

Lucifer Vol 1 Devil In The Gateway Mike Carey

Lucifer, the prince of darkness, finds himself directly in the crosshairs of a cosmic hunting party. Lucifer, the prince of darkness, is playing house. The devil arrives in the village of Haybury, West Yorkshire, with designs on building a quaint new life for himself. Unfortunately for Lucifer, the universe has other plans for him, as he finds himself directly in the crosshairs of a cosmic hunting party. Collects Lucifer #14-19. According to the Bible, Eve was the first to heed Satan's advice to eat the forbidden fruit and thus responsible for all of humanity's subsequent miseries. The notion of woman as the Devil's accomplice is prominent throughout Christian history and has been used to legitimize the subordination of wives and daughters. In the nineteenth century, rebellious females performed counter-readings of this misogynist tradition. Lucifer was reconceptualized as a feminist liberator of womankind, and Eve became a heroine. In these reimaginings, Satan is an ally in the struggle against a tyrannical patriarchy supported by God the Father and his male priests. Per Faxneld shows how this Satanic feminism was expressed in a wide variety of nineteenth-century literary texts, autobiographies, pamphlets, newspaper articles, paintings, sculptures, and even artifacts of consumer culture like jewelry. He details how colorful figures like the suffragette Elizabeth Cady Stanton, gender-bending Theosophist H. P. Blavatsky, author Aino Kallias, actress Sarah Bernhardt, anti-clerical witch enthusiast Matilda Joslyn Gage, decadent marchioness Luisa Casati, and the Luciferian lesbian poetess Renée Vivien embraced these reimaginings. By exploring the connections between esotericism, literature, art and the political realm, Satanic Feminism sheds new light on neglected aspects of the intellectual history of feminism, Satanism, and revisionary mythmaking.

The dying owner of a Manhattan convenience store is caught in the crossfire of a robbery. His savior is a beautiful young woman whose hunger for life is matched only by a terrifying need for something only he can give.

Travel back to the early days of Hell itself and witness the first meeting of Odin and Lucifer, a seismic encounter with consequences that will echo through the eons.

Author of The Girl With All the Gifts Mike Carey presents the first book in his hip supernatural thriller series featuring freelance exorcist Felix Castor. Felix Castor is a freelance exorcist, and London is his stomping ground. It may seem like a good ghostbuster can charge what he likes and enjoy a hell of a lifestyle, but there's a risk: sooner or later he's going to take on a spirit that's too strong for him. When Castor accepts a seemingly simple ghost-hunting case at a museum in the shadowy heart of London, what should have been a perfectly straightforward exorcism is rapidly turning into the Who Can Kill Castor First Show, with demons and ghosts all keen to claim the big prize. But that's business as usual: Castor knows how to deal with the dead. It's the living who piss him off.... The Lightbringer has always been the contrary type, and he's not about to change his ways for anyone--nor anything--just because they occupy the Throne of Light. And while the former Lord of Hell now rules only within the boundaries of his nightclub, Ex Lux, he still has powerful allies and devoted enemies--all of whom are ripe for manipulation. Together, this motley militia is poised to take their fight from the heights of the Silver City to the depths of the Inferno.
