

Manual On Intercessory Prayer

THOSE who pray know that prayer gets answered by God. In the ecological culture of prayer and its sublime gestational realm, spiritual phenomena metamorphose into tangible physical realities as a well-sculpted script in its gamut of performance delivery. Divinity rules in the affairs of men on this side of the divide depending on how well-guided prayer pundits are. This book, 'PREVAILING PRAYERS OF INTERCESSION AND SUPPLICATION GUIDES,' sets out to sensitize and equip readers by giving a sense of proper direction through a biblical predisposition to the fact that an unanswered prayer is never God's desire. Prayers channelled through the holy vessels of God are honored by God. Hence, Psalms 66:18 says, “If I regard iniquity in my heart, the Lord will not hear me.” There are several kinds of prayer but a prayer of intercession involves standing in the gap as a bridge for others' welfare to turn things around and sustain positive changes. It redirects the vicissitudes of life and makes living much better for both the prospects or targets of prayer and its subjects who can spare time to be with God without selfishness and bitterness. Intercessory prayer moves mountains, removes barriers, breaks yokes or chains, lifts burdens, rolls away sorrows, gives victory in every battle of life, provides calmness in crisis and eases perplexing situations confronting believers and the world itself in its socio-economic and political landscapes. In the same breath, through prayers of supplication, we receive assurance, protection, authority and dominion. It reveals our dependence on God, takes us to the realm of the supernatural and moves God to act on our behalves. In these last days, believers have to be guided to repair the altar of prayer and get acquainted with God more than ever before according to Job 22:21-30. Many saints of old left us their footprints in the ministry of intercession and supplication among whom are Abraham, Moses, Elijah and a host of others. They were all successful in their time. If only we too would consecrate and commit ourselves to the ministry of intercession and supplication, we will succeed and make enviable marks in our churches, homes, environment and nations. More importantly, we must believe in the power of intercession in order to activate it, operate in it, practice it and seek God on behalf of others. Premised on the foregoing, our prayers must be fervent, effectual and importunate if we would to get things done and have results. We ourselves must be sold-out to Jesus and develop a loving beauty of spirit for other people as we engage in prayer without ceasing. With our spirit given up to God in intercession, there is hope for our Churches, nations and ministries. Ultimately, our rewards shall be great from the Good Lord Who does not owe anyone.

As Christians we have been fighting in a war that we have not trained for and we are not prepared for. It is time for us to train for the battles ahead. This manual is designed to help churches and ministries ramp up their prayer coverage. It applies a military model and the principle of agreement to corporate prayer. The ideas and principles can be applied in any type of group setting.

Praying for others is very important. So this intercessory prayer handbook is a guide on how to improve your intercessory prayer life. It is a easy training guide for churches and ministries as well as individuals. It will be a blessing to you and your family in order to pray effectively for your love ones and friends and even for nations!!

Lord, Teach Us to Pray

Take Words with You

Each time there is a Spiritual progress in our life it is invariably preceded by a dissatisfaction with our current condition. The starting point for each victory is at that moment in which we begin to hate our defeat. Those who wish to be delivered need to be pressed beyond their measure of tolerance, for only such people are open to the deliverance of the Lord. Effective, fervent prayer is mandatory, not an option for the born again child of God. This Intercessory Manual is a compilation of the personal prayers the Holy Spirit gave to me when in my war room (prayer closet) when I was enduring some intensified warfare. And the different teachings and nuggets are from my teachings and study time where I spent valuable quality time with God.

This intercessory manual is an advance prophetic, apostolic tactical prayer manual for the spiritually matured tacticians who have a fervent heart for strategic spiritual warfare and effective intercession for all situations, and diabolical strong holds. This prolific manual is a combinaiton of warfare prayers, decrees, words of wisdom, metaphors, symbols and dimensions plus so much more. Enabling those called and anointed for precise spiritual warfare through intercession to be proficient in their calling. This manual is for the end time gatekeepers who watch, pray, warn, and see. The real battle ground is the mind, for the weapons of our warfare are not carnal but mighty through God to the pulling down of strongholds. Casting down, imaginations, refuting arguments, reasonings, myths and every proud and lofty thing that sets itself up against the knowledge of God; arresting, taking captive, and bringing every thought and purpose into the obedience of Yeshua Messiaigh (Jesus Christ) 2nd Cor. 10:4-6.

Bestselling Author Inspires Prayer for the Impossible Called foundational, revolutionary, illuminating, and motivating, Intercessory Prayer continues to be a classic work after more than 20 years. This rich, biblical teaching is full of fresh insights showing how vital our prayers are and how God has always planned to work in partnership with us through prayer. As Dutch explains the nuts and bolts of prayer with wisdom, gentleness, and humor, readers will find inspiration and courage to pray for the impossible--and the persistence to see prayers to completion. A workbook and 8-session DVD are also available, making this book ideal for small groups, church classes, or individuals who want to go deeper on their own.

The purpose of putting this prayer book together was so that our Congregation, Beit Midrash Tefillah Hallel, would be able to pray in agreement, even when we were not able to be together. We use this book in during our weekly intercessory prayer meetings as well. The prayers are predominately scriptures, because there is nothing more powerful then praying the Word of YHWH. He watches over His word to perform it. It is a collection of prayers that we have used over the years and were written by several different people and have been updated using the name of Yeshua and YHWH and Ruach HaKodesh and other Hebrew terminology where applicable..

The purpose of the training is to impart principles and insight into kingdom strategies for intercession for today. It may serve as a primer for some and a refresher for others. We can no longer pray based on fear, personal desires or the reliance of our own understanding.
