

# *Masha*

Passionate, talented, headstrong and ambitious, Masha takes the European film scene by storm, escaping her small provincial town to become the most daring, avant-garde auteur of her generation. Taking inspiration from her personal life as well as the artists and poets she meets on the streets of St Petersburg, Masha courageously puts herself on the line by transforming her own experiences into art. But as painful memories of her childhood start to resurface, she is forced to confront her demons – the betrayals, the cruelties – in this psychologically compelling debut from one of Russia's

Rosinante, Don Quixotes brave but weary steed, trades stories for oats and an occasional beer. Her fables are told to Sally Netzel, who translates roughly from the Horse-Spanish. They range from light humor to serious satire, all told with gusto if far too much alliteration. Illustrations are provided by Liz Netzel, a relative with a compatible sense of the absurd. The familiar tortoise and hare race ends with an ambivalent moral, if any. The other totally unfamiliar tales portray creatures such as vultures dismayed at their reputation, hyenas protective of their volcanic neighborhood, a love-lorn woodpecker who projects loudly-pecked personals, bats who witness a miracle, and a battle-scared badger who delights in

In 1929, the Soviet Union declared the area of Birobidzhan a homeland for Jews. It was championed by a group of intellectuals who envisioned a place of post-oppression Jewish culture, and by the early 1930s, tens of thousands of Jews had moved there from the shtetls. The state-building ended quickly, in the late 1930s, with arrests and purges of the Communist Party and cultural elite.

## Online Library Masha

but after the Second World War, the newly named "Jewish Autonomous Region" received an influx of Jews dispossessed from what had once been the Pale, most of whom had lost family in the Holocaust. In the late 1940s, another wave of arrests swept through Birobidzhan, traumatizing the Jews into silence, and effectively making them invisible. Now Masha Gessen gives us a haunting account of the dream of Birobidzhan-and how it became a nightmare.

moving--evoking a fascinating region on the other side of the world--this suspenseful and haunting story announces the debut of a profoundly gifted writer. One August afternoon, on the shoreline of the Kamchatka peninsula at the northeastern edge of Russia, two girls--sisters, eight and eleven--go missing. In the ensuing weeks, then months, the police investigation turns up nothing. Echoes of the disappearance reverberate across a tightly woven community, with the fear and loss felt most deeply among its women. Taking us through a year in Kamchatka, *Disappearing Earth* enters with astonishing emotional acuity the worlds of a cast of richly drawn characters, all connected by the crime: a witness, a neighbor, a detective, a mother. We are transported to vistas of rugged beauty--densely wooded forests, open expanses of

## Online Library Masha

tundra, soaring volcanoes, and the glassy seas that border Japan and Alaska--and into a region as complex as it is alluring, where social and ethnic tensions have long simmered, and where outsiders are often the first to be accused. In a story as propulsive as it is emotionally engaging, and through a young writer's virtuosic feat of empathy and imagination, this powerful novel brings us to a new understanding of the intricate bonds of family and community, in a Russia unlike any we have seen before.

TIMES BOOK REVIEW, LOS ANGELES TIMES, WASHINGTON POST, BOSTON GLOBE, SEATTLE TIMES, CHRISTIAN SCIENCE MONITOR, NEWSWEEK, PASTE, and POP SUGAR The essential journalist and bestselling biographer of Vladimir Putin reveals how, in the space of a generation, Russia surrendered to a more virulent and invincible new strain of autocracy. Award-winning journalist Masha Gessen's understanding of the events and forces that have wracked Russia in recent times is unparalleled. In *The Future Is History*, Gessen follows the lives of four people born at what promised to be the dawn of democracy. Each of them came of age with unprecedented expectations, some as the children and grandchildren of the very architects of the new Russia, each with newfound aspirations of their own--as

## Online Library Masha

entrepreneurs, activists, thinkers, and writers, sexual and social beings. Gessen charts their paths against the machinations of the regime that would crush them all, and against the war it waged on understanding itself, which ensured the unobstructed reemergence of the old Soviet order in the form of today's terrifying and seemingly unstoppable mafia state. Powerful and urgent, *The Future Is History* is a cautionary tale for our time and for all time. Meet Masha, the curious, energetic little girl who befriends Bear, a retired circus performer. Bear is trying to enjoy a nice, quiet life... but Masha's adventures regularly turn Bear's life upside-down! In *The Jam Day Disaster*, Bear tries to make jam following the recipe, but Masha has a few ideas of her own... whatever will happen to their jam? A warm and

beautiful Princess Anna Volkonskaya, who takes them to her winter palace and mesmerises them with stories of lost diamonds and a tragic past. But as night falls and wolves prowl, Sophie discovers more than dreams in the crumbling palace of secrets ... National Book Award winner Masha Gessen's biography of a ruthless man's ascent to near-absolute power. "In a country where journalists critical of the government have a way of meeting untimely deaths, Gessen has shown remarkable courage in researching and writing this unflinching indictment of the most powerful man in Russia." -The Wall

## Online Library Masha

Street Journal "Thanks to fearless reporting and acute psychological insights, Masha Gessen has done the impossible in writing a highly readable, compelling life of Russia's mysterious president-for-life." -Tina Brown, The Daily Beast

The Man Without a Face is the chilling account of how a low-level, small-minded KGB operative ascended to the Russian presidency and, in an astonishingly short time, destroyed years of progress and made his country once more a threat to his own people and to the world. Handpicked as a successor by the "family" surrounding an ailing and increasingly unpopular Boris

## Online Library Masha

Yeltsin, Vladimir Putin seemed like a perfect choice for the oligarchy to shape according to its own designs. Suddenly the boy who had stood in the shadows, dreaming of ruling the world, was a public figure, and his popularity soared. Russia and an infatuated West were determined to see the progressive leader of their dreams, even as he seized control of media, sent political rivals and critics into exile or to the grave, and smashed the country's fragile electoral system, concentrating power in the hands of his cronies. As a journalist living in Moscow, Masha Gessen experienced this history

## Online Library Masha

firsthand, and for *The Man Without a Face* has drawn on information and sources no other writer has tapped. This account of how a "faceless" man maneuvered his way into absolute—and absolutely corrupt—power is the definitive biography of Vladimir Putin. Gotfryd presents several real-life stories that describe the horrors and extraordinary circumstances of his experiences in WWII Europe. Examples are: young Bernard breaking curfew to find a rare chicken only to see it given to the Christian janitor; the compassion shown toward a German prisoner who is beaten by the Nazis after taunting his
