What is a true friend, and how can we honor that friendship? A true friend is someone you trust with your deepest secrets, someone who will help you celebrate the good times, and offer you comfort and support when life gets tough. They are someone who understands and accepts you; the 'real' you, faults and all. Giving a book of meaningful sentiments is a thoughtful way of celebrating that friendship. In just a few short words, friendship quotes can bring to mind a lifetime of memories and shared experiences. "We'll be Friends Forever, won't we, Pooh?" asked Piglet. "Even longer," Pooh answered. -A.A. Milne

Men, jobs, children, personal crises, irreconcilable social gaps—these are just a few of the strange and confusing reasons which may cause a female friendship to end. No matter the cause, the breakup of a female friendship leaves a woman devastated and asking herself difficult questions. Was someone to blame? Is the friendship worth fighting for? How can I prevent this from ever happening again? Even more upsetting is that women suffering from broken friendships often have no one to confide in; while the loss of a romantic partner garners sympathy among peers, discussing the loss of a platonic friend is often impossible without making other friends jealous or uncomfortable. Written by journalist and psychologist Irene Levine, Ph.D., Best Friends Forever is an uplifting and heroically honest book for abandoned friends seeking solace. Dr. Levine draws from the personal testimonials of thousands of women to provide anecdotes and groundbreaking solutions to these complicated situations. Offering tools for personal assessment, case stories, and actionable advice for saving, ending, or re-evaluating a relationship, Levine shows that breakups are sometimes inevitable. Although the dissolution of female friendships can be difficult, Best Friends Forever teaches women to stop blaming themselves and probing the wounds, and that the sad experience of a broken friendship can make them stronger people, and more able to handle their relationships with wisdom.

The Adventure of Lily's Meeting Her First Best Friend

They're perfect for each other. Too bad they're just friends. Jill: Damien and I; best friends forever. Short of matching bracelets, that's exactly what we are. We share so much-a love for superhero movies, reality TV and even the same sense of humour. In two years we've never once run out of things to talk about. But, as they say: opposites and mystery attract, right? He seems to agree, because when I drunkenly suggest we add certain 'benefits' to our friendship, he reacts with complete shock. Best to stuff those confusing emotions back in the closet where they belong. When I find out he's started dating again, I know for sure that I've missed my chance. Damien: It's nearly two years to the day that I first fell in love with Jill. As interns and now coworkers on the same TV production crew, we've spent many long days and nights in each other's presence. So near and always out of reach. I'm nowhere near her type, so she'd never consider me as anything other than her slightly overweight and nerdy best friend. After a particularly awkward drunken conversation one night, I realize it's time to get past my unrequited obsession and take control of my love life before I ruin all the good stuff we do have. Jill might be the woman of my dreams and my soul mate, but that's just it. A hopeless dream which could never come true. Or can it? Best Friends Forever is a steamy body-positive friends-to-lovers romance featuring a cute, shy teddy bear of a plus-sized hero and an independent heroine who loves him exactly for who he is. They just don't realize it yet...
