From the celebrated imagination of Dean Koontz comes a powerful reworking of one of the classic stories of all time! Dynamite Entertainment proudly presents an all-new, in-continuity story set within the universe of Dean Koontz's Frankenstein novel series. While healing from a beating she suffered at the hands of Victor Helios (the madman once known as Dr. Frankenstein and her own maker), Erika Five decides to leave the comfort of her glassed-in porch and bottle of cognac to explore Victor's secret home lab, which she believes is an antechamber to something more sinister. With the help of a decapitated head named Karloff, Erika finds a secret lab and within discovers that Victor's experiments are not limited to his

Thomas is back where it all started . . . because the time has come to finish it. Since he left his simple life in the small town of Pico Mundo, California, his journey has taken him to places strange and wonderful, mysterious and terrifying. Across the land, in the company of mortals and spirits alike, he has known kindness and cruelty, felt love and loss, saved lives and taken them—as he's borne witness to humanity's greatest good

and darkest evil. Again and again, he has gone where he must and done what he had to do—for better or worse—with his courage and devotion sorely tested, and his soul forever changed. Every triumph has been hard won. Each sacrifice has taken its toll.
