For ten years Capac Raimi has ruled the City. Created by the first Cardinal to continue his legacy, Capac cannot be killed. Then Capac disappears. His trusted lieutenant, Ford Tasso, suspects the mysterious villacs, ancient and powerful Incan priests. To Ford, only one man has the cunning to outwit such adversaries-Al Jeery, who has taken the guise of his father, the terrifying assassin Paucar Wami. Al has no love for Capac and no wish to tangle with the villacs. Until Ford promises him the one thing he truly craves-retribution against the man who killed those he loved most and destroyed his life. Lured into the twisted, nightmarish world of the Incan priests, Al will learn more about the City than he ever imagined, and be offered more power than he ever desired. But in the City, everything comes at a cost...

Darren Shan, New York Times bestselling author of the Cirque du Freak and Demonata series, makes his adult fiction debut with this first book in a dark and twisted new series, The City. PROCESSION OF THE DEAD What had I done before coming to the City? I couldn't remember. It sounded crazy but my past was a blank. I could recall every step since alighting from the train, but not a single one before. Young, quick-witted, and cocksure, Capac Raimi arrives in the City determined to make his mark in a world of sweet, sinister sin. He finds the City is a place of exotic dangers: a legendary assassin with snakes tattoood on his face who moves like smoke, blind Incan priests whom no one seems to see, a kingpin who plays with puppets, and friends who mysteriously disappear as though they never existed. Then Capac crosses paths with The Cardinal, and his life changes forever. The Cardinal is the City, and the City is The Cardinal. They are joined at the soul. Nothing moves on the streets, or below them, without The Cardinal's knowledge. His rule is absolute. When Capac discovers how deeply The Cardinal has influenced his life, he is faced with hard choices that conflict with his soaring ambition. To find his way, Capac must know himself and what he is capable of. But how can you trust yourself when you can't remember your past?
