"The mystery of the pyramids is solved before our eyes" in this illustrated YA guide to their construction by the Caldecott Medal-winning author (Kirkus). In Pyramid, acclaimed author and illustrator David Macaulay explores the construction of ancient Egyptian pyramids from the initial planning stages to the methods used to lift stones up to the structure's highest level. Through concise text and richly detailed black and white illustrations your readers are introduced not only to ancient Egyptian engineering, tools, and labor practices, but also the philosophy of life, death, and afterlife that made these awe-inspiring monuments necessary as a pharaoh's final resting place. "Macaulay's brilliant Pyramid shows, detail by detail, how the great pharaohs' burial places were conceived and constructed... His draftsmanship is unexcelled, and his book is pharaonic in opulence and design."—Time

*Antonio Machado (1875–1939) is Spain's master poet, the explorer of dream and landscape, and of consciousness below language. Widely regarded as the greatest twentieth century poet who wrote in Spanish, Machado—like his contemporary Rilke—is intensely introspective and meditative. In this collection, the unparalleled translator Willis Barnstone, returns to the poet with whom he first started his distinguished career, offering a new bilingual edition which provides a sweeping assessment of Machado's work. In addition, Border of a Dream includes a reminiscence by Nobel Laureate Juan Ramón Jiménez and a foreword by John Dos Passos. from "Proverbs and Songs" Absolute faith. We neither are nor will be. Our whole life is borrowed We brought nothing. With nothing we leave. * You say nothing is created? Don't worry. With clay of the earth make a cup so your brother can drink. Born near Seville, Spain, Antonio Machado turned to a career in writing and translating in order to help support his family after the death of his father in 1893. His growing reputation as a poet led to teaching posts in various cities in Spain and, eventually, he returned to finish his degree from the University of Madrid in 1918. He remained in Madrid after the outbreak of civil war, committed to the Republican cause, but the violence finally forced him to flee. He died an exile in France. Willis Barnstone is one of America's foremost translator-poets, bringing into English an extraordinary range of work, from Mao Tse-tung to the New Testament.*

Chicken 20 Ways

Balancing the Growth, Equity, and Environmental Imperatives

What is masculinity? Ask ten men and you'll get ten vague, conflicting answers. Unlike any book of its kind, The Way of Men offers a simple, straightforward answer—without getting bogged down in religion, morality, or politics. It's a guide for understanding who men have been and the challenges men face today. The Way of Men captures the silent, stifling rage of men everywhere who find themselves at odds with the over-regulated, over-civilized, politically correct modern world. If you've ever closed your eyes and wished for one day as a lion, this book is for you.

LEGEND The Legend of the Unicorn tells the story of Rhiannon Carter, a pretty English girl, who lived in the days of King Arthur. One day she makes friends with a young unicorn in the forest, but greedy Sir Brangwyn finds out and ... The King of the Wizards is a legend from Scotland that tells about a young man who wants to become a great juggler, but he doesn't know that his teacher is an evil wizard. Bedd Gelert is the touching Welsh legend about Prince Llewellyn's loyal dog who must protect the prince's son while he goes hunting. When he returns after the hunt, it is dark and he makes a terrible mistake. Dossiers:

Haunted Castles in Scotland Man's Best Friend

This collection is packed with 20 easy-to-make recipes that rely on little more than chicken and pantry staples. You'll learn how a few flavor-packed ingredients can transform humble chicken into the star of the dinner table. Take our spice-cabinet chicken recipes, which will simplify your grocery shopping—just raid your spice cabinet for three delicious takes on roast whole chicken. Or how about Southern-Style Stewed Chicken and Rice, a comforting one-pot meal that features rice plumped with flavored stock and tossed with tender pieces of shredded chicken? Chicken Mole Poblano surprisingly depends on pantry essentials such as dried chiles, nuts, a handful of common dried herbs and spices, and a bit of chocolate for its deeply complex flavor.

Traveling by train across Canada, young Tom Austen gets a chance to be a detective involved in a full-scale crime investigation when a fellow passenger is murdered.

ROMAN MYSTERIES: 02 The Secrets of Vesuvius

Lovingly dubbed "Father Oprah," he is renowned for his sensitive, practical advice. Now, Father Albert Cuti? offers guidance on how couples can overcome problems and strengthen their love and commitment. Real Life, Real Love reveals the joy of-and

seven paths to-developing real relationships. For couples seeking to heal their rifts or strengthen their bonds, this insightful guide will point them toward long, meaningful relationships.

The second edition of *19 Urban Questions: Teaching in the City* adds new questions to those in the original volume. Continuing the developing conversation in urban education, the book is provocative in style and rich in detail. Emphasizing the complexity of urban education, Shirley R. Steinberg and the authors ask direct questions about what urban teachers need to know. Their answers are guaranteed to generate both classroom discussion and discourse in the field for years to come. The book not only addresses questions pertaining directly to today's urban schools, but poses new ones for discussion, teacher education, and urban school research. Steinberg has gathered an impressive cadre of teacher/scholars who are engaged in a socially just urban pedagogy.

'There's seven ways to kill a cat. But when it comes down to it, there's only two ways. In a civilised fashion or like a fucking savage'. In Buenos Aires, the economy has collapsed and people are protesting on the streets. But in the barrio, life goes on - the slums of the city are ruled by gangs, drugs and guns. Gringo and Chueco are almost adults, and joining the gang warfare that governs their community seems inevitable. Chueco thinks he can join El Jetita's gang but remain his own man, Gringo knows this can't happen - you obey the leader or else. As the two get drawn ever deeper into the turf war between El Jetita and his rival Charly, Gringo sees an alternative way of life, and love, pass before his eyes. A few days ago he and Chueco were joking about killing cats; now he's fighting to save his skin.

One of the late Carlos Fuentes's final projects, this compendium of his criticism traces the evolution of the Latin American novel from the discovery of America to the present day. Combining historical perspective with personal and often opinionated interpretation, Fuentes gives us a tour from Machado de Assis to Borges and beyond. A landmark analysis, as well as a scintillating and often wry commentary on a great author's peers and influences, this book is as much a contribution to Latin American literature as it is a chronicle of that literature's greatest achievements.

Minimalist Interiors

It's the summer of AD 79 and Flavia Gemina and her friends, Jonathan, Nubia and Lupus, set sail for the Bay of Naples where they are going to stay with Flavia's uncle near Pompeii. Once they arrive, they are soon absorbed in a quest to solve a riddle that may lead to treasure. But then tragedy strikes: Mount Vesuvius erupts and the friends must flee for their lives! Not just a mystery - this is an absolutely thrilling action adventure that brings history to life!

*Antonio Machado, a school teacher and philosopher and one of Spain's foremost poets of the twentieth century, writes of the mountains, the skies, the farms and the sentiments of his homeland clearly and without narcissism: "Just as before, I'm interested/in water held in;/ but now water in the living/rock of my chest." "Machado has vowed not to soar too much; he wants to 'go down to the hells' or stick to the ordinary," Robert Bly writes in his introduction. He brings to the ordinary—to time, to landscape and stony earth, to bean fields and cities, to events and dreams—magical sound that conveys order, penetrating sight and attention. "The poems written while we are awake...are more original and more beautiful, and sometimes more wild than those made from dreams," Machado said. In the newspapers before and during the Spanish Civil War, he wrote of political and moral issues, and, in 1939, fled from Franco's army into the Pyrenees, dying in exile a month later. When in 1966 a bronze bust of Machado was to be unveiled in a town here he had taught school, thousands of people came in pilgrimage only to find the Civil Guard with clubs and submachine guns blocking their way. This selection of Machado's poetry, beautifully translated by Bly, begins with the Spanish master's first book, *Times Alone, Passageways in the House, and Other Poems (1903)*, and follows his work to the poems published after his death: *Poems from the Civil War (written during 1936–1939)*.*

*"...I didn't want to tell you the truth for anything in the world, because it seemed very humiliating to me..." The truth is that Iphigenia is bored and, more than bored, buried alive in her grandmother's house in Caracas, Venezuela. After the excitement of being a beautiful, unchaperoned young woman in Paris, her father's death has sent her back to a forgotten homeland, where rigid decorum governs. Two men—the married man she adores and the wealthy fiancé she abhors—offer her escape from her prison. Which of these impossible suitors will she choose? Iphigenia was first published in 1924 in Venezuela, where it hit patriarchal society like a bomb. Teresa de la Parra was accused of undermining the morals of young women with this tale of a passionate woman who lacks the money to establish herself in the liberated, bohemian society she craves. Yet readers have kept the novel alive for decades, and this first English translation now introduces its heroine to a wider audience. *Bernarda Alba* is a widow, and her five daughters are incarcerated in mourning along with her. One by one they make a bid for freedom, with tragic consequences. Lorca's tale depicts the repression of women within Catholic Spain in the years before the war. *The House of Bernarda Alba* is Lorca's last and possibly finest play, completed shortly before he was murdered by Nationalist sympathisers at the outbreak of the Spanish Civil War. Inspired by real characters and described by the author as 'a true record of village life', it is a tragic tale of frustration and explosive passions in a household of women ruled by a tyrannical mother. Edited with invaluable student notes - a must for students of Spanish drama*

Laura Berk's *Development Through the Lifespan* is relied upon in classrooms worldwide for its clear, engaging writing style, exceptional multicultural and cross-cultural focus, cutting-edge consideration of the interrelationships between heredity and environment, rich examples, and long-standing commitment to presenting the most up-to-date scholarship. This new edition continues to offer students research-based practical applications that they can relate to their personal and professional lives. Laura Berk, renowned professor and researcher, has revised the text with new pedagogy, a heightened emphasis on the interplay between heredity and environment, and an enhanced focus on many social policy issues, while emphasizing the lifespan perspective throughout. The latest theories and findings in the field are made accessible to students in a

manageable and relevant way. Berk's signature storytelling style invites students to actively learn beside the text's "characters." Students are provided with an especially clear and coherent understanding of the sequence and underlying processes of human development, emphasizing the interrelatedness of all domains—physical, cognitive, emotional, social—throughout the text narrative and in special features. Berk also helps students connect their learning to their personal and professional areas of interest. Her voice comes through when speaking directly about issues students will face in their future pursuits as parents, educators, health care providers, social workers, and researchers. As members of a global and diverse human community, students are called to intelligently approach the responsibility of understanding and responding to the needs and concerns of both young and old. While carefully considering the complexities of human development, Berk presents classic and emerging theories in an especially clear, engaging writing style, with a multitude of research-based, real-world, cross-cultural, and multicultural examples. Strengthening the connections among developmental domains and of theory and research with applications, this edition's extensive revision brings forth the most recent scholarship, representing the changing field of human development. Frank, Angela, Ralph and Keith, known together as the Black Hand Gang, prove their skill as detectives during four exciting episodes in which they uncover a forger, capture a burglar and enlist the aid of the local police when things get a bit sticky. Every story has illustrations which provide the clues discovered by the Gang. All the necessary clues are shown so you can be a detective with them. But you have to be sharp to keep up with the Black Hand Gang! As the Gang tracks down the criminals, you can keep a score of clues you get right and add them up at the end of the book.

El análisis del Casino de Madrid nos sirve para estudiar la articulación las bases sociales del poder durante el siglo XIX y principios del XX. Así se demuestra el papel de adaptación que jugaron los casinos elitistas en el tránsito del Antiguo Régimen al Liberalismo. Desempeñaron un papel clave porque, dada su polivalencia, cumplieron diversas funciones. En el terreno político y económico actuaron como trampolín de acceso al poder, los recursos y la influencia; participaron en las diversas formas de creación y desarrollo de la esfera pública. En el terreno social, facilitaron la mezcla real entre una aristocracia y una burguesía que, antiguamente separados por hondas diferencias estamentales, ahora compartían el poder y las relaciones sociales en estos espacios. El encuentro y la reunión en este círculo de sociabilidad propiciaba la creación y desenvolvimiento de un entramado de redes sociales que abarcaba los terrenos económico, político y familiar. El Casino permite estudiar este fenómeno de redes mediante el novedoso análisis de las presentaciones de nuevos socios, que eran muy cerradas por el carácter privado y excluyente del círculo. En sus filas se reunían personajes que poseían una gran capacidad económica, un estatus social elevado y una influyente situación política: los individuos "graves" de la sociedad, nobles, palaciegos, hombres políticos y de negocios. Todo ello tenía su reflejo externo. Los sistemas de representación social marcan y proyectan simbólicamente las fronteras de la nueva elite. Los estudiamos a través de los criados y la organización del servicio de la institución; de los actos benéficos y de asistencia social; de las diferentes sedes donde se fue ubicando el Casino, de los elementos muebles o su decoración, que permitían representar la imagen de su "paz burguesa arsitocratizada"; y de la inserción de los últimos avances técnicos como signo del progreso y los nuevos tiempos.

The Travels of Ibn Battuta

Somebody was in there. Somebody - or some thing...There is no Room 13 in the creepy Crow's Nest Hotel, where Fliss and her friends are staying on a school trip. Or is there? For at the stroke of midnight, something peculiar happens to the door of the linen cupboard next to Room 12. And something is happening to Ellie-May Sunderland, too - something very sinister... A gripping page-turner from the master of spooky suspense, award-winning Robert Swindells.

Notes for Clarinetists: A Guide to the Repertoire offers important historical and analytical information about thirty-five of the best-known pieces written for the instrument. Numerous contextual and theoretical insights make it an essential resource for professional, amateur, and student clarinetists. With engaging prose supported by fact-filled analytical charts, the book offers rich biographical information and informative analyses to help clarinetists gain a more complete understanding of Three Pieces for Clarinet Solo by Igor Stravinsky, Aaron Copland's Concerto for Clarinet, String Orchestra, Harp, and Piano, Robert Schumann's Fantasy Pieces for Clarinet and Piano, Op. 73. and Time Pieces for Clarinet and Piano, Op. 43. by

Robert Muczynski, among many others. With close attention to matters of context, style, and harmonic and formal analysis, Albert Rice explores a significant portion of the repertoire, and offers a faithful and comprehensive guide that includes works by Boulez, Brahms, and Mozart to Hindemith, Poulenc, and Stamitz. Rice includes biographical information on each composer and highlights history's impact on the creation and performance of important works for clarinet. Intended as a starting point for connecting performance studies with scholarship, Rice's analysis will help clarinetists gain a more complete picture of a given work. Its valuable insights make it essential to musicians preparing and presenting programs, and its detailed historical information about the work and composer will encourage readers to explore other works in a similarly analytical way. Covering concertos, chamber pieces, and works for solo clarinet, Rice presents *Notes for Clarinetists* as an indispensable handbook for students and professionals alike.

Includes Internet access card bound inside front matter.

This publication deals with key issues in land tenure, especially as they relate to food insecurity and rural development situations. Land tenure issues are frequently ignored in rural development interventions, with often long-lasting, negative results. This guide is designed to assist technical officers in governments and civil society in understanding why and how land tenure issues should be considered in rural development projects. It analyses important contexts such as environmental degradation, gender discrimination, and conflicts, where land tenure is currently of critical concern.

A retelling of the travels of Moroccan scholar Ibn Battuta in North Africa, the Middle East, and Asia during the fourteenth century, told in simplified language for new readers. Includes activities to enhance reading comprehension skills and improve vocabulary.

The classic Thornton Wilder novel that recreates the dazzling ancient Roman empire of Julius Caesar—now with a new introduction by Jeremy McCarter, author of *Young Radicals* and co-author (with Lin-Manuel Miranda) of the #1 New York Times bestseller *Hamilton: The Revolution*. First published in 1948, *The Ides of March* is a brilliant epistolary novel of the Rome of Julius Caesar. Through imaginary letters and documents, Wilder brings to life a dramatic period of world history and one of its magnetic personalities. In this novel, the Caesar of history becomes Caesar the human being as he appeared to his family, his legions, his Rome, and his empire in the months just before his death. In Wilder's inventive narrative, all Rome comes crowding through his pages: Romans of the slums, of the villas, of the palaces, brawling youths and noble ladies and prostitutes, and the spies and assassins stalking Caesar in his Rome. Vivid, compelling, and engaging, *The Ides of March* showcases Thornton Wilder's unique storytelling genius. This special edition also includes an afterword by Wilder's nephew, Tappan Wilder, with illuminating documentary material about the novelist and story.

***"Chilean Pablo Neruda is Latin America's greatest poet and one of the finest ever to have written in the Spanish language. The Peruvian poet, Cesar Vallejo, part Indian and born in a mining village, ranks not far below Neruda. Robert Bly is one of America's foremost poets, and a translator of uncommon brilliance. The combination makes for a priceless volume."*—Long Beach Press Telegram**

The Ides of March

Ethan is a member of the Named, sworn to fight the Order of Chaos, an evil group determined to permanently change the course of history. But he is also a normal high school student trying desperately to keep up with his homework and fit in. When he is assigned to mentor Isabel, a cute classmate and future member of the Named, the line between his two lives begins to blur. So begins an epic quest as Ethan, Isabel, and others travel through time to battle dark forces and protect the future.

Through flashbacks, recollections, and short narratives, this story powerfully communicates an individual's experience of exile from an emotional and psychological perspective while at the same time linking the individual experience to the collective one."--BOOK JACKET.

ARCHIE 3000 is the complete collection featuring the classic series. This is presented in the new higher-end format of Archie Comics Presents, which offers 200+ pages at a value while taking a design cue from successful all-ages graphic novels. Travel to the 31st Century with Archie and his friends! In the year 3000, Riverdale is home to hoverboards, intergalactic travel, alien life and everyone's favorite space case, Archie! Follow the gang as they encounter detention robots, teleporters, wacky fashion trends and much more. Will the teens of the future get in as much trouble as the ones from our time?

Drawing from cultural developments as diverse as modernist art and Asian philosophy, minimalism in interior design is nothing less than a celebration of the perfect expression of space. *Minimalist Interiors* presents 26 examples of residences from around the world that perfectly balance essential elements of shape, light, and form to create truly unique living spaces. From a glass house to a house without walls, from an extension of a single-family home to apartment renovations, this book presents solutions and ideas for all types

of residences. Interiors for every room in the house are included, in varying sizes, all from well-known architects and designers who specialize in minimalist treatment. Through exquisite photography, technical plans, and innovative design, Minimalist Interiors will inspire home design enthusiasts to achieve the same effects -- creating an intensely personal oasis of tranquility in their own home.

Poetry. Latino/Latina Studies. Art. Hand-sewn and bound in a recycled cardboard cover. Translated from the Spanish by Anthony Seidman. "We hear Cardoza defend poetry not as an activity in service of the revolution, but as the expression of perpetual human subversion. Cardoza was the bridge between the vanguard and the poets of my age. A bridge extending not between two shores, but between two opposing forces."—Octavio Paz "Luis Cardoza y Arag n knows that his own existence and his capacity to interpret exactly the reason for his current location justifies the celebration of this refulgent promenade through the future. He knows that he can bend poetry in his favor. He can be swift and expose the register of his stroll through LUNA PARK, capture the scenes, the snapshots which approximate verbal selfies contrasted against distinct backdrops, from his multiple encounters with Luciferian characters who inhabit the boiling of a world in exquisite gestation."—Alan Mills "That conscience of speaking is a playful conscience, self-ironic, characteristic of a pleasurable and humorous exercise, celebratory and casual, pertaining to the language of the vanguard. It's not an accident that the epigraphs come from Apollinaire and Laforgue and allude to the paradoxical flight of a bird with only one wing and to the infinite as a station for lost trains. The space of travel is—ever since his first chapbook—a metaphor for exile, for the movement that typifies new art."—Julio Ortega "The Guatemalan supports his two initial books, LUNA PARK and Maelstrom, both published in Paris, on that effervescence that aims to establish Modernity by naming it after its most striking edges. It is in the eye of the hurricane, destructive and incarnate with their words of excitement for the new: the feverish rhythm, the kinetic visions, the cult of speed, cosmopolitanism, the touch of humor, the vertigo of big cities, the fraternity between things, carefree bohemia, the pleasure of experimenting and a preeminence for the Ultraist signature."—Jorge Boccanera "Luis Cardoza y Arag n is always a motive for homage."—Augusto Monterroso Translator Bio: Anthony Seidman (Los Angeles, 1973) is a poet-translator who resides in his native city after having spent years living in the northern border region of Mexico, in Ciudad Ju rez. His most recent books are CONFETTI-ASH: SELECTED POEMS OF SALVADOR NOVO (The Bitter Oleander, 2015) and A SLEEPLESS MAN SITS UP IN BED (Eyewear Publishing, 2016). He has published poetry, translations, and articles in the United States, France, England, Mexico, Nicaragua, Argentina, Romania, and Bangladesh, in such journals as Newsweek en espa ol, Nimrod, The Black Herald, Bengal Lights, Poets & Writers, La jornada semanal, Ambit, Huizache, and Cardinal Points, among others.

This book addresses the key challenges of balancing economic growth, poverty alleviation, and environmental protection in the development of major physical infrastructure, ranging from transport to energy.
