(Guitar Educational). Standard Tuning Slide Guitar is a compilation of slide guitar techniques accumulated by author and uber-guitarist Greg Koch for over 30 years. With detailed notation and tablature for over 100 playing examples and video demonstrations, Koch demonstrates how to play convincing blues, rock, country, and gospel-tinged slide guitar while in standard tuning by using techniques and approaches that emulate common altered slide tunings, such as open E or open G. Drawing from a well of influences, from Blind Willie Johnson and Elmore James to Duane Allman and Sonny Landreth, Greg will show you how to create these slide guitar sounds in standard tuning while also providing ideas to inspire the development of your own style.
