21 surgeries by age 13. Years in the hospital. Verbal and physical bullying from schoolmates. Multiple miscarriages as a young wife. The death of a child. A debilitating progressive disease. Riveting pain. Abandonment. Unwanted divorce... Vaneetha begged God for grace that would deliver her. But God offered something better: his sustaining grace.

In this book Deliver Me, Evangelist Sheri Rouse-Mainor discusses the subject of deliverance as inspired by the Holy Spirit. You will be instructed and taught an overview on the subjects of: Being saved, but bound Knowledge of God Yokes & Strongholds Loosing & Binding And, so much more You wont be the same after reading and receiving the message of Deliver Me, and the Body of Christ will be strengthened as walk in total freedom and deliverance and continue to develop in God.

The astonishing, Job-like story of how an existence filled with loss, suffering, questioning, and anger became a life filled with shocking and incomprehensible peace and joy. Vaneetha Risner contracted polio as an infant, was misdiagnosed, and lived with widespread paralysis. She lived in and out of the hospital for ten years and, after each stay, would return to a life filled with bullying. When she became a Christian, though, she thought things would get easier, and they did: carefree college days, a dream job in Boston, and an MBA from Stanford where she met and married a classmate. But life unraveled. Again. She had four miscarriages. Her son died because of a doctor's mistake. And Vaneetha was diagnosed with post-polio syndrome, meaning she would likely become a quadriplegic. And then her husband betrayed her and moved out, leaving her to raise two adolescent daughters alone. This was not the abundant life she thought God had promised her. But, as Vaneetha discovered, everything she experienced was designed to draw her closer to Christ as she discovered "that intimacy with God in suffering can be breathtakingly beautiful."

Lord Deliver Me

A Guide to Speaking Healing Words of Faith

Prayers & meditations for the holy communion [ed.] with a preface by C.J. Ellicott

It was my joy and pleasure to be the editor for Ruthie's book, 'Deliver Me From My Anguish, Lord!' Ruthie delivers such rich insight not only from her own experiences but also from her study of the Word of God. She helps her readers understand the signs of anguish and to identify with great heroes of the Bible who also struggled with anguish. Upon delving deep into the effects of anguish, Ruthie then guides her readers in understanding Biblical principles to overcome their own feelings of emotional distress. Medical treatments aside, there are spiritual weapons that are available to those who struggle with anguish. Ruthie uncovers those and makes these tools readily available to all who struggle.

How many times have we heard the advice of some well-intended people speak ill-advised words to us? Well, if we are honest, we can all raise our hand to that. That advice would come out of nowhere! And the worse part of it all, you never even asked for it. Unfortunately, their words leave you in a tumultuous battle over what was said. For many of us, this has been the story of our lives. Victimized from these damaging conversations, you are left with discouragement, doubt, and uncertainty about what you once knew. You are left contemplating who to believe. And the question is "How to prevent these damaging (unauthorized) words from infiltrating your inner being?" It is really simple: Silence the voices! Be confident in knowing beyond a shadow of a doubt, God's Word is the

final authority. When we believe that and stand on his promises, we immediately are empowered to silence the voices. Don't give up on your dreams and goals. Just believe the unadulterated word of God. Our journey begins with a zealous traveler who is intentional about her future and achieving her lifelong goals. However, her zeal and enthusiasm take a major turn as she encounters a unique set of travelers, whose intentions are to steer her off course. Join us as we take a ride to discovering God's destiny for your life.

From her first breath of fresh air beyond the pit, it has never been enough for Beth Moore to be free. This best-selling author and Bible teacher who has opened the riches of Scripture to millions longs for you to be free as well—to know the Love and Presence that are better than life and the power of God's Word that defies all darkness. Beth's journey out of the pit has been heart-rending. But from this and the poetic expressions of Psalm 40 has come the reward: a new song for her soul, given by her Saviour and offered to you in Get Out of That Pit—friend to friend. This is Beth's most stirring message yet of the sheer hope, utter deliverance, and complete and glorious freedom of God: I waited patiently for the Lord He turned to me and heard my cry He lifted me out of the slimy pit He set my feet on a rock He put a new song in my mouth It is a story, a song—a salvation—that you can know too.

*Want to start a Christian weight loss program at your church? The Take Back Your Temple Member Guide gives your support group the wisdom they need to reach their ideal weight and maintain it for life. Includes Christian health scriptures for motivation, delicious recipes, and a survival plan for handling common weight loss barriers like emotional eating, bottomless food pits, and more. God is doing far more than we can see in our pain. We plead for God's deliverance from our pain and wonder why he keeps letting it go on. We are not alone. A cloud of witnesses surrounds us and they help us understand. In these 35 creative retellings of Bible stories, Jon Bloom explores the hope and joy that Abraham, Moses, Naomi, John the Baptist, and others experienced in the painful process of discovering that God's promises really are more trustworthy than our perceptions.*

*This is the book your pastor does not want you to read. For too long, Church folks have taken the words of their favorite preachers, and blindly followed the beliefs of others, without thoroughly studying the Word for themselves. People have hinged their faith, not upon the Word of God, but upon the words and interpretations of man that have little, if any, backing in Scripture. Entrusting how you live your life, and what you will be held accountable for before God, is not something that should be left to chance based upon another's interpretation. It should be grounded solely on a personal relationship with God and a foundation rooted in Biblical teaching. How you view: tithing, suicide, gay marriage, pornography, political issues, communion, speaking in tongues, smoking, drinking, gambling, and other things, should be guided solely based on the Word of God. In Lord Deliver Me From Church Folks, Brian Ganges boldly challenges you to take a second look at everyday issues from the standpoint of Biblical teaching vs. the teaching of Man. Through thought provoking illustrations, supported by corresponding Scripture, Mr. Ganges is the spiritual conductor along a journey of educating what the Word of the Lord says concerning how to be free from the bondage of the traditions of man.*

How God Delivered Me from the Curse of Debt

Jesus taught us a very simple but powerful prayer that embodies many concerns of life. Simply Pray introduces the reader to a variety of prayers that can be adopted by each reader, inserting their own names and current realities. We are taught to always pray and not faint, and that prayer is not dependent upon our stature in life. In an attempt to meet the needs of a diverse community, Lee solicited prayer requests from social media, friends, and family. Under the heading of Thanksgiving, Petitionary, Intercessory, and Supplication, Lee prays simply. It is with the spirit of the living God and the love of God that these prayers are written.

Brewer, who has preached the gospel for 12 years at womens conferences and revivals, offers her thoughts on how people can walk in total deliverance, free from the bondage of Satan. (Practical Life)

Exceedingly Abundantly was written specifically for Christians who desire to break free from the curse of debt. Having credit is not necessarily a bad thing; credit is often required to operate within this world's financial system. It is the misuse and abuse of credit that creates the bondage of debt in Christians' and non-Christians' lives. Exceedingly Abundantly is a testimony that uses biblical principles and practical examples to help guide Christians to their debt freedom.

Many Christians are saddled with an exorbitant amount of debt-robbing God of the tith and spending their way through situations that only God can fix. After coming to heavily rely on numerous credit cards with high balances, author Jacqueline Mingo was initially ashamed and extremely uncomfortable with her debt. But through her faith, Jacqueline realized that she didn't have to live under such bondage. Through her experience, you too can have the power of freedom from debt and financial independence!

*Many can see the smile on your face; but no one ever sees the scar on your heart. They can see the sincerity in your worship, but no one sees the color of your tears. People see the glory in your life, but no one knows the cost! They see the style of your clothes before they notice the knife in your back! Faithful, dedicated and committed; while wounded, bruised and feel like quitting! What they see as a fairy tale is truly uncovered as a nightmare. This is a gruesome tale of life and ministry at its hardest. Nobody really knows the suffering of a servant until they have an encounter with them at their cross. Can you really imagine the agony, pain, hurt, torture, and persecution of being anointed before being in your mother's womb to carry an Apostolic/ Prophetic anointing to establish order and correction in the Body of Christ? What about the misery, unhappiness and sadness of serving in obedience to God being called a witch, blackballed, rejected, debarred and excluded by leaders that have placed you under character assassination, while with a pure and sincere heart doing what God ordained you to do before the foundation of the world...
