KS3 Maths Practice Test Papers

Complete coverage of the KS2 Science curriculum is provided in this accessible revision guide. Your child can prepare for in-school assessments and test with confidence. The engaging characters motivate children to test their knowledge and improve their understanding of the topics covered in school. Practice questions and quick tests reinforce learning and highlight areas of weakness to help children improve

The practice paper packs in this series contain 3 sets of papers, each of which emulates the exact format of the SATs exam that your child will sit. Each test contains questions that reflect the latest curriculum changes.

Realistic test papers provide invaluable Maths practice and preparation for KS2 National Tests (SATs). Fully in line with the new National Curriculum, the papers help children in Year 6 to become familiar with the content and style of the tests, so that they can prepare with confidence. * Includes two complete sets of papers * Written for the 2014 national curriculum * Includes answers and mark scheme, and helpful guidance on the tests

Levels 6-8

This official National Tests Pack includes the ACTUAL 2002 National Test papers, their Marking Schemes and an easy-to-use guide to help students revise for the Key Stage 3 Mathematics National Tests at ages 13-14. Inside students will find information about what to expect on the tests, advice on preparing and revising, actual questions and their answers, examples and top tips in the margins on each page. The guide is

written in a straightforward manner and broken up into sections featuring charts, boxed text and diagrams that help make the material absolutely clear. It has an appealing, full colour cover and jolly cartoons liven up the inside text. Delightful, accessible - essential

This book contains 4 exam practice papers and it is aimed at year 7 end of year Mathematics examinations. These papers are written according to the year 7 mathematics syllabus mainly for schools in The United Kingdom. However, they can still be used as practice for other exams for 11 to 12 year old students as well. Each section contains 2 exam papers labelled as paper 1 & paper 2 similar to the actual exam.
