“[A] collection of gems . . . All There Is made me verkleemt a ridiculous amount of times.” —Boston Globe “Heart-poundingly good . . . There’s just one word for the book: lovely.” —The Huffington Post A celebration of love from StoryCorps In All There Is, StoryCorps founder David Isay shares stories from the revolutionary oral history project, revealing the many remarkable journeys that relationships can take. In these pages we discover that love is found in unexpected places: a New York tollbooth, a military base in Iraq, an airport lounge. We encounter love that survives discrimination, illness, poverty, distance—even death. Carrying us from the excitement and anticipation of courtship to the deep connection of lifelong commitment, All There Is enriches our understanding of love and of the resilience of the human spirit. Dave Isay’s latest book, Callings, published in 2016 from Penguin Press.

Here is an enthralling new book with heart-rending, poignant and engrossing stories of immortal love, unfettered emotions and everlasting appeal that have stood the test of time... This volume comprises a collection of mystical stories from Punjab that forces the now ordinary and practical meaning of love to change into its illogical and irrational self it once used to be. An exposition of Sufi philosophy, each story possesses both the calm and the storm of true love - a love that consumes the body and the heart; a love that goes beyond all common sense; a love better known as junoon (intense passion), that finally culminates in ibaadat (worship) and the love of God. From Sohni-Mahiwal to Heer-Ranjha, Sassi-Punnu to Mirza-Sahiban, Harish Dhillon succinctly encapsulates the rich cultural and literary heritage Punjab is so famously synonymous with. Love Stories from Punjab brings alive the forgotten magic of folklore that will tug at all the right strings of the heart, once again. Drama, romance, tragedy and history are interwoven in the form of an exquisite tapestry.

Life would have been easier had it been possible for us to plan falling in love; more importantly, avoid falling in love . . . ‘Love is not for you,’ she told herself. Inside—just like any girl—she desired to be loved. She had accepted her life the way it was, till one day love showed up unannounced, uninvited! That’s the thing with love. It doesn’t take permission. It’s in its very nature to gatecrash into our lives. Standing face-to-face with love, she finds herself asking, ‘Is this love right?’ The answer is not simple. It never was . . . This intense love story will shake every belief you’ve ever had about love.

When Ravin first said ‘I love you . . .’ he meant it forever. The world has known this through Ravin’s bestselling novel; I Too Had a Love Story. But did Ravin’s story really end on the last page of that book? On Valentine’s Day; a radio station in Chandigarh hosts a very special romantic chat show. Ravin and his three best friends are invited as guests to talk about Ravin’s love story. But surprisingly everyone apart from Ravin turns up. As the show goes live; there is only one question in every listener’s mind: what has happened to Ravin? To answer this question the three friends begin reading from a handwritten copy of Ravin’s incomplete second book—the entire city listens breathlessly; unable to believe the revelations that follow.

"Chef Cynthia Louise talks about food. Plant-based food that makes you Feel GOOD. She won't talk diet. She won't talk macronutrients. She talks about real food. Just like nature intended. And one more thing - if it doesn't have flavor it can F-off.Chef Cynthia comes with a large side of personality. An infectious passion. Not to mention she's also- the bestselling author of 7 recipe books (including 3 books with biochemist Dr Libby Weaver)- the star of 2 cooking shows on Gaia TV and FMTV- the partner of a global chain of restaurants with serial entrepreneur Roger Hamilton- and created her own range of gut-healing food products and online classes.In her early days at a health resort she saw the effects of her cooking on chronically ill patients. Diabetes, stress, chronic fatigue, Crohn's, eczema, cirrhosis, leaky gut, IBS and autoimmune conditions all responded positively - even to the amazement of natural doctors and healers - when she served natural, plant-based meals made from her highest intentions.She followed these same principles while recovering from her second heart surgery. So she knows the power of her method from the inside out.As an adopted child raised in New Guinea, Cynthia spent days down the back of her family's workshop with the wives of the workers. They would harvest coconuts and shred them while roasting sweet potatoes over an open fire. In contrast, her nights at home were spent eating rissoles and mash.She learnt early on how real food tastes and what it does for your body. That's when she realized that cooking is a contract with your body. Our health is on loan. You pay it back by nourishing yourself with positive energy and emotions, then starting the simple act of preparing a meal.It's one of the many simple, yet profound things Chef Cynthia Louise has discovered in her journey. And there's more she wants to share. Cook with real food. Cook with great energy. Cook with Chef Cynthia Louise." -- Last page.

Love—only a four letter word, yet it’s so powerful that it can conquer anything in this world! We’ve all experienced the first flush of love and remember the lingering fragrance of it. For ages Love has remained one of the most cherished experiences that everyone wishes to live through at least once. Humanity, time and again, has coined many definitions to describe this beautiful emotion, but this small word is a feeling that can’t simply be defined. It has to be narrated . . . in the form of stories—love stories. Love Stories That Touched My Heart is a collection of such stories from readers who have a tale to tell, shortlisted from over 2000 entries that were submitted in a competition conducted by Penguin India. Selected and edited by Ravinder Singh, this anthology—made up of the stories that touched Ravin’s heart—will make you believe that someone, somewhere, is made for you.

From the New York Times bestselling author of Archer’s Voice comes an "uplifting story of two broken souls" (Corinne Michaels) in this "exquisite, beautifully written romance" (Samantha Young). A broken woman . . . Crystal learned long ago that love brings only pain. Feeling nothing at all is far better than being hurt again. She guards her wounded heart behind a hard exterior and carries within her a deep mistrust of men, who, in her experience, have only ever used and taken. A man in need of help . . . Then Gabriel Dalton walks into her life. Despite the terrible darkness of his past, there's an undeniable goodness in him. And even though she knows the cost, Crystal finds herself drawn to Gabriel. His quiet strength is wearing down her defenses and his gentle patience is causing her to question everything she thought she knew. Only love can mend a shattered heart . . . Crystal and Gabriel never imagined that the world, which had stolen everything from them, would bring them a deep love like this. Except fate will only take them so far, and now the choice is theirs: Harden their hearts once again or find the courage to shed their painful pasts.
