The ultimate service manuals! Bentley manuals are the only comprehensive, single source of service information and specifications available for BMW cars. These manuals provide the highest level of clarity and completeness for all service and repair procedures. Enthusiasts, do-it-yourselfers, and professional technicians will appreciate the quality of photographs and illustrations, theory of operation, and accurate step-by-step instructions. If you are looking for better understanding of your BMW, look no further than Bentley. Even if you do not repair your own vehicle, knowledge of its internal workings will help you when discussing repairs and maintenance with your professional automotive technician. This Bentley Manual is the only comprehensive, single source of service information and specifications available specifically for BMW 5 Series from 1997 to 2002. The aim throughout this manual has been simplicity, clarity and completeness, with practical explanations, step-by-step procedures and accurate specifications. Whether you are a professional or a do-it-yourself BMW owner, this manual will help you understand, care for and repair your E39 5 Series. Though the do-it-yourself BMW owner will find this manual indispensable as a source of detailed maintenance and repair information, the BMW owner who has no intention of working on his or her car will find that reading and owning this manual will make it possible to discuss repairs more intelligently with a professional technician.

Popular Mechanics

6x9 Inch Lined Positive Affirmation Journal/Notebook

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

An award-winning scientist offers his unorthodox approach to childrearing: "Parentology is brilliant, jaw-droppingly funny, and full of wisdom. bound to change your thinking about parenting and its conventions" (Amy Chua, author of Battle Hymn of the Tiger Mother). If you're like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In Parentology, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones.

Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley's sassy kids show him the limits of his profession. Parentology teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You'll be laughing and learning at the same time.

Hatchback, Saloon & Estate, inc. special/limited editions. Also covers major features of Estate to May 1991. Does NOT cover DOHC Turbo 4x4. Petrol: 1.1 litre (1071cc), 1.3 litre (1296 & 1323cc), 1.5 litre. (1490 & 1498cc) & 1.6 litre (1597cc).

Workshop manual.

In addition to comprehensive maintenance and repair on the 1.6 and 1.7 liter engines, there's a wealth of specific information on the bigger GTI 1.8 liter engine (which includes modified fuel injection, a special cylinder head, oversize valves, and much more), the Pickup Truck (which uses a different, leaf spring rear suspension), and the Convertible's top adjustment. Complete tune-up steps and emission control specifications for the fuel-injected and carbureted engines, including the electronic ignition systems found on many models, help ensure that your car will run at peak performance. There is also a comprehensive body repair section, with detailed body dimensions for the sedan, Cabriolet, Scirocco and Pickup. This Volkswagen Rabbit, Scirocco, Jetta service manual covers 1980, 1981, 1982, 1983, and 1984 models with gasoline engines. This manual includes both the American-made Rabbit and VW Pickup Truck, and the German-made Convertible, Jetta and Scirocco models built for sale in the United States and Canada
