A fugitive woman finds refuge in the arms of a Highland warrior in this historical Scottish romance by the New York Times–bestselling author. Scotland, 1479. When her dagger is found buried in the body of one of the king's men, there is little room for doubt—the perpetrator must pay with her life. But Ilsabeth Murray Armstrong is no killer, and only one person can help clear her name: Sir Simon Innes, a man so steely and cool that no danger can rattle him . . . and no woman in distress can sway his heart. Until now. Simon has spent his life searching for truth in a world fraught with deception. But the hauntingly beautiful fugitive seeking his aid affects him so deeply, he wonders if he can trust the flawless judgment he has always relied on. For all signs point to Ilsabeth's guilt, except one—the unparalleled desire he feels at her slightest touch.

"I'm not a piece of property that you can just claim, Romaric." Having been held hostage for a month by vicious vampires, Sarah is now recovering in the most unlikely of places...the shelter that her sister, Kate and her vampire mate, Devon, opened to help such victims as herself. After months under the watchful eye of her sister, she's finally put a plan into motion to secure her future when a very imposing, very stoic and utterly drop dead gorgeous vampire takes her world by storm and turns it completely upside down. "Ah, but that's where you're wrong, my beauty. You are mine and I've come to do exactly that." Romaric Dietrich, West Regent Vampire Lord is one of the oldest vampires alive. He's cold, calculating and nearly unmatched in power. Vampires recognize their Moiras instantaneously and upon first laying eyes on Sarah Hill, he senses she's his. His Moira. His Destined mate. The one woman meant to be his and his alone. But how is that possible when he'd loved and lost his first? In his quest to uncover the truth, not only does he discover that Sarah is indeed the other half of his soul, but he's put himself, and his mate, in the crosshairs of yet another very powerful enemy. Only bonded together do they have the power to win the battles ahead. With one look into his icy-blues, Sarah knows that Romaric is not the aloof, uncaring enigma he pretends to be. Underneath his cool, rough exterior lays a passionate, romantic and fiercely loving heart of gold. As they fight the battles to come, Sarah holds the key to not only unlocking his centuries hardened soul, but to the one thing that will save them both from this new nemesis. But will she make her decision in time? And will they finally get the happiness they both deserve?

**The six essays of Visual Identities are an important contribution to the growing field of industrial semiotics. Floch's major strength is his analysis of signs in a way which is both industrially relevant and textually precise. Until recently there have been two quite different and distinct ways of understanding commerial signs, such as logos and advertisements. Industry-based work has tended to look at questions of marketing and has often been reduced to the mass psychology of 'appeal' and audience research, whereas the textual analysis of commerial signs has tended to come from limited positions of identity politics and criticism (Marxism, feminism, etc). Floch manages to find a way between (and also outside) these traditions. In doing so he has produced a book which will interest industrial practitioners in advertising, marketing and design as well as students and academics in semiotics.**

**The last thing he wanted was to fall for a witch... Veterinarian Kat Ramsey hasn't a clue that she's a witch. Sure, she can read minds, and there's the whole “dimension-hopping” issue that she can't quite control, but Kat is determined to keep things normal. That is, until she accidentally hops into the Otherworld and runs into Matthew Ryan?the seriously hot one-night stand from years ago who shoved her out of his dorm. Naked. And there's the tiny matter of the curse she gave him. May you never find satisfaction with another woman. Billionaire and former druid Matthew Ryan hasn't forgotten her curse, or the witch who gave it to him. Kat's unexpected return means the curse will finally be broken. Unfortunately, his libido has other ideas?like how to get her back into his bed one last time. But far more worrying is his suspicion that Kat is the seventh Pleiades witch. Because while he's turned his back on his druidic ways, he's still bound to protect the woman who made his life hell. Imagine that you are living in a country that does not recognize you as a citizen in spite of the fact that your people have maintained a continuous existence there for several centuries. If that was not enough of a traumatic experience, consider that because of your racial, ethnic and religious identity other ethnic groups that are fighting the brutal military regime in your country for their self-determination and human rights consider you as "settlers" from a neighboring country. It must be your worst nightmare when you realize that half of your people (almost 2 million) have been forced to take asylum or refuge outside, and you may be the next in line to seek a way out of this living hell of xenophobia, discrimination, intolerance, racism and bigotry.The victims are the Rohingya people of Burma (Myanmar). Because of their religion, race, ethnicity, color and language they are the most discriminated and persecuted people in our planet. Some argue that they are also one of the most forgotten. The Myanmar military regime has denied their citizenship rights, claiming that they are illegal settlers from nearby Bangladesh who have moved into Arakan during the British occupation of Burma in the 19th century. Is there any truth to such allegations? Does the military junta apply the same litmus test against all ethnic and religious groups in matters of citizenship? What is the basis for a nation's claim to self-determination? Must a people wander in the wilderness for two millennia and suffer repeated persecution, humiliation and genocide to qualify? How about the rights of a minority community to survive with their culture and traditions intact? Do they need to be 'children' of a 'higher' God to qualify? What makes the children of a 'lesser' God to be forgotten and denied the same treatment and privilege that was granted hitherto to other nations?For much of its history, Burma has been ruled by military. As has once again been demonstrated recently they are brutal, savage and tyrannical. They have ignored people's verdict in the election and imprisoned leaders and workers of the democracy movement. They cannot be guarantors or protectors of human rights of anyone, let alone religious and ethnic minorities. Do you know that the Rohingyas - face cruel restriction on marriage and those married without government authorization are paraded naked on the streets?- Are restricted from traveling outside their villages?- Have no legal right to own land or property?- Are restricted from getting education, finding work, getting medical and health care? - Are subjected to land confiscation, forced eviction and destruction of homes, offices, schools, mosques, shops, etc., and face religious persecution on a daily basis? - Are victims of staged riots, forced starvation, arbitrary taxation, extortion, arrest, torture and extra-judicial killings?- Are forced to do slave labor for establishment of government infrastructure, new Buddhist settlements, pagodas and monasteries on evicted lands with the government intent of changing the landscape and demography of Arakan?- Are forced to convert to Buddhism &/or worship Buddha? Do you know that when it comes to the Rohingya people, the Burmese government doesn't uphold any of the Articles of the Universal Declaration of Human Rights?Nothing can excuse us from the criminal silence that we practice in not voicing our concern about the plight of the Rohingya people. "The Forgotten Rohingya" makes a strong case for mobilizing concerned citizens of our globe to ease their sufferings. The author analyzes origin of the Rohingya people and offers ideas to solve their problem. The author also discusses problems of xenophobia and racism, which are so rampant in this country of many races, ethnicities and religions. He also analyzes the role of Daw Suu Kyi and failure of Burma's orange revolution.

*Being a highly skilled operative for a company like Jameson Force Security is exhilarating and important work...until it comes time to date. I like to keep my profession under wraps for a number of reasons. Some of what we do is top secret, most of what we do is dangerous, and more than one woman has tried to latch onto me because she was more enamored with what I do than who Cage Murdock really is. And since I'm more of a 'here for the night' than a 'here for forever' kind of guy, what's the harm in a little white lie about my job? My harmless deceit has never failed me. Until now. Because I met the most amazing woman and did the unthinkable. I married her. And now my beautiful, unsuspecting, probably-going-to-leave-my-sorry-behind-when-she-finds-out-the-truth wife doesn't know that I'm not a used car salesman like I told her when we met. As it typically does with lies, the truth is about to come out in a big way when Jaime unwittingly gets herself mixed up with some unsavory characters and I, along with the team at Jameson, have to intervene. Now I need to save my girl and hope I can save my marriage too. Let's just say I have some serious explaining to do. Archie has a dream that a fairy magically transforms him to walk in the shoes of those less fortunate than himself. It is a new Archie that plays with his cousin, Lina, the next day. The twelfth-century French poet Chrétien de Troyes is a major figure in European literature. His courtly romances fathered the Arthurian tradition and influenced countless other poets in England as well as on the continent. Yet because of the difficulty of capturing his swift-moving style in translation, English-speaking audiences are largely unfamiliar with the pleasures of reading his poems. Now, for the first time, an experienced translator of medieval verse who is himself a poet provides a translation of Chrétien's major poem, Yvain, in verse that fully and satisfyingly captures the movement, the sense, and the spirit of the Old French original. Yvain is a courtly romance with a moral tenor; it is ironic and sometimes bawdy; the poetry is crisp and vivid. In addition, the psychological and the socio-historical perceptions of the poem are of profound literary and historical importance, for it evokes the emotions and the values of a flourishing, vibrant medieval past.

At thirty, suddenly becoming the mom of a teenager means big changes, but Pru's ready to do whatever it takes to adopt Ari. Before she settles down, though, she wants one thing for herself. Enter Flynn Bohannon, the sinfully sexy Irish musician in town for her sister's wedding. He's led the kind of free, vagabond life Pru can hardly imagine. Definitely not the kind of guy she should be dating, but he's the perfect guy for a crazy fun fling before her life changes. When Pru proposes a brief, no strings affair, Flynn's not about to say no. But when unexpected complications endanger the adoption, the two find themselves in a phony engagement. Now they have to convince a sharp-eyed, skeptical social worker, a teen who's too smart for her own good, three dubious sisters, and one protective brother-in-law that Flynn's willing to give up the gypsy life and settle down. But in convincing everyone that this relationship is real, will they convince each other as well?*
