"Shaunti Feldhahn, best-selling author of "For Women Only: What You Need to Know about The Inner Lives of Men." "Believe it or not, most men need respect so much that, if they had to, they would give up love to get it." and respect empowers them to be the caring man you most need. One of the most important things you can ever do for your man - and respect for yourself -- is to read this book. From the first page you are an active participant as you go through daily scripture, self-reflection, prayer journaling and lots of 'now I get it!' examples. Think Nike slogan "Just Do It!" each day you find yourself DOING respect - not just thinking, praying, talking or reading about it - but DOING it. You will find your habits seamlessly changing into new ways of relating that will feel as wonderful and life-changing to you as to him." Pastor Mark Gungor, best-selling author of, "Laugh Your Way to a Better Marriage." "Women need to affirm, encourage and respect their husbands with their actions and words-and sometimes it is with the lack of words that is most powerful. If you catch my drift! Respect can be shown both by what you don't say and often times by what you don't say. Many times when I speak of this to women, they launch into 20 questions: What does respect mean? What does it look like? How do I show it? What if he doesn't deserve it? The list goes on and on. While there is no one-size-fits-all answer, or no recipe or steps to follow, understand that the whole concept of respect has more to do with you than it has to do with him. I encourage all women to accept this respect challenge and find out if I'm right. What do you have to lose except a whole lot of selfishness, bitterness and unrealistic expectations? On the other hand, you have a great opportunity to gain greater understanding, self-confidence, joy and a better relationship with God and your husband. Go ahead, I dare you. You won't regret it."

Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. You and Me Against the World

I intend to leave this book my to children and grandchildren. I hope it is received in the same spirit that I give it. I love every one of them with all my heart. They are all precious individuals, and I am very proud of each one. May God bless them. Times have changed. I miss the 1940's when things were simple. Today kids are smarter than we were. They are on strange electronic games that I do not understand. I suspect they are addictive and perhaps even harmful, depending on content. The temptations today are many times more problematic than when I grew up. These young people are high-tech, intelligent, and far ahead of me at their age. They are all very smart and are, or will be, well educated. They show signs of becoming very successful in this world. However, my concerns are related to the spiritual side of life and reality. What about life hereafter? Have I prepared them for the next life? I fear I have failed in that regard and I write in order to leave them something about God's word that may take up the slack in things where I have failed. I want to be sure that my kids and grandkids become believing, studious Christians as adults. If there is an afterlife, and I believe there is, it must be of great importance for all so, gadsy, I believe we will all have an afterlife. We, in America, are fortunate in that we have freedom of religion and there are churches on every corner teaching the basic principles of our Lord and Savior. My Dad raised me on the bible and denominational doctrine because that's what he knew. He gave me a good start but I have discovered that there is much more to learn than denominational tradition. I believe an open mind is absolutely necessary and denominational training is a closed down system loyal to only one view. I want my children to study God's word. Unfortunately, many churches and church people do not study, but accept a particular traditional doctrine that has been handed down to them. I am now in my late seventies. I am not an academic and hold no degrees in theology. One might say I have a degree in hard knocks, experience, big mistakes, and corrections. I hope that my years of study and faith are enough. After years of doubting, study, research, and prayer I have come to believe that the bible is the most valuable word of wisdom on earth. The Most Treasured of All books on the planet. Very intelligent men and women have tried to disprove the bible but the more they attack, the better the old book looks. It is still the word's bestseller. I believe we can base our whole life in this world and the life hereafter on the bible. I intend to convince my children and grandchildren of that, and I pray they read what I have left them.

Love Gives Life: A Study of 1 Corinthians 13 We are to pursue love as we seek spiritual gifts because love gives life to gifts and love outlives gifts. That's Paul's main idea in 1 Corinthians 13, and this study will help you not only to see it in the text but to seek it in your life. The thirteenth chapter of First Corinthians is about having a love strategy. Paul relativizes what we tend to value most (usually our personal distinctives and niches), places love in central view, and summons us to use every power and resource we have for the good of those whom God has placed in our lives. This is the excellent way of love, and it is worthy of our pursuit. Here's what others are saying about this work: If you're like me, you have either heard or taught love from 1 Corinthians 13. You may even think that you have heard most, if not all of the insights of 1 Corinthians 13. I did. That is, until I read Evan May's take on the text. Evan brings us into Paul's thoughts in a clear and engaging way, which is somewhat hard to do. Not only that, he brings clarity to the definition of love which has been hijacked and is now defined as "undogmatic" and "untheological." However, love is very dogmatic and very theological. In a world where social media has made us, "fall for the delusion that what makes us significant is mainly what works for us to stand out from everyone else, rather than what helps us to serve everyone else," what we all need now is a little bit of love, properly understood that is. Read this book! Curtis Allen Rap artist Voice, author of Education or Imitation: Bible Interpretation for Dummies Like You and Me Evan May's Love Gives Life: A Study of 1 Corinthians 13 is a good example of what Paul says in 1 Cor. 14:26. "Let all things be done for building up." It is brief, unpretentious, but says what must be said to bring the message of the "love chapter" to the heart of the reader. May has been personally moved by Paul's words, and he wants to convey to us the same blessing he has found. He has a wonderful gift for simple, conversational writing, with the most natural and appropriate illustrations. He never assaults the reader, but nurtures him gently, so that we find ourselves growing in grace, almost by surprise. No academic trappings here, but May's understanding of the passage is substantial. I hope that many take the opportunity to learn from this book. Dr. John Frame Professor of Systematic Theology and Philosophy at Reformed Theological Seminary and author of Theology of Lordship series The apostle Paul told his dear friend Timothy, with regard to Christian discipleship, "The aim of our charge is love that issues from a pure heart and a good conscience and a sincere faith." That is, love is the necessary consequence of the Gospel he preached. Today, that charge is unfortunately blanchied by all manner of social and cultural influences, reduced to the idea that "love" is somehow synonymous with quiet and unconditional acceptance. My dear friend Evan May looks back to Paul as the apostle reminded his students in Corinth about the true meaning of love, and why it actually changes the world. The study notes Evan has produced ought to sting a little as we remember that somehow the love of God is both patient and unrelenting toward wrongdoing, both kind and truthful, both eternal and immediate. I recommend this study without qualification, and hope to see more from Evan in the future. Frank Turk Speaker, writer, and blogger at www.teampro.blogspot.com

The purpose of this book is to help the reader focus on Divine ideas every day. Since what we dwell upon comes upon us, it is important to think positive, healthy, Divine, inspirational, loving thoughts all day, no matter what other people are doing around us or to us. One of the greatest difficulties in transforming oneself to a more Divine attitude and perspective is found in working through the negative emotions and beliefs we have long internalized. These beliefs and emotions become lodged in the subconscious mind, and drive the system automatically until they are changed. This takes considerable effort and persistence, since the deeply embedded negative emotions tend to link to many different thoughts, attitudes and other feelings. A virtual labyrinth of interconnected thoughts, emotions and behaviors have to be transformed. This book was created to help the reader achieve that goal. The intent is for the reader to dwell upon each affirmation of the day with strong feeling, trying to love the very idea being expressed, and projecting it outward to the world. Each affirmation should be repeated many times throughout the day, and memorized for future use. As you practice these, your own affirmations will occur to you. Use them all with devotion, because what you worship, is what you become.

This book for couples, small groups and adult Sunday school classes gives couples practical biblical tools to have conversations that are intimate and satisfying. Key themes: 1: Make a habit of talking every day. The Bible tells us to encourage one another daily, yet few words are spoken in many homes. Readers are invited to examine their excuses for not communicating and make plans to talk daily. 2: Talk about what matters.Couples are encouraged to share their fears and dreams, to talk about what matters. They also are given several techniques to start conversations. 3: Listen to your spouse. Listening is the most important part of communicating. When you deeply understand what your spouse is saying, you build the foundation for an intelligent and meaningful conversation. Readers are given practical tools to sharpen listening skills and learn how to deeply understand their spouse instead of listening superficially. 4: Set the stage for a good discussion. There are times in every marriage when a couple discusses difficult topics. Readers learn how to bring up topics wisely, in a way that makes it easier for the other person to respond well. They also are given guidelines to decide when to bring something up and when to be silent. 5: Discuss tough topics as friends.Readers are given tools for talking in a loving, godly manner, regardless of how their spouse talks. 6: Overcome obstacles to communication.Couples are shown how to overcome defensiveness, dishonesty, anger and other obstacles that sabotage conversations.

Creative Stress reveals with precision how we can and must transmute negative stress so that we can evolve individually and collectively. It offers the reader a steady climb to the higher reaches of human creativity and fulfillment, and is packed with compelling stories from O'Dea's exceptionally rich experience.

The world is infected and humanity is reduced to creatures of vicious insanity. Doctor Thorne's rescue by a group of young survivors is just the beginning of their nightmarish journey to survive. In this apocalyptic landscape, humankind has one final hope that rests on the strength and determination of 10 young men and women.

"Hidden Mountain Secret Garden: a theological contemplation on prayer" helps the reader discover the riches of mental prayer in the Catholic Tradition. In fact, the images of the "Hidden Mountain" and the "Secret Garden" are ancient metaphors for contemplative prayer, a kind of prayer that begins and ends in faith. This book is especially for those whose prayer is a search for the loving eyes of One who has conquered death. This kind of prayer beholds the wonder of Christ's living but hidden presence in one's highest thoughts and most noble aspirations as well as in one's instinctual urges and deepest longings. The ecstasy of this kind of prayer extends beyond even the vast unexplored horizons of the human heart and opens to an immensity of such excessive mercy that all else is forgotten -- and only love remains. The whole world needs this love: it is the secret garden, the hidden mountain, the inexhaustible riches only prayer knows and an excess of grace only prayer can make known. This is why Blessed John Paul II told the Church not to be afraid to open wide the doors of our hearts to Christ and it is why He told the young people of the world to be proud to proclaim the Gospel of the Lord. For those brave souls who have faithfully open their hearts to the Lord through this discipline of this kind of prayer, every Christian owes you a debt of gratitude. For those who want to join them, this work encourages you along the way -- for the journey you endeavor is at once the most perilous, the most heart-rending and the most wonderful adventure this world has ever known." Dr. Anthony Lilles has authored an introduction to prayer that is inspiring and encouraging. For those who desire to pray more simply and attractively, this book bears the mark of a man - husband, father and teacher - who is not only imbued with the wisdom of the Saints, but who has also, through his own prayer, learned how all of us can, through prayer, foster faith in and love for Jesus and his Gospel! *THOMAS G. WEINANDY, O.F.M., CAP, Executive Director for the Secretariat for Doctrine United States Conference of Catholic Bishops This is a wonderful book. I've taught spiritual theology many years and I wish I had had this text use. In fact, I wish I had written this book. It is scriptural, patristic, historical, theological, mystical, experiential and user friendly. Dr. Lilles takes us through the spiritual journey of prayer, citing Fathers and doctors, and even sinners to guide us on our Christian way toward contemplation. Weaving many themes into a harmonious whole, he opens up the life of contemplation for all Christians, our baptismal birthright in a way that is accessible and attractive. This is a book one will read more than once. FR. GILES DIMOCK, O.P., S.T.D University Parish of St. Thomas Aquinas At the University of Virginia In this book we find the real meat of the new evangelization. The church in America will not be renewed by "facts about Jesus" but only through his own choice to let Christ reach the heart and change it from within. It is an ancient message received by only few: Do not be afraid of letting go of what now defines you. Let Christ tell you who you are. Dr. Lilles is one of the ablest guides to lead us through to such a choice. Will I stay with knowledge about Jesus or will I enter the dimock of the prayer and finally come to know Him! Childhood Love. Parents need respect. It is as simple and complex as that! When frustrated with an unresponsive child, a parent doesn't I declare. " You don't I love me." Instead the parent asserts, " You are being disrespectful right now. " A parent needs to feel respected, especially during conflicts. When upset a child does not whine. " You don't I respect me." Instead, a child pouts. " You don't I love me. " A child needs to feel loved, especially during disputes. But here 's the rub: An unloved child (or teen) negatively reacts in a way that feels disrespectful to a parent. A disrespected parent negatively reacts in a way that feels unloving to the child. This dynamic gives birth to the FAMILY CRAZY CYCLE. So how is one to break out of this cycle? Best-selling author Emerson Eggerichs has studied the family dynamic for more than 30 years, having his Ph.D. in Child and Family Ecology. As a senior pastor for nearly two decades, Eggerichs builds on a foundation of strong biblical principles, walking the reader through an entirely new way to approach the family dynamic. For instance, God reveals ways to defuse the craziness with our children from preschool to teen, plus how to motivate them to obey and how to deal with them when they don't . In the Bible, God has spoken specifically to parents on how to parent. This book is about that revelation. We've all been there, what seemed like the perfect man or woman at the time has left our heart in pieces. The weeks following a breakup are usually consumed by unbearable grief, hours in bed and multiple cartons of Ben and Jerry's. Rather than keep up this vicious cycle following the demise of one's relationship, Cardon offers various ways to break the cycle and move on in " Breakups Blow! " In a humorous, honest and heartfelt manner, Cardon uses her personal experiences and heartbreaks to help readers move through their own breakup wounds. The author feels that she has done the legwork on what asses the pain of a broken heart, and she has included it in " Breakups Blow! " to help her fellow woman. After reviewing a journal she had kept over the years, Cardon began to notice a pattern to her relationships. " My patterns were astounding, and with each mind-numbing breakup, I learned through trial and error what works for moving forward and what keeps you stuck. " Cardon says. " I wish I had a book like 'Breakups Blow!' when I was going through my breakups. "

This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you... You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher vibration. This book is to help the reader focus on Divine ideas every day. Since what we dwell upon comes upon us, it is important to think positive, healthy, Divine, inspirational, loving thoughts all day, no matter what other people are doing around us or to us. One of the greatest difficulties in transforming oneself to a more Divine attitude and perspective is found in working through the negative emotions and beliefs we have long internalized. Each affirmation should be repeated many times throughout the day, and memorized for future use. As you practice these, your own affirmations will occur to you. For Wesley Alter, the idea of proposing marriage is simple: buy a ring, bouquet some flowers, say something romantic and sweet and forgettable and blah blah blah before lowering to a knee and reciting six magical words:-Will you marry me, Brittany Rose? However, for Wesley Alter, this simple idea becomes complicated when Brittany says she'll only agree, say yes to an engagement, a wedding, a forever together if his proposal is...perfect. Thus, for Wesley Alter, the idea of proposing marriage becomes an unexpected endeavor, one with high stakes, one with immense pressure, and one contrary to the simple, the black and white, the A-B-C easy act of love he thought proposing marriage was all about. A playful, yet poignant love story, Will You Marry Me, Brittany Rose? is about two people seeking what it means to be someone's sweet, struggling with inhibiting that belief, and learning to love and lose while discovering something within that losto to make life worth living and love worth forever pursuing.

"Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in To Love, Honor, and Vacuum, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

A Revolutionary Solution to the #1 Marriage Problem Why does communication between couples remain the number one marriage issue? "Because," says Dr. Emerson Eggerichs, "most spouses don't know that they speak two different languages. They are sending each other messages in 'code,' but they won't crack that code until they see that she listens to hear the language of love and he listens to hear the language of respect." Dr. Eggerichs' best-selling book, Love & Respect, launched a revolution in how couples relate to each other. In The Language of Love & Respect, he presents a practical, step-by-step approach for how husbands and wives can learn to speak each other's distinctly different language—respect for him, love for her. The result is mutual understanding and a successful, happy marriage. Previously released as Cracking the Communication Code

He snapped at her during breakfast. She brought up a past mistake. He walked out angry. She left without saying good-bye. An ordinary day in an ordinary marriage. But what if things could be different? What if you could transform these ordinary moments of annoyance, conflict, pain, or cold indifference into something new? Winston T. Smith, drawing on his extensive experience as a marriage counselor, offers a simple yet powerful prescription for changing your marriage. He shows how examining the everyday disappointments and irritations in your marriage will help you understand yourself, your spouse, and your need for God's love. Change begins with seeing day-to-day interactions from a different perspective, taking simple steps to love one another more effectively, and then learning how to take those steps over and over again. Interactions that used to devolve into pointless annoyances and fights can become an opportunity for God's activity and love to become increasingly evident and powerful. The principles in this book will take your marriage to extraordinary places and lead you into a deeper relationship with an extraordinary God. Don't settle for an ordinary marriage, learn to live out God's extraordinary love in your most intimate relationship. Using discussion questions, small group exercises, vignettes, Bible study, and relationship-building activities, this interactive ten-week study gives couples the invaluable experience of applying and living the principles from the book Marriage Matters. The leader's notes in the back provide extra content and direction for pastors, counselors, and mentors as they work with couples in small groups and in individual counseling sessions.
