'Compelling' The Daily Mail 'So many gripping moments... a real cracker' The Evening Standard The jaw-dropping and inspiring story of accidental queer icon Norman Scott (the hero of TV drama A Very English Scandal) and the part he played in one of the greatest political scandals of the 20th century. In October 1975 an assassin tried to murder Norman Scott on Exmoor but the trigger failed and he only succeeded in shooting Scott's beloved dog, Rinka. Scott subsequently found himself at the centre of a major political scandal and became an unlikely queer icon. But this was never his intention... He was born in 1940 into a poor, dysfunctional and abusive family. Aged sixteen he began an equestrian career, animals having been the one source of comfort in his childhood. By the age of twenty he had run into debts and had suffered a nervous breakdown. In 1960 Scott began a sexual affair with Jeremy Thorpe. By the time of the attempted assassination of Scott, Thorpe was married, leader of the Liberal Party and a figure at the heart of the establishment. He was embarrassed by their former relationship and wanted to cover it

up. But he failed. The assassination attempt culminated in a sensational trial in 1979, where Thorpe was tried for conspiracy to murder. The press labelled Scott a madman and the establishment protected Thorpe, who was acquitted. Only recently has Scott's version of events been vindicated. An Accidental Icon tells a story that is inspiring and jaw droppingly unbelievable: it is the tale of the courage and survival of one man who took on the establishment

SHE CAN'T HAVE A FUTURE UNTIL SHE HAS A PAST. 1944 LEO STERN arrives at the Nazi camp at Borek with his wife Irena and his two daughters. The Sterns are spared from the gas chamber when they witness a murder. But in a place that humanity has deserted, Leo is forced to make unimaginable choices to try to keep his family alive. 1961 For seventeen years, Hanna has been unable to remember her identity and how she was separated from her family at the end of the war, until the discovery of a letter among her late uncle's possessions reveals her real name - HANNA STERN - and leads her to Berlin in search of her lost past. Helped by former lover Peter, Hanna begins to piece together the shocking final days of Borek. But Hanna isn't the only one with an

interest in the camp, and lurking in the shadows is someone who would prefer Hanna's history to remain silent. Based on in-depth research and beautifully written, this a novel of memory and identity, and the long shadow of war.

Book Three in bestselling sensation Nicola May's gorgeous new series - catch up with Book One, WELCOME TO FERRY LANE MARKET, and Book Two, STARRY SKIES IN FERRY LANE MARKET, now! 39-year-old Glanna Pascoe - also known as 'the Rainbow Painter' - runs the Hartmouth Gallery in Ferry Lane Market in Cornwall. She is just getting her head and broken heart around being single, childless, and sober when Cupid flies in, shooting arrows all over the place.

Meeting the mysterious and fascinating Isaac Benson, famous local artist, and recluse, allows Glanna's disillusioned heart and attitude to soften, and she begins to learn more about herself than she ever thought possible. Confused by her growing feelings for Isaac, Glanna throws herself into organising a life-drawing class at her gallery, using both male and female nudes - and setting local tongues wagging. A theft from her gallery and the return of ex-love Oliver Trueman cause Glanna to wonder if a pot of gold will be appearing at the end of her rainbow. And

novelist and national treasure Alan Titchmarsh *** An ordinary life. An extraordinary choice. Adam Gabriel has always been a child of nature. Raised on his parents' remote Yorkshire farm, where life is measured by the rhythms of the flock, the turn of the seasons, and the yearly arrival of an itinerant local monk, he seems destined for a quietly contented life. As Adam grows, Luke and Bethany see flickers of something extraordinary in their son - a healing touch that goes beyond his love for the land. But Adam's gentleness has always made him an outsider, and a powerful gift can also be a heavy burden... When tragedy turns the Gabriels' life upside down, Adam faces a stark choice. Can he keep faith in his talents, even if it means risking the suspicion of others? Should he listen to the lure of new horizons, or does happiness lie closer to home? And when he needs it most, can he find the strength to save the people he loves? *** There's an Alan Titchmarsh novel for every mood! If you're looking for . . . Auffenberg's monumental *The Behavioral Ecology of the Komodo Monitor*. In the intervening years the populations of Komodo dragons—native only to a handful of islands in southeast Indonesia—have dwindled, sparking intensive conservation efforts. During the last two decades new information about these formidable predators has emerged, and the most important findings are clearly presented here. A memoir from Walter Auffenberg and his son Kurt is followed by the latest information on Komodo dragon biology, ecology, population distribution, and behavior. The second part of the book is dedicated to step-by-step management and conservation techniques, both for wild and captive dragons. This successful model is a useful template for the conservation of other endangered species as well, for, as Kurt and Walter Auffenberg note, “The species may well indeed survive in the wild for generations to come while countless other organisms are lost.”

In *Mordin On Time*, Nick Mordin sets out his method for answering the most fundamental question facing punters in any race, namely: which is the fastest horse? He was timing the sections of races with a stop watch, estimating wind strength and direction, adjusting for movements of running rails, using projected times and calculating average times years before the best-selling American books on speed rating were published. This new edition incorporates much new material, including standard times for all Irish racecourses (plus the major French ones). *Mordin On Time* enables the reader to construct their own speed ratings wherever they live.

'Absorbing and clever, I fell in love with Mathilda' Cathy Rentzenbrink The idea of a curse was divisive, but the assertion that I had, for some time now, been 'laden with something dark' was disconcertingly unanimous. I wondered if this was something you also saw in me, if that was why you left. There is something wrong with Mathilda. She's still reeling from the blow of a gut-punch break up and grieving the death of a loved one. But that's not it. She's cried all her tears, mastered her crow pose and thrown out every last reminder of him. But that's not helping. Concerned that she isn't moving on, Mathilda's friends push her towards a series of increasingly unorthodox remedies. Until the seams of herself begin to come undone. Tender, unflinching and blisteringly funny, What a Shame glitters with rage and heartbreak, an offers up the joy of self-acceptance through an extraordinary rite of passage to overcome the prickly heat of

She's All That goes desi in this hilarious, affecting, and sweetly romantic comedy by the author of More Than Just a Pretty Face. Arsalan has learned everything he knows from Nana, his 100-year-old great-grandfather. This includes the fact that when Nana dies, Arsalan will be completely alone in the world, except for his estranged and abusive father. So he turns to Beenish, the step-daughter of a prominent matchmaker, to find him a future life partner. Beenish's request in return? That Arsalan help her ruin her older sister's wedding with a spectacular dance she's been forbidden to perform. Despite knowing as little about dancing as he does about girls, Arsalan wades into Beenish's chaotic world to discover friends and family he never expected. And though Arsalan's old-school manners and Beenish's take-no-prisoners attitude clash every minute, they find themselves getting closer and closer—literally. All that's left to realize is that the thing they both really want is each other, if only they can get in step. At turns laugh-out-loud funny, poignant, and sincerely heartfelt, Sway With Me is a coming-of-age story for anyone trying to find their place in the world.

Naomi is the biggest pop star on the planet and should be on top of the world... but she's tired of constant touring and missing her school friends and mum. Ruby is Naomi's biggest fan. She knows the words to every song and dreams of being Naomi's BFF. When the girls have an unexpected encounter and swap bodies, Ruby is thrust into the limelight.

"That nickname . . ." "Little bird." It wasn't mine. I found out later he gave it to every little girl that came in to be injected. "Little Bird" didn't mean anything. It was a trick. There were thousands of "little

birds", just like me, all thinking they were the only one.' As a reporter, Jacques Peretti has spent his life investigating important stories. But there was one story, heard in scattered fragments throughout his childhood, that he never thought to investigate. The story of how his mother survived Auschwitz. In the few last months of the Second World War, thirteen-year-old Alina Peretti, along with her mother and sister, was one of thirteen thousand non-Jewish Poles sent to Auschwitz. Her experiences there cast a shadow over the rest of her life. Now ninety, Alina has been diagnosed with dementia. Together, mother and son begin a race against time to record her memories and preserve her family's story. Along the way, Jacques learns long-hidden secrets about his mother's family. He gains an understanding of his mother through retracing her past, learning more about the woman who would never let him call her 'Mum'.

vicarage, however, she fears that she is also losing her mind, as strange dreams take her into the life of Ifwyn, a woman from a distant past whose fate is overshadowed by menace and betrayal. In the grip of these afflictions, Olwen finds sympathy with the local doctor, John Osbourne, who is intrigued by her case. Suspecting darker undercurrents are at work, John comes into conflict with Olwen's family, who dismiss her as a hysteric and, when he seeks to protect her, with the law. As the dreams intensify, danger awaits them both. But when they begin to mirror reality, she and John start to suspect that it is these visions of the past which hold the answers . . .

A beautifully told and intriguing mystery about two generations of Scottish women united by blood, an obsession with the past, and a long-hidden body, from the author of *The House Between Tides*. Libby Snow has always felt the pull of Ullaness, a headland on Scotland's sea-lashed western coast where a legend has taken root. At its center is Ulla, an eighth-century Norsewoman whose uncertain fate

was entangled with two warring brothers and a man who sought to save her. Libby first heard the stories from her grandmother, who had learned it from her own forebear, Ellen, a maid at Sturrock House. The Sturrocks have owned the land where Ulla dwelled for generations, and now Libby, an archaeologist, has their permission to excavate a mysterious mound, which she hopes will cast light on the legend's truth. But before she can begin, storms reveal the unexpected: the century-old bones of an unidentified man. The discovery triggers Libby's memories of family stories about Ellen, of her strange obsession with Ulla, and of her violent past at Sturrock House. As Libby digs deeper, she unravels a recurring story of love, tragedy, and threads that bind the past to the present. And as she learns more of Rodri Sturrock, the landowner's brother, she realizes these forces are still at work, and that she has her own role to play in Ulla's dark legend.

hearing in a tragic accident, he also loses Isabelle, the woman he loves. Thirty years later, Émile and Isabelle, unhappily married to other people, are reunited in the wake of the Nazi invasion of Guernsey. With the occupation come dangerous and difficult choices that endanger them, their families and the fragile, rekindled love that has grown between them. Taking place in the shadow of Victor Hugo's former residence on the island, Hauteville House, this moving, lyrical novel features a protagonist with profound hearing loss who embodies one of the principal themes of the book: wanting to hear and learning to listen, both to one's own heart, and to those of others. Perfect for lovers of The Guernsey Literary and Potato Peel Pie Society, All the Light We Cannot See and Dear Mrs Bird.
