

Literary Terms Collins Dictionary Of

The West Wing, first broadcast in 1999, is thought by many to have been one of the most significant dramas shown on network television. Despite its overly idealized depiction of American political life, and blatant contradictions in the way we consider America, its values, its aspirations, and its behavior in the world, The West Wing nonetheless succeeds in attaining popular national and international aesthetic appeal. This book aspires to explain the appeal of the show by considering issues such as race, religion, sexuality, disability, and education--from both a practical and theoretical perspective--through the lenses of feminism, gender theory, Marxism, psychoanalytical theories, structuralism, poststructuralism, postcolonialism and more. It seeks to offer informative and revealing readings of one of the most significant television productions of recent times.

New York Times Bestseller: This retelling of the Greek myth of Theseus, king of Athens, is “one of the truly fine historical novels of modern times” (The New York Times). In myth, Theseus was the slayer of the child-devouring Minotaur in Crete. What the founder-hero might have been in real life is another question, brilliantly explored in *The King Must Die*. Drawing on modern scholarship and archaeological findings at Knossos, Mary Renault’s Theseus is an utterly lifelike figure—a king of immense charisma, whose boundless strivings flow from strength and weakness—but also one steered by implacable prophecy. The story follows Theseus’s adventures from Troizen to Eleusis, where the death in the book’s title is to take place, and from Athens to Crete, where he learns to jump bulls and is named king of the victims. Richly imbued with the spirit of its time, this is a page-turner as well as a

Get Free Literary Terms Collins Dictionary Of

daring act of imagination. Renault ' s story of Theseus continues with the sequel The Bull from the Sea. This ebook features an illustrated biography of Mary Renault including rare images of the author.

Selected by a poll of more than 180 Gothic specialists, the fifty-three original works discussed in 21st-Century Gothic represent the most impressive Gothic novels written around the world between 2000-2010.

The Lives of Texts: Exploring the Metaphor examines various instances of “ textual subsistence ” implied by the title. Drawing on the parallel between a text and a living organism, the contributors analyze various literary texts ranging from the Middle Ages to postmodernity, as well as film adaptations and the graphic novel. Apart from the works of canonical writers, attention is also drawn to some long-forgotten authors, along with the most recent instances of popular literature and culture. The exploration of the title metaphor allows the contributors to trace life-like phenomena (e.g. textual birth, maturation, dissemination, death and resurrection) in the texts of writers so remote from each other as Layamon, Thomas More, Mary Shelley, Charles Williams, Ursula Le Guin, A. S. Byatt, Peter Ackroyd, Iain Banks, J. K. Rowling, or Neil Gaiman.

Values Across Cultures and Times

John Cornwell evokes a vanished time and way of life in this moving and, at times, troubling memoir of an adolescence spent in the isolated all-male world of the seminary. Born into a destitute family with a dominating Irish-Catholic mother and an absconding father during World War II in London, John Cornwell's childhood was deeply dysfunctional. When he was thirteen years old he was sent to Cotton College, a remote seminary for boys in the West Midlands countryside. For the next five years Cornwell lived under an austere monastic regime as he wrestled with his emotional and spiritual demons. In the hothouse atmosphere of the seminary he strove to find stable, loving friendships among his fellows and fatherly support from the priests, one of whom proved to be a sexual predator. The wild countryside around the seminary, the moving power of church ritual and music, and a charismatic priest enabled him to persevere. But while normal teenagers were being swept up by the rock 'n' roll era, Cornwell and his fellow seminarians continued to be emotionally and socially repressed. Secret romantic attachments between seminarians were not uncommon; on visits home they were overwhelmed by the powerful attractions of the emerging youth culture of the 1950s. But when they returned to Cotton College, the boys were once again governed by the age-old traditions and disciplines of seminary life. And like many young seminarians, Cornwell struggled with a natural adolescent rebelliousness, which in one crucial instance provoked a crisis that would eventually lead to his decision to abandon his

dream of becoming a priest. Written with tremendous warmth and humor, *Seminary Boy* is a truly unforgettable memoir and a penetrating glimpse into the hidden world of seminary life.

This volume addresses the beauty of convention not in an attempt to recapitulate established values (as, luckily, in literature and culture, there are not absolute beauties that serve everyone and always), but as an aesthetic appreciation of form as a keeper of meaning and as an ethical post-cynical metadiscourse on human dependence on symbolic interaction and generic conventions. Looking into the artificial, invented, side of this concept, the book addresses such questions as: What is beauty by virtue of convention? How does convention generate beauty? How does it happen that a convention acquires a normative force? What is the nature and the “logic of situation” that leads to the arbitrary conventions? How are alternative conventions made? What is inertia, and what real joy or belief ensures the stability of convention? Is there a natural correctness that enables the stability of convention? How does convention determine linguistic meanings? Can interpretation avoid convention? Without imposing one definition onto the reader, this volume presents an understanding of the stability of convention and how it generates beauty by employing numerous contemporary reading strategies and diverse cultural, ethnic, gender, psychological, and textual perspectives. Primary focus is given to various literary texts ranging from early classics to modernism and

contemporary writing, though there are also discussions on other forms of human expressions, such as music, dance and sculpture. This book will contribute to the ongoing discussion about the ambiguities inherent in the concept of convention, and, thus, stimulate intellectual confrontation and circulation of ideas within the fields of literature and culture.

The product of dozens of this country's finest biblical scholars, the HarperCollins Bible Dictionary is the most complete, up-to-date, and accessible guide for the study of the Bible available today. This newly condensed edition makes that acclaimed resource available in an easy-to-use size. Perfect for church Bible study groups, home schools, high schools, colleges, or personal study, this edition contains all the important names, places, and subjects that make Bible study come to life, including the patriarchs, judges, kings, and prophets, and the world of the New Testament and the early church. Other significant topics include the Dead Sea Scrolls, the Nag Hammadi Library, the archaeology of the biblical world, and the history of the English Bible. The condensed HarperCollins Bible Dictionary includes: Over 3,000 lively, informative, and easy-to-use entries A helpful pronunciation guide More than 50 detailed maps Informative charts, graphs, and timelines Hundreds of photos and illustrations

The third in Susan Howatch's Church of England novels, *Ultimate Prizes* begins in 1942 with the world at war, as narrator and archdeacon Nevill Aysgarth finds

himself falling into a hopeless obsession over Dido Tallent, beautiful celebrity, and finds himself pursuing her through a swamp of guilt and the destruction of his valued moral compass. . . . Praise for Ultimate Prizes “I did not want to put the book down. . . . [Howatch] is a skilled storyteller who makes the reader wonder and care about her people.”—The Washington Post Book World “Thoughtful and thought-provoking . . . Almost every newspaper carries an article or two on the scandalous private life of a public figure. . . . Ultimate Prizes offers a look at both the sacred and profane aspects of religious life as it is lived on the front lines—the story just behind the front page.”—Chicago Tribune “Howatch writes thrillers of the heart and mind. . . . Everything in a Howatch novel cuts close to the bone and is of vital concern. . . . You’ll want to have tea with this wise, witty woman.”—New Woman “Vibrant . . . The author of Glittering Images and Glamorous Powers scores a hat trick with this third novel in her series set amidst the ‘cut-and-thrust battles’ and ‘sheer Machiavellian skulduggery’ of the Church of England.”—Kirkus Reviews

The best-selling Oxford Dictionary of Literary Terms (formerly the Concise dictionary) provides clear, concise, and often witty definitions of the most troublesome literary terms from abjection to zeugma. It is an essential reference tool for students of literature in any language. It is now available in a new and expanded edition and includes increased coverage of new terms from modern critical and theoretical movements, such as feminism, and schools of American poetry, Spanish verse forms, life writing, and crime fiction. It includes extensive coverage of traditional drama, versification, rhetoric, and literary history, as well as updated and extended advice on recommended further reading and a pronunciation guide to more than 200 terms. New to this edition are recommended entry-level web links updated via the Dictionary of Literary Terms companion website.

In 1916, a girl named Lily was born into a working class family in Duns, in the Borders region of Scotland. She became determined to escape, both from the small-town gossip and from her terrifying mother, who thought Lily was born only to serve. Lily could not have predicted that her flight would eventually lead her to the heart of the Scottish establishment. Her eccentric and at times self-destructive nature shaped every decision she made, and her life became increasingly rickety. In 1975, living in Edinburgh as a self-styled dealer in porcelain dolls, with two failed marriages and four sons (one

Get Free Literary Terms Collins Dictionary Of

adopted) to her name, not to mention posts as a housekeeper and a boarding house owner, she met Randolph Stewart, the future 13th Earl of Galloway. On the surface, Randolph's aristocratic childhood could not have seemed more different. His was a world of great privilege, emotional restraint and overwhelming expectation. As an adolescent he had been diagnosed with schizophrenia and, as a young man, lobotomised. Much of the rest of his life had been spent hidden away, either in a mental institution or with a religious order of monks. But a curious bond formed between Lily and Randolph, and an even more curious marriage followed, beginning a deep family feud that was played out in newspaper headlines.

This French-English/English-French dictionary, is a collaboration between Collins and Le Robert, now revised and updated with hundreds of new words, phrases and senses. The supplements on communication, education systems and famous people of the French- and English-speaking worlds make this the perfect dictionary for use at college, home or work. Designed for students and professionals using French in the course of their work. Our Editorial Teams draw on our unique multi-million word databases of French and English to ensure that the user has the most complete and accurate picture of real language available today. * Updated with hundreds of new words and phrases from a wide range of fields, including technology, media

The HarperCollins Dictionary Art Terms & Techniques

The Individual, the Novel & the Idea of Home

The HarperCollins Dictionary of Art Terms and Techniques, 2nd edition, contains over 3,200 clear definitions of terms encountered in the study and practice of the visual arts and in their literature. It covers all forms of easel and mural paintings, drawing, sculpture, the graphic arts, photography, ceramics, and mosaic. There are entries on schools, styles, and periods, but the chief emphasis of the book is on the materials and methods of the artist. Materials are defined in terms of compositions, source, use, and characteristic properties; processes and techniques are defined in terms of their practical application and results. Tools and equipment are concisely described and illustrated with copious line drawings. This Encyclopedia is the most comprehensive guide yet both to the nature and content of literature, and to literary criticism. In ninety essays by leading international critics and scholars, the volume covers both traditional topics such as literature and history, poetry, drama and the novel, and also newer topics such as the production and reception of literature. Current critical ideas are clearly and provocatively discussed, while the volume's arrangement reflects in a dynamic way the rich diversity of contemporary thinking about literature. Each essay

The Forms And Functions Of Embedded Poems In British Fantasy Narratives

Teaching English Literature 16 – 19 is an essential new resource that is suitable for use both as an introductory guide for those new to teaching literature and also as an aid to reflection and renewal for more experienced teachers. Using the central philosophy that students will learn best when actively engaged in discussion and encouraged to apply what they have learnt independently, this highly practical new text contains: discussion of the principles behind the teaching of literature at this level; guidelines on course planning, pedagogy, content and subject knowledge; advice on teaching literature

taking into account a range of broader contexts, such as literary criticism, literary theory, performance, publishing, creative writing and journalism; examples of practical activities, worksheets and suggestions for texts; guides to available resources. Aimed at English teachers, teacher trainees, teacher trainers and advisors, this resource is packed full of new and workable ideas for teaching all English literature courses. Many works of fantasy literature feature a considerable number of embedded poems, some written by the authors themselves, some borrowed and transformed from other authors. Exploring the mechanisms of this mix and the interaction between individual poems and the overall narrative, this monograph analyses the various forms and functions of embedded poems in major works of fantasy literature. The choice of authors and texts shed light on the development of fantasy as a genre that frequently mixes prose and verse and thus continues the long tradition of prosimetric practices after the Romantic period. Not only does the analysis of the embedded poems allow for a new understanding of the individual works. It also promises insights into shared literary-historical roots, cross-influences between the authors and the role of the mix of poetry and prose for the imaginative and subversive potential of fantasy literature in general. Providing comprehensive case studies of the forms and functions of embedded poems in fantasy literature, this volume illuminates the emergence of modern fantasy and its impact on contemporary fantasy.

Collins Dictionary Literary Terms Collins

Chick lit is the marketing label attributed to a surge of books published in the wake of Helen Fielding's *Bridget Jones's Diary* (1996) and Candace Bushnell's *Sex and the City* (1997). Branded by their pink or pastel-coloured book covers, chick-lit novels have been a highly successful and ubiquitous product of women's popular culture since the late 1990s. This study traces the evolution of chick lit not only as a genre of popular fiction, but as a cultural phenomenon. It complicates the genealogy of the texts by situating them firmly in the context of age-old debates about female literary creation, and by highlighting the dynamics of the popular-fiction market. Offering a convincing dissection of the formula which lies at the heart of chick lit, as well as in-depth analyses of a number of chick-lit titles ranging from classic to more recent and edgier texts, this book yields new insights into a relatively young field of academic study. Its close readings provide astute assessments of chick lit's notoriously skewed representational politics, especially with regard to sexuality and ethnicity, which feed into current discussions about postfeminism. Moreover, the study makes a unique contribution to the scholarly debate of chick lit by including an analysis of the (online) fan communities the genre has fostered. *The Cultural Politics of Chick Lit* weaves a sound methodological network, drawing on reader-response criticism; feminist, gender, and queer theory; affect studies; and whiteness studies. This book is an accessible and engaging study for anyone interested in postfeminism and popular culture.

Letters My Grandfather Wrote Me

Values Across Cultures and Times is a collection of sixteen articles examining the concept of values understood in its broadest sense as the need of the modern man to examine, redefine, and reconstruct previous theories, histories, moralities, social relationships, forms of language and language use. In times of great change, preserving traditional values seems to be particularly difficult, and the authors of these essays respond to the challenge, and approach the notion of changing values from the perspectives of literary studies and linguistics. The book opens with an introductory overview, followed by sixteen articles divided into three sections. The book is aimed at a broad academic audience, while the popular style of the articles also makes the volume appealing to a wider audience interested in different aspects of values. The authors of the articles come from Serbia, Macedonia, Bulgaria, Romania, and the United States.

Provides explanations of literary terms and includes information on such

If we have established that our approach to the phenomena that are other to us is always a matter of semiosis, and that even in an attempt to naturalize phenomenology, like the one made by Maurice Merleau-Ponty, who points to the corporeity of consciousness as much as an intentionality of the body, it appears that our most negligible movements present our cultural being or habituality (cf. Iris Young, *Throwing Like a Girl*, 1990, 2005). However, many thinkers have claimed (for example, the novelist D. H. Lawrence or philosopher Luce Irigaray) that we know by touch and intuition. The papers collected in this book examine our approach to these issues in an essentially post-theory world, particularly enquiring if twentieth century theory has left us clear directions of where we are supposed to be looking for new ways of understanding and representing the phenomenological. The way the Other exists in the consciousness that, as Hegel said, always pursues its death, becomes especially interesting in the context of the development of Anglo-American studies in the post-postmodern world which sees the West as a changeable cultural (and geographical) concept that incorporates a multiplicity of others. Yet, at the same time, a number of contemporary Anglo-American writers insists on the prolonged effects of colonialism in the modern world, in which outbursts of violence and hatred aimed at the Other prove that the

Get Free Literary Terms Collins Dictionary Of

modern world still cannot approach the Other without bigotry. This condensed, six-text edition of the DP English Student Workbook presents a range of student centered activities designed to scaffold the process of literary analysis. All activities presented are directly based on the objectives and assessment criteria from the IB Diploma Programme Language A English courses. The DP English Student Workbook: systematically introduces the language of literary analysis focuses on the students role in the building of connections between parts of texts presents a mix of substantive conversation and focused writing introduces a range of extracts for commentary allows original ideas to be generated in a scaffolded framework The DP English Student Workbook is designed to help students collect and organize their ideas about texts for the full two year period of the DP Language A course.
