Writer/illustrator John Jugum extends the resources of art to create a highly original artistic atmosphere in which kids can answer basic concepts in numbers and words with his beautiful new picture book Love Life Story. Tactile, with life-affirming illustrations and colours that little kids can instinctively latch on to, Jugum's new volume carefully assimilates complex ideas into a mix of images, words and

colours that are perfect for kids four to seven years old to play with. It is an orientation geared to engage its readers to learn positive affirmations through play. Dedicated to Jugum's daughter, Jade Tereza, Love Life Story is about the author's wish for transference, so that she may feel how his love for her connects to her love for Life and for the whole Earth. The book comes with a complete understanding of the sweet spots in a child's senses. The illustrations distill a universality of positive emotion, radiating good cheer. Children connect to psychic worlds that adults have forgotten. By colouring these worlds

(via sublimation and dream) with bright, beautiful images, Jugum achieves a symmetry that kids love. They learn that Earth, Life and Love are beautiful-with it comes connectivity and therefore openness to the world. In the world of chaos, love is the only medicine and this medicine Jugum configures especially for kids. The illustrations are dream impressions of everyday things-easily identifiable, warm and comforting-surely these are the elements to a well-regulated dream life for kids. When the book ends, the adventure of Love Life Story begins. After three years, Maren Summers is elated to

finally have her dream wedding to her dream man, Kevin Bryant. In her sights is the promotion to weddings she's worked so hard for at the newspaper. Happily ever after is within her grasp... Until Kevin jilts her at the altar, elopes with another woman, and becomes her boss. Devastated by the twisted turn of events Maren moves in with her best friend and notices the not-so-homeless guy on the corner, Zane Whitfield. As his heart-wrenching tale unfolds-his vow to wait a year on the corner for his lost love-Maren sees his compassionate human-interest story as her ticket away from Kevin, weddings, and her

heartache. But as the New Year approaches, is Maren headed for heartache again when Zane's lost love returns or has time changed more than one heart?

What you hold in your hands is not a "Happily Ever After" love story, nor is it a romance novel. But rather it is a real love story. One with ups and downs, twists and turns, good times and bad. This story will remind you to show your appreciation for the ones you love

every day, because tomorrow may be too late. I met the love of my life. My lifelong dream of being a wife and mother seemed to be coming true before my eyes. Then everything changed. I hope this story will serve as a testament to these truths: love God and those around you everyday, forgive the little things and focus on what's important. Life hardly ever travels on the perfect path you lay out, but the one thing that is constant and unbending - is love.

A dying man recounts the story of the most amazing person he has ever met , a brilliant Soviet linguist, whom he knew as Youriko. It

is a tale of love, daring-do, spies and danger set in Japan, Germany, Turkey, the USA, Canada and the UK, but mostly in the Soviet Union of the Seventies. Two girls, born thousands of miles apart in Kazakhstan and Japan just after World War II, meet and are like peas in a pod. They also get on like sisters and keep n touch for the rest of their lives. However, one wants to help her battle-scarred country and the other wants to leave hers for the West. They dream up a daring, dangerous plan to achieve both goals, which Andropov, the chief of the Soviet KGB, is told about. He dubs it Operation Youriko

and it is set in motion, but does it have even the remotest chance of success?

Andropov's Cuckoo is based on a 'true story' related to the author by one of the protagonists.

Imagine having a love that is so deep, addictive, connected, and heavily embedded into your entire being that it haunts your every move. After taking an unexpected downward turn in his empire of the drug business and serving four years in prison, Promise devises a plan to turn his life around for good, but most importantly, pick up where he left off with Hazel and rekindle their old flame all while reclaiming his name in the streets. What happens when arch enemies show their face, ulterior motives surface, secrets and lies are revealed, and loyalty is tested? TIME DREAMS. They are dreams, like any other dream. They are dreams about space and Time. They seem real, but so does life. Dreams are thoughts. You've heard it before, "I think, therefore I am." (Rene' Descartes). But, the fact is - nobody even knows where thoughts come from. Most people believe they have free will. They believe they have a choice. They believe they act of their own volition. But, will is not an action. It is only a thought. You cannot will something to happen. You are only free to choose the thoughts in your head. And, no one knows where they come from. Life is a fantasy. No

one knows what Life is or where it came from. No one knows what Time is. No one knows where Man came from or how long he's been on this planet. No one knows if their actions are truly theirs. No one knows where dreams come from. No one knows what reality is.

Quexistence: The Quest for the Meaning of Existence: TIME DREAMS is a philosophical fantasy of dreams, space, Time, and love. It is the story of one man's search to find the meaning of his existence. But, how can he when nothing in this world is real? Have you ever wondered where Man came from? Did Man evolve from the apes? Was Man created by God? Perhaps Man was genetically created by the "Gods". Perhaps these "Gods" created other creatures in

their attempt to make Man. "TIME DREAMS" is a story that reaches back to the Time of Creation. Man, the most arrogant of species, has no idea what Life is or where it came from. He doesn't even know how he originated or how long he's been on this planet. So, is that important in finding meaning for your existence?Gork thinks it is. In his quest to find clues to the origin of Man, Gork discovers there may be something even more meaningful.Gork tells Angie the story of how he met the girl in his dreams, her grandmother, Amani. His Time Dreams begin as he travels to an archaeological site near the Calico Hills in California. During the drive across the desert, Gork has his first dream, a dream that takes him to

another time, another world. In his dream he sees a girl, the girl of his dreams, Amani. He falls in love. It is True Love. It is Eternal Love. It is a love that has been since the beginning of creation. Gork travels through space and time, compelled to follow his dream. His dreams take him back to a time and place long forgotten. While in reality he discovers an underground cavern that holds the secret to Man's past. A secret buried in Time.
