benefits and limits of analyses of style in alternative comics. It offers three close readings of works serially published between 1980 and 2018 - Art Spiegelman's *Maus*, Alison Bechdel's *Dykes to Watch Out For*, and Jason Lutes' *Berlin* - and discusses how artistic style may

will later return as their decidedly stupider cousins. Throw in 48 pages of extra material on Morris's experience in the United States, and this is a book you won't want to miss. Vols. for 1898-1968 include a directory of publishers.
