Long unavailable, the book is back in print in a beautiful new package with full-color pull-out cards reproducing Wirth's 1889 tarot deck. With a new introduction by bestselling tarot author Mary K. In this important tarot work of the Major Arcana, Wirth combines the imagery and symbolism from Alchemy, Freemasonry, Rosicrucianism, and the magical heritage of Egypt and Chaldea, and explores the astronomical (rather than strictly zodiacal) associations for the Major Arcana cards.*

### 44 Divine Guidance Cards and Guidebook

This book describes the philosophy and the use of Aleister Crowley's Thoth Tarot, a deck of Tarot cards designed by Crowley and co-designed and painted by Lady Frieda Harris. The Thoth Tarot has become one of the best-selling and most popular Tarot Decks in the world. It is also one of the most original interpretations of the tarot, incorporating astrological, numerological, Egyptian, and Qabalistic symbolism. While there are many other useful guides to this famous tarot deck, there are no others that explain the deck in its designer's own words. The book is divided into four major parts: \* Part One: The Theory Of The Tarot. \* Part Two: The Atu (Keys or Trumps). \* Part Three: The Court Cards. \* Part Four: The Small Cards. Part One is further divided into three chapters; Part Two into two chapters and an appendix; Part Three into one chapter; and Part Four into one chapter. The book includes a list of plates depicting the Tarot cards as seen by Crowley and Harris.

A perfect companion to the Mystical Lenormand cards. In the book, Regula Elizabeth Fiechter describes each card, both the image and the interpretation. Each card is also presented in combination to each other card. Just as you never enter the same river twice, each reader will find his and her own interpretation. To have trust in one's own intuition here is the key to a successful and helpful interpretation. Due to the description of each

card/combination the book is also well suited for beginners in cartomancy.

There is no better source of magical energy than the primal drive that moves us all. Use this deck as a magical tool to harness and manipulate these passionate, wild, empowering, and playful energies.

*Following up his international best-selling book, *An Exorcist Tells His Story*, Fr. Gabriele Amorth, the renowned chief exorcist of Rome, expands on some of the key topics of his previous book, covering important details about demonic or occult issues. He uses concrete examples from his own experiences and those of other exorcists to illustrate and substantiate his points. Since satanic sects, occultism, sances, fortune-tellers and astrologers are so widespread today, Father Amorth asks the question why is it so difficult today to find an exorcist, or a priest who is an expert in this field? The example and the teaching of Christ is very clear, as is the tradition of the Church. But today's Catholics are often misinformed. Exorcisms are reserved for appointed priests, while all believers can make prayers of liberation. What is the difference? What norms must be followed? What problems are still open and unresolved in this field? The new book by Father Amorth answers these and many other questions, supporting his discourse with a rich exposition of recent facts. A valuable, practical and instructive manual for priests and lay people, on how to help many who are suffering.*
