

## Mary Kay Summer Open House Ideas

*It's 1970, mere months after the first man walked on the moon. The Vietnam War is raging on, drawing thousands of young American men into compulsory military service. Campus riots become commonplace, while Bridge Over Troubled Water tops the music charts. And millions of families across the nation gather around their television sets on Sunday evenings to watch what is to be the final season of the Ed Sullivan Show. For thirteen-year-old Mary Kay, life changes irrevocably when the last of her brothers and sisters marries and moves away from their Kansas family farm. As the youngest of seven, she has always been surrounded by people and noise and activity. The sudden loneliness hits hard as Mary Kay tries to adapt to her new reality. At home, her dogs Sandy and Sport and her horse Strawberry become her sole companions, as she helps her loving Mama and hard-working Daddy carry on with their never-ending farm chores. At school, Mary Kay graduates from the comforting country grade school where her oldest brother had been her teacher and now faces the challenge of high school in another town with no friends. Inspired by the discovery of an old diary, Another Year on the Family Farm continues the saga of author Mary Kay Schippers' childhood first described in A Year on the Family Farm. Like its predecessor, Another Year on the Family Farm is full of love, life, and laughter. Whether it's hanging on to a runaway horse, seeking refuge from a storm, learning to drive or falling in love, Mary Kay's coming of age stories will carry you off to a world of enjoyment for young and old alike....*

*After being struck by lightning, pediatric psychiatrist Dr. Owen Lerner only wants to barbecue and his patients and family, who rely on him to make sense of their world, must find a way to deal with this life-changing event.*

*Sometimes, when you need a change in your life, the tide just happens to pull you in the right direction... Ellis, Julia, and Dorie. Best friends since Catholic grade school, they now find themselves, in their mid-thirties, at the crossroads of life and love. Ellis, recently fired from a job she gave everything to, is rudderless and now beginning to question the choices she's made over the past decade of her life. Julia--whose caustic wit covers up her wounds--has a man who loves her and is offering her the world, but she can't hide from how deeply insecure she feels about her looks, her brains, her life. And Dorie has just been shockingly betrayed by the man she loved and trusted the most in the world...though this is just the tip of the iceberg of her problems and secrets. A month in North Carolina's Outer Banks is just what they each of them needs. Ty Bazemore is their landlord, though he's hanging on to the rambling old beach house by a thin thread. After an inauspicious first meeting with Ellis, the two find themselves disturbingly attracted to one another, even as Ty is about to lose everything he's ever cared about. Maryn Shackelford is a stranger, and a woman on the run. Maryn needs just a few things in life: no questions, a good hiding place, and a new identity. Ellis, Julia, and Dorie can provide what Maryn wants; can they also provide what she needs? Mary Kay Andrews' novel is the story of five people questioning everything they ever thought they knew about life. Five people on a journey that will uncover their secrets and point them on the path to forgiveness. Five people who each need a sea change, and one month in a summer rental that might just give it to them. Summer Rental is one of Library Journal's Best Women's Fiction Books of 2011*

Can this wedding be saved? Up-and-coming floral designer Cara Kryzik is about to score the wedding of a lifetime—one that will solidify her career as the go-to-girl for Savannah society nuptials. The only problem is, life seems to be conspiring against her. Cara's implacable father, "The Colonel", doesn't believe in Cara's business savvy and is about to call in his twenty-thousand-dollar loan. Then, on the morning that someone steals her dog, Cara's refrigerator goes on the blink, turning twelve thousand dollars' worth of gorgeous blooms into road kill. And if that's not enough, the dog-napper, Jack Finnerty, turns up at her latest wedding and then mysteriously leaves her stranded on the dance floor. All this turmoil will be solved if Cara can pull off the lavish Trappnell-Strayhorn wedding. The payday will solve all her problems—even the looming problem of a celebrated florist named Cullen Keane who is moving into her turf from Charleston. But the wedding is in six weeks, the bride is acting strangely (even for a bride) and the stepmother of the bride is becoming Cara's biggest headache. What Cara needs is to focus, but that's not easy when Jack is turning up at every wedding in Savannah (the man seems to know everybody), with Cara in his sights and seduction on his mind. When Brooke Trappnell spirals into a shocking crisis and the wedding is in jeopardy, Cara must come to the rescue and figure out what she really believes in. Is it love? Is it her own strength? In the end, for everyone, "Save the Date" has more meanings than one. As the magazine of the Texas Exes, The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years. The Alcalde serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for "mayor" or "chief magistrate"; the nickname of the governor who signed UT into existence was "The Old Alcalde."

From the New York Times bestselling author of The Weekenders comes a delightful new novel about new love, old secrets, and the kind of friendship that transcends generations. When ninety-nine-year-old heiress Josephine Bettendorf Warrick summons Brooke Trappnell to Talisa Island, her 20,000 acre remote barrier island home, Brooke is puzzled. Everybody in the South has heard about the eccentric millionaire mistress of Talisa, but Brooke has never met her. Josephine's cryptic note says she wants to discuss an important legal matter with Brooke, who is an attorney, but Brooke knows that Mrs. Warrick has long been a client of a prestigious Atlanta law firm. Over a few meetings, the ailing Josephine spins a tale of old friendships, secrets, betrayal and a long-unsolved murder. She tells Brooke she is hiring her for two reasons: to protect her island and legacy from those who would despoil her land, and secondly, to help her make amends with the heirs of the long dead women who were her closest friends, the girls of The High Tide Club—so named because of their youthful skinny dipping escapades—Millie, Ruth and Varina. When Josephine dies with her secrets intact, Brooke is charged with contacting Josephine's friends' descendants and bringing them together on Talisa for a reunion of women who've actually never met. The High Tide Club is Mary Kay Andrews at her Queen of the Beach Reads best, a compelling and witty tale of romance thwarted, friendships renewed, justice delivered, and true love found.
