

Like A Virgin Secrets They Wont Teach You At Business School Richard Branson

***#1 NEW YORK TIMES BESTSELLER • “This book delivers completely new and refreshing ideas on how to create value in the world.”—Mark Zuckerberg, CEO of Meta
“Peter Thiel has built multiple breakthrough companies, and Zero to One shows how.”—Elon Musk, CEO of SpaceX and Tesla
The great secret of our time is that there are still uncharted frontiers to explore and new inventions to create. In Zero to One, legendary entrepreneur and investor Peter Thiel shows how we can find singular ways to create those new things. Thiel begins with the contrarian premise that we live in an age of technological stagnation, even if we’re too distracted by shiny mobile devices to notice. Information technology has improved rapidly, but there is no reason why progress should be limited to computers or Silicon Valley. Progress can be achieved in any industry or area of business. It comes from the most important skill that every leader must master: learning to think for yourself. Doing what someone else already knows how to do takes the world from 1 to n, adding more of something familiar. But when you do something new, you go from 0 to 1. The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won’t make a search engine. Tomorrow’s champions will not win by competing ruthlessly in today’s marketplace. They will escape competition altogether, because their businesses will be unique. Zero to One presents at once an optimistic view of the future of progress in America and a new way of thinking about innovation: it starts by learning to ask the questions that lead you to find value in unexpected places.***

Richard Branson is an iconic businessman. In Screw It, Let’s Do It, he shares the secrets of his success and the invaluable lessons he has learned over the course of his remarkable career. As the world struggles with the twin problems of global recession and climate change, Richard explains why it is up to big companies like Virgin to lead the way in finding a more holistic and environmentally friendly approach to business. He also looks to the future and shares his plans for taking his business and his ideas to the next level. Richard reveals the new and exciting areas into which Virgin is currently moving, including biofuels and space travel, and brings together all the important lessons, good advice and inspirational adages that have helped him along the road to success. This is a fantastic motivational business book that will help every reader achieve their own dreams.

The British billionaire discusses his efforts over a forty-year period to build successful business ventures as well as the lessons he learned from his failures, with advice on adopting an entrepreneurial approach that can lead to success in business and I

Throughout my life I have achieved many remarkable things. In this book I'll share with you my ideas and secrets of my success, but not simply because I hope they'll help you achieve your individual goals. Today we are increasingly aware of the effects of our actions on the environment, and I strongly believe that we each have a responsibility, as individuals and organisations, to do no harm. I will explain why we need to take stock of how we may be damaging the environment, and why it is up to big companies like Virgin to lead the way in a more holistic approach to business. A lot has changed since I founded Virgin in 1968, and I'll explain how I intend to take my business and my ideas to the next level and into new and exciting areas - such as launching Virgin fuels. But I have also brought together all the important lessons, good advice and inspirational adages that have helped me along the road to success. Ironically, I have never been one to do things by the book, but I have been inspired and influenced by many remarkable people. I hope that you too might find a little inspiration between these pages.

The Autobiography

10 Secrets of the World's Greatest Brand Builder

Screw It, Let's Do It Expanded

Sir Richard Branson

An Emotional and Sensual Romance

Mum's the Word

The author looks back over his exploits as one of the world's most unconventional business tycoons

Richard Branson, who has been called "England's most outrageous billionaire," is also one of the world's most successful business leaders. Since the age of 16, when he founded Student magazine, Branson has been creating companies and finding innovative ways to grow them into the prodigious conglomerate known as the Virgin Group. At the age of 20, Branson founded a mail-order record retailer. Two years later he built a recording studio where the first artist signed to his Virgin label, Mike Oldfield, recorded the haunting soundtrack to The Exorcist. Decades later, industries as varied as entertainment (Virgin Music), retail (Virgin Megastores), transportation (Virgin Airlines), and telecommunications (Virgin Mobile) all bear Branson's business moniker. For the first time, the most thought-provoking, revealing, and inspiring quotes from Branson are compiled in a single book. Virgin Rebel: Richard Branson in His Own Words is a comprehensive guidebook to the inner workings of the Virgin Group chairman and founder. Hundreds of Branson's best quotes, comprising thoughts on business, music, entrepreneurship, politics, exploration, and life lessons, provide an intimate and direct look into the mind of this modern business icon.

A twelve-year veteran flight attendant shares the good, bad and naughty of the job.

Looking for advice on setting up your own company, improving your career prospects, or developing your leadership skills? Why not ask Richard Branson? In Like a Virgin: Secrets They Won't

Teach You in Business School, Richard distils and shares the wisdom and experience that have made him one of the world's most recognised and respected entrepreneurs. From his 'Top 5 secrets of Business Success', to hard hitting discussions about the global financial crisis, this book brings together his best advice on all things business. It's business school, the Branson way. How I've Survived, Had Fun, and Made a Fortune Doing Business My Way

"The brave may not live forever-but the cautious do not live at all!" -Sir Richard Branson Richard Branson is an iconic entrepreneur and the founder of Virgin Airways, Virgin Records, and many other Virgin businesses around the world. Now he shares the inside track on his life in business and reveals the incredible truth about his most risky, brilliant, and audacious deals. Combining invaluable advice with remarkable, and candid stories of Virgin's greatest achievements, as well as some of its setbacks, this is a dynamic, inspirational, and truly original guide. Whether you are an executive, an entrepreneur, or are just starting out, Branson strips business down to show how you can succeed and make a difference.

Richard Branson's life is an adventure, from record-breaking balloon flights to courtroom battles with British Airways. This autobiography of the founder of the Virgin empire, offers an insight into the private and public world of this larger-than-life entrepreneur.

Dukes's gripping historical novel tells the tale of a desperate Albanian woman who will do whatever it takes to keep her independence and seize control of her future...even if it means swearing to remain a virgin for her entire life. When eighteen-year-old Eleanora's father is shot dead on the cobblestone streets of 1910 Albania, Eleanora must abandon her dream of studying art in Italy as she struggles to survive in a remote mountain village with her stepmother Meria. Nearing starvation, Meria secretly sells Eleanora into marriage with the cruel heir of a powerful clan. Intent on keeping her freedom, Eleanora takes an oath to remain a virgin for the rest of her life—a tradition that gives her the right to live as a man: she is now head of her household and can work for a living as well as carry a gun. Eleanora can also participate in the vengeful blood feuds that consume the mountain tribes, but she may not be killed—unless she forsakes her vow, which she has no intention of ever doing. But when an injured stranger stumbles into her life, Eleanora nurses him back to health, saving his life—yet risking her own as she falls in love with him... "It's hard to believe that the culture Dukes describes was ever real, but the amount of research she put into this book definitely shines through. The story remains fascinating throughout; readers will definitely find it difficult to put this novel down."—San Francisco Book Review

Firefighter's Virgin

A Couple Cooks - Pretty Simple Cooking

NEW YORK TIMES BESTSELLER □ NATIONAL BOOK AWARD FINALIST □ A "stunning" (America Ferrera) YA novel about a teenager coming to terms with losing her sister and finding herself amid the pressures, expectations, and stereotypes of growing up in a Mexican American home—from the author of Crying in

the Bathroom “Alive and crackling—a gritty tale wrapped in a page-turner. ”—The New York Times Perfect Mexican daughters do not go away to college. And they do not move out of their parents' house after high school graduation. Perfect Mexican daughters never abandon their family. But Julia is not your perfect Mexican daughter. That was Olga's role. Then a tragic accident on the busiest street in Chicago leaves Olga dead and Julia left behind to reassemble the shattered pieces of her family. And no one seems to acknowledge that Julia is broken, too. Instead, her mother seems to channel her grief into pointing out every possible way Julia has failed. But it's not long before Julia discovers that Olga might not have been as perfect as everyone thought. With the help of her best friend Lorena, and her first love, first everything boyfriend Connor, Julia is determined to find out. Was Olga really what she seemed? Or was there more to her sister's story? And either way, how can Julia even attempt to live up to a seemingly impossible ideal?

One of the world's most famous business leaders (and a well-known avian fanatic) explores the pioneers of flight. Bestselling author and billionaire entrepreneur Sir Richard Branson has always been obsessed with the skies. To promote a new Virgin Airlines route, he became the first man to water ski behind a blimp. His Virgin Galactic venture will soon offer ordinary people the opportunity to experience spaceflight aboard the first commercial spaceliner, SpaceShipTwo. In *Reach for the Skies*, Branson examines the history of aviation over the last two hundred years, putting the spotlight on trailblazers such as: *Tony Jannus, who made the first ever commercial flight over Tampa Bay, Florida, in 1914. *Leo Valentin, the "bird man" who jumped from 9,000 feet wearing a pair of wooden wings in the 1950s. *Steve Fossett, who broke 130 world records in planes, balloons, and airships. The pioneers of flight—not just the world-famous Wright Brothers, but also lesser known visionaries and dreamers—made it possible for any of us with the desire and the commitment to reach for the skies ourselves.

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. _____ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

From the trailblazing founder and CEO of the Virgin Group, a powerful argument for using business to make a positive impact in the world. Richard Branson, one of the world's most famous and admired business leaders, argues that it's time to turn capitalism upside down—to shift our values from an exclusive focus on profit to also caring for people, communities and the planet. As he writes, “My message is a simple one: business as usual isn't working. In fact, it's 'business as usual' that's wrecking our planet. Resources are being used up; the air, the sea, the land—are all heavily polluted. The poor are getting poorer. Many are dying of starvation or because they can't afford a dollar a day for life-saving medicine. . . . Propheying doom and gloom is simply not my style. . . . I think business can help fix things and create a more prosperous world for everyone. I happen to believe in business because I believe that business can be a force for good. By that I mean doing good is good for business.” *Screw Business as Usual* shows how easy it is for both businesses and individuals to embark on a whole new way of doing things, solving major problems and turning our work into something we both love and are proud of.

Turning Capitalism into a Force for Good

Zero to One

Can You Keep a Secret?

Ending the War on Drugs

I Am Not Your Perfect Mexican Daughter

Leo Parnassus has returned to Athens to head the family empire. A New Yorker since childhood, he finds life is certainly different here with family feuds and expectations to marry and produce heirs! Amid all this tradition, the beautiful girl who catches Leo's eye is a welcome distraction. She may be a lowly waitress, but Angel has her secrets.... Leo will be pleased to discover she's a virgin, but not that she's the daughter of his adversary! Or that, in nine months, there will be one more secret revealed...

Eve Bransons life reads like a fast-paced adventure novel. A classically trained ballet dancer, she appeared in racy West End productions, disguised herself as a boy to take glider lessons, enlisted in the Womens Royal Navy Service, and then embarked on a series of harrowing adventures as a Star Girl air hostess on the ill-fated British South American Airways. Though

marrying the dashing ex-Cavalry officer, Edward Ted Branson, brought her down to earth to raise three children, Eves quest for adventure never faltered. After running several businesses, traveling the world, and doing global charity work, Eve is preparing to launch the first commercial space travelers to the edge of space in a Virgin Galactic mother ship that bears her name. In this lively, absorbing memoir part diary, part adventure story, part family history Eve Bransons formidable energy propels the reader through an extraordinary life. Along the way, she divulges some of the unorthodox but effective trade secrets behind raising one of the worlds most colourful entrepreneurs.

This is the worldwide bestselling autobiography of iconic entrepreneur Sir Richard Branson, featuring his take on his latest business ventures, personal achievements and intrepid adventures. In *Losing my Virginity*, you'll discover how Sir Richard is committed to building a better world through responsible, holistic business practices and ventures such as the Virgin Health Bank, which is contributing to regenerative medicine, Virgin Fuels, which has pledged £ 200 million to renewable energy projects, and his company's charitable arm, Virgin Unite. You'll also learn about how Sir Richard and his company are reaching for the stars in a new era of commercial space travel with Virgin Galactic. With insights into this very public figure's personal life as well as his business successes and the lessons he's learned along the way, this is an amazing memoir, motivational business guide and inspiring story that will capture your imagination.

Twenty years after his iconic memoir *Losing My Virginity*, the world's ultimate entrepreneur is back with the rest of the story. Richard Branson's *Losing My Virginity* shared the outrageous tale of how he built Virgin from a student magazine into one of the greatest brands in history. No challenge was too daunting, no opportunity too outlandish to pursue. And each new adventure started with five simple words: "Screw it, let's do it." Now, fifty years after starting his first business, Branson shares the candid details of a lifetime of triumphs and failures and what he really thinks about his unique life and career. *Finding My Virginity* is an intimate look at his never-ending quest to push boundaries, break rules, and seek new frontiers—even after launching a dozen billion-dollar businesses and hundreds of other companies. As he led Virgin into the new millennium, Branson fearlessly expanded the brand into new categories such as mobile, media, fitness, and banking and into every corner of the globe—all while preserving its iconoclastic, scrappy spirit. He even brought Virgin into space with Virgin Galactic, the world's first commercial spaceline. *Finding My Virginity* takes us behind the scenes of the incredible brains, heart, and sacrifices that have gone into making private spaceflight an imminent reality—even after the biggest crisis Branson has ever faced. But this book is much more than a series of business adventures. It's also the story of Branson's evolution from hotshot entrepreneur to passionate philanthropist and public servant, via Virgin Unite's environmental and health initiatives and through the Elders, a council of influential global leaders. And it's the story of his personal quest to become a better son, husband, father, and "grand-dude" to his four grandchildren. Featuring a supporting cast that includes everyone from Bill Gates to Kate Moss, Nelson Mandela to Barack Obama, this is the gripping account of a man who will never stop reaching for the stars, in more ways than one. Find out how Branson did it for the first time—all over again.

The 48 Laws Of Power

Skill It, Kill It

Secrets They Won't Teach You at Business School

Cabin Fever

Richard Branson

You Can Find Meaning, Make A Living, and Change the World

It's business school, the Branson way. Whether you're interested in starting your own business, improving your leadership skills, or simply looking for inspiration from one of the greatest entrepreneurs of our time, Richard Branson has the answers. Like a Virgin brings together some of his best advice, distilling the experiences and insights that have made him one of the world's most recognized and respected business leaders. In his trademark thoughtful and encouraging voice, Branson shares his knowledge like a close friend. He'll teach you how to be more innovative, how to lead by listening, how to enjoy your work, and much more. In hindsight, Branson is thankful he never went to business school. Had he conformed to the conventional dos and don'ts of starting a business, would there have been a Virgin Records? A Virgin Atlantic? So many of Branson's achievements are due to his unyielding determination to break the rules and rewrite them himself. Here's how he does it.

For the last 50 years, drug prohibition laws have put the market for illegal drugs into the hands of organised criminals. Now, it's time to take control. Ending the failed war on drugs will reduce drug-related violence, tackle organised crime, end the needless criminalisation of millions, and will halt the drain on government funds and resources. In this book, global opinion-leaders on the frontline of the drug debate describe their experiences and perspectives on what needs to be done. Highlighting the pitfalls behind drug policy to-date and bringing to light new policies and approaches, which make a clear case for galvanizing governments to end the war on drugs - once and for all.

Ever wondered why CEOs, leaders and recruiters talk endlessly about soft skills? Job interviews, promotions, appraisals, teamwork, managing workplace challenges, communication skills and a lot more-soft skills give you a sizeable professional edge to ace all of these. In this book, Ronnie Screwvala shares personal stories and observations from his many failures and few successes to give you an insider's view of the 'invisible' skills, which can cut years off your learning curve. Practical, actionable and peppered with advice from successful leaders, *Skill It, Kill It* will ensure you're future-proof in these ever-changing times and ready to stand out among your peers. If you are ready to RISE COMMIT LISTEN SACRIFICE and really want it BADLY Then your time is NOW Welcome to #LifeLongLearning

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Virgin's Secret

Business the Richard Branson Way

Finding My Virginity

Sunrise on Half Moon Bay

Screw It, Let's Do It

Adventures of a Global Entrepreneur

An autobiography of entrepreneur, Richard Branson. It discusses Richard's family, friends and philosophy, and covers dramatic events such as his Atlantic crossings, the sale of Virgin Records and the BA dirty tricks affair. There are insights into the workings of Virgin.

This is a book on leadership from someone who has never read a book on leadership in his life. While building the Virgin Group over the course of forty years, Richard Branson has never shied away from tackling seemingly outlandish challenges that others (including his own colleagues on many occasions) considered sheer lunacy. He has taken on giants like British Airways and won, and monsters like Coca-Cola and lost. Now Branson gives an inside look at his strikingly different, swashbuckling style of leadership. Learn how fun, family, passion, and the dying art of listening are key components to what his extended family of employees around the world has always dubbed (with a wink) "the Virgin Way." This unique perspective comes from a man who dropped out of school at sixteen, suffers from dyslexia, and has never worked for anyone but himself. He may be famous for thinking outside the box—an expression he despises—but Branson asserts that "you'll never have to think outside the box if you refuse to let anyone build one around you."

Like a Virgin Secrets They Won't Teach You at Business School Penguin

SPECIAL DEAL!!! Buy the paperback version of the book NOW to receive the kindle version (\$2.99) for FREE! Richard Charles Nicholas Branson was born on July 18, 1950 in Surrey, England. Toiled during his school years and dropped out at the young age of 16. This turn of events actually led to the origin of Virgin Records. Began in the industry of music, Branson's initiatives and enterprises spread into many different industries, leading to Branson's status as a billionaire. His original Virgin Group currently has over 200 different companies, including a space touring company, Virgin Galactic. Branson is well-known for his adventurous spirit, such as flying in a hot air balloon across the Atlantic Ocean. This book examines some of Richard Branson's famous quotes and analyze the meaning and significance of each. Along with each quote is the real life story of how Richard Branson himself implements those same principles effectively in his life and business These quotes will focus on a variety of topics such as: Quote # 1 - On Pitching Your Business Quote # 2 - On Punctuality Quote # 4 _ On Being Decisive Quote # 5 - On Communication Quote # 6 - On Fear Quote # 7 - On Social Media Quote # 8 - On Missed Opportunities Quote # 9 - On Finding Opportunities Quote # 10 - On Being Organized Quote # 11 On Taking Action Quote #12 - On Treating Employees Quote # 13 - One Taking Risks If you are into entrepreneurship and is a Branson's fan, then you cannot miss out on this amazing book.

Secrets They Won't Teach You at Business School

The Virgin Way

The Sizzling Secrets of a Virgin Airlines Flight Attendant

Screw Business As Usual

From the Bestselling Author of the hit Netflix series, Virgin River! Sometimes the happiness we're looking for has been there all along... Adele and Justine have never been close. Born twenty years apart, Justine was already an adult when Addie was born. The sisters love each other but they don't really know each other. When Addie dropped out of university to care for their ailing parents, Justine, a successful lawyer, covered the expenses. It was the best arrangement at the time but now that their parents are gone, the future has changed dramatically for both women. Addie had great plans for her life but has been worn down by the pressures of being a caregiver and doesn't know how to live for herself. And Justine's success has come at a price. Her marriage is falling apart despite her best efforts. Neither woman knows how to start life over but both realize they can and must support each other the way only sisters can. Together they find the strength to accept their failures and overcome their challenges. Happiness is within reach, if only they have the courage to fight for it. Set in the stunning coastal town of Half Moon Bay, California, Robyn Carr's new novel examines the joys of sisterhood and the importance of embracing change.

In September 2012, a YOUNGOV poll conducted in Britain found that the person British workers would most like as their manager was Sir Richard Branson. With over 40 years in business, Richard Branson is an inspiring pioneer of humanitarian projects and an iconic business leader. In *The Virgin Way: How to Listen, Learn, Laugh and Lead*, Richard shares and distils his secrets of leadership and success. Featuring anecdotes from his own business dealings, as well as his observations of many others who have inspired him "from politicians, business leaders, explorers, scientists and philanthropists" Richard reflects on the qualities he feels are essential for success in today's world. This is not a conventional book on leadership. There are no rules "but rather the secrets of leadership that he has learned along the way from his days at Virgin Records, to his recent work with The Elders. Whether you're at the beginning of your career, or head of a Fortune 500 company" this is your guide to being your own CEO (Chief Enabling Officer) and becoming a true leader "not just a boss.

Popular husband-and-wife bloggers and podcasters (acouplecooks.com) offer 100 recipes with an emphasis on whole foods and getting into the kitchen together. The couple's non-diet approach features simple lifestyle changes to make healthy cooking sustainable, rather than a short-term fix. A love story at its finest, Alex and Sonja Overhiser first fell for each other--and then the kitchen. In a matter of months, the writer-photographer duo went from eating fast and frozen food to regularly cooking vegetarian meals from scratch. Together,

the two unraveled a "pretty simple" approach to home cooking that kicks the diet in favor of long-term lifestyle changes. While cooking isn't always easy or quick, it can be pretty simple by finding love in the process. **A Couple Cooks | Pretty Simple Cooking** is an irresistible combination of spirited writing, nourishing recipes with a Mediterranean flair, and vibrant photography. Dubbed a "vegetarian cookbook for non-vegetarians", it's a beautiful book that's food for thought, at the same time providing real food recipes for eating around the table. The book features: 100 vegetarian recipes, with 75 vegan and 90 gluten-free options A full-color photograph for every recipe Recipes arranged from quickest to more time-consuming 10 life lessons for a sustainably healthy approach to cooking, artfully illustrated with a custom watercolor

Revelation

New Lessons For the Future

Throughout my life I have achieved many remarkable things. In Screw It, Let's Do It, I will share with you my ideas and the secrets of my success, but not simply because I hope they'll help you achieve your individual goals. Today we are increasingly aware of the effects of our actions on the environment, and I strongly believe that we each have a responsibility, as individuals and organisations, to do no harm. I will draw on Gaia Capitalism to explain why we need to take stock of how we may be damaging the environment, and why it is up to big companies like Virgin to lead the way in a more holistic approach to business. In Screw It, Let's Do It I'll be looking forwards to the future. A lot has changed since I founded Virgin in 1968, and I'll explain how I intend to take my business and my ideas to the next level and the new and exciting areas - such as launching Virgin Fuels - into which Virgin is currently moving. But I have also brought together all the important lessons, good advice and inspirational adages that have helped me along the road to success. Ironically, I have never been one to do things by the book, but I have been inspired and influenced by many remarkable people. I hope that you too might find a little inspiration between these pages.

She wants him to be her first time... But it could be ruined by his secrets... Megan has always followed the rules, she has tried to be the good girl her entire life. But sometimes being the good girl doesn't exempt you from injustice or pain. Having moved to a new city, Megan finds herself infatuated with her brother's friend. Phil is handsome, smart and incredibly sexy but he has secrets... and Megan's not sure if he is the man he claims to be. Phil has worked hard to get his life together and become a firefighter. His father is dead, his mother left a long time ago and he has a brother he hasn't seen in two years. But family is whom you choose and Phil has chosen Megan. She is his friend's sister, but more importantly she's his best friend... possibly even his soul mate. Phil isn't quite sure he even believes in soul mates, but meeting Megan has opened up his mind... and his heart. But sometimes the past doesn't always stay in the past and when Phil's troubled adolescence comes back to haunt him, he stands to lose everything he has fought so hard to achieve... his career, his future, and most of all - Megan.

NOW A MAJOR MOTION PICTURE • From the #1 New York Times bestselling author of The Party Crasher and Love Your Life comes a novel with the same wicked humor, buoyant charm, and optimism as her beloved Shopaholic series. “Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter.”—Jojo Moyes, author of The Giver of Stars and The Last Letter from Your Lover Meet Emma Corrigan, a young woman with a huge heart, an irrepressible spirit, and a few little secrets: Secrets from her boyfriend: I've always thought Connor looks a bit like Ken. As in Barbie and Ken. Secrets from her mother: I lost my virginity in the spare bedroom with Danny Nussbaum while Mum and Dad were downstairs watching Ben-Hur. Secrets she wouldn't share with anyone in the world: I have no idea what NATO stands for. Or even what it is. Until she spills them all to a handsome stranger on a plane. At least, she thought he was a stranger. . . . But come Monday morning, Emma's office is abuzz about the arrival of Jack Harper, the company's elusive CEO. Suddenly Emma is face-to-face with the stranger from the plane, a man who knows every single humiliating detail about her. Things

couldn't possibly get worse. Or could they? Praise for Can You Keep a Secret? "Venturing beyond Saks and Barney's, the bestselling author of Confessions of a Shopaholic and Shopaholic Ties the Knot entertains readers with backstabbing office shenanigans, competition, scandal, love and sex. . . Kinsella's down-to-earth protagonist is sure to have readers sympathizing and doubled over in laughter."—Publishers Weekly "If laughing out loud in public places is your bag, be sure to pick up [Can You Keep a Secret?]. Heroine Emma Corrigan is going to be your new best friend."—Boston Herald "Kinsella's timing is so perfect, her instincts so spot-on, that it's easy to . . . devour the book like the guilty pleasure it is."—Miami Herald "Chick lit at its lightest and breeziest . . . filled with fabulous clothes, stalwart friends, and snotty enemies waiting to be taken down a peg."—Orlando Sentinel "[Kinsella's] dialogue is sharp, even her minor characters are well drawn, and her parody of the marketing world is very funny."—Washington Post Book World "[A] comedic frenzy of ill-fated events . . . punchy . . . fast-moving."—Rocky Mountain News

A revelatory account of the personal factors that shaped the Virgin Group founder's unconventional leadership style discusses topics ranging from his limited education and struggles with dyslexia through his self-employment values and beliefs about listening. 75,000 first printing.

The New Autobiography

Like A Virgin

In many ways, Richard Branson and his company the Virgin Group are unique. In an era dominated by strategists, Branson is an opportunist with an uncanny knack of sniffing out great deals where others hesitate or fear to tread. Never before has a single brand been so successfully deployed across such a diverse range of goods and services. Branson is the ultimate brand builder. So how does he do it? Now bought completely up to date for this new edition, Business the Richard Branson Way, not only reveals the secrets of Branson's remarkable success but also draws out the universal lessons and identifies strategies that can be applied to any business or career. From picking on someone bigger than you to moving faster than a speeding bullet, and from making work fun to keeping the common touch, you have in your hands the secrets of phenomenal success. Contents Richard Branson Revisited The Life and Times of Richard Branson One Pick on Someone Bigger Than You Two Do the Hippy, Hippy Shake Three Haggle - Everything's Negotiable Four Make Work Fun Five Do Right By Your Brand Six Smile for the Cameras Seven Don't Lead Sheep, Herd Cats Eight Faster than a Speeding Bullet Nine Size Does Matter Ten Never Lose the Common Touch How to Build a Brand the Branson Way Last Word Sir Richard Branson's amazing memoir is now updated to include the effect on the Virgin Group of 11 September, his views on the war in Iraq, the rise of Virgin Blue and the flotation of Virgin Mobile. Discover how Virgin is moving into the US domestic flight market and why he set up the charitable body "Virgin Unite". As ever, his thirst for challenge is unquenched. Sir Richard reveals the thrills of the world record attempt with the Virgin Atlantic Global Flyer and taking Virgin to the final frontier as Virgin Galactic are poised for a new era of commercial space travel. Compelling. Brilliant. Revealing. Funny. Inspirational. Extraordinary. Revealing Sir Richard's unique story, his personal philosophy on life, the Virgin brand and business Losing My Virginity is an autobiography without equal.
