Jacket.

Research into
social
stratification and

Read Online
Manual User Leon
2008

social divisions
has always been
a central
component of
sociological
study. This
volume brings
together a range
of thematically
organised case-
studies
comprising

Read Online
Manual User Leon
2008

empirical and
methodological
analyses
addressing the
challenges of
studying trends
and processes in
social
stratification.
This collection
has four themes.
The first

Read Online
Manual User Leon
2008

concerns the measurement of social stratification, since the problem of relating concepts, measurements and operationalizations continues to cause

Read Online
Manual User Leon
2008

difficulties for
sociological
analysis. This
book clarifies the
appropriate
deployment of
existing
measurement
options, and
presents new
empirical
strategies of

Read Online
Manual User Leon
2008

measurement

and

interpretation.

The conception of the life course and individual social biography is very popular in modern sociology. The second theme of this volume

Read Online
Manual User Leon
2008

exploits the contemporary expansion of micro-level longitudinal data and the analytical approaches available to researchers to exploit such records. It

Read Online
Manual User Leon
2008

comprises
chapters which
exemplify
innovative
empirical
analysis of life-
course
processes in a
longitudinal
context, thus
offering an
advance on

Read Online
Manual User Leon
2008

previous
sociological
accounts
concerned with
longitudinal
trends and
processes. The
third theme of
the book
concerns the
interrelationship
between

Read Online
Manual User Leon
2008

contemporary
demographic,
institutional and
socioeconomic
transformations
and structures of
social inequality.
Although the role
of wider social
changes is rarely
neglected in
sociological

Read Online
Manual User Leon
2008

reviews, such
changes continue
to raise
analytical
challenges for
any assessment
of empirical
differences and
trends. The
fourth theme of
the book
discusses

Read Online
Manual User Leon
2008

selected features
of policy and
political
responses to
social
stratification.

This volume will
be of interest to
students,
academics and
policy experts
working in the
