Have you ever dreamt of becoming an infallible seducer of women? This book tells you everything you need to know, courtesy of the world's only major female PUA (pick-up artist), Kezia Noble! Unknown until a couple of years ago, Kezia was approached by the organisers to attend a PUA class meeting. She gave it to the other attendees straight, not caring if she offended anyone: the men took it on the chin and took her constructive criticisms on board. Within days and weeks they were trying out her suggested techniques and starting to become more successful with women. Kezia returned to the PUA classes and started to make a name for herself. Kezia Noble is the first woman to offer the aspiring pick-up artist advice on how to attract women from a woman's point of view. She now runs many classes and a workshop, and even produces corporate videos on the chemistry of attracting women. Now, in answer to requests from her students, Kezia has written a book on the 15 steps to becoming a master seducer - which will also prove an invaluable aid to men who cannot afford her classes, who work too far away or don't have enough time. The Noble Art of Seducing Women is the first and only sure-fire pick-up guide to be written by a woman. It has the potential to transform a lonely man into someone who need never be single again . . . unless, of course, he wants to be. Kezia Noble works with her students instead of belittling them. As a sensitive and intelligent young woman, she is becoming known as the best PUA in the business...
