifty years, and for the first time, he teaches everything he has gleaned about what it takes to reach our potential. In the way that only he can communicate, John teaches . . . The Law of the Mirror: You Must See Value in Yourself to Add Value to Yourself The Law of Awareness: You Must Know Yourself to Grow Yourself The Law of Modeling: It's Hard to Improve When You Have No One But Yourself to Follow The Law of the Rubber Band: Growth Stops When You Lose the Tension Between Where You are and Where You Could Be The Law of Contribution: Developing Yourself Enables You to Develop Others This third book in John Maxwell's Laws series (following the 2-million seller The 21 Irrefutable Laws of Leadership and The 17 Indisputable Laws of Teamwork) will help you become a lifelong learner whose potential keeps increasing and never gets "used up."

Manifesting your desires has never been easier with New York Times bestselling author Christy Whitman ' s newest book, The Desire Factor, which offers the tools for you to find happiness, abundance, and success. The Desire Factor proves that desire is the force behind every act of creation, and it is the mechanism through which everything in this boundless spiritual universe is made manifest into physical, tangible form. However, the true gift is not in acquiring our desires; it is the people we become in the process of allowing our desires to move through us. The skills, the strengths, and the character traits we develop in the process of manifesting our desires stay with us always. The Desire Factor unfolds the precise steps for bringing about the manifestation of any desire. Take author Christy Whitman ' s advice and learn to lean into prosperity and abundance.
