In Restoring Mentalizing in Attachment Relationships: Treating Trauma With Plain Old Therapy, Jon G. Allen, Ph.D., argues that the incorporation of mentalizing into attachment theory and research provides a solid foundation for trauma treatment, and offers therapists and patients a pathway to recovery. In plain language accessible to clinicians and laypeople alike, Allen describes trauma in attachment relationships, reviews the literature, and makes a compelling, evidence-based argument for the efficacy of psychotherapy. Specifically, the book: Presents a comprehensive view of attachment trauma across diverse diagnostic conditions, directly linking these to the psychotherapeutic interventions that work best. Allows therapists from different theoretical frameworks, by using these best practices, to treat patients with a wide range of problems and disorders. Situates mindfulness and mentalizing as central to secure attachment, focusing clinicians' attention on these most critical dimensions of healing relationships. Provides a thorough review of the research on attachment, mindfulness, and mentalizing, and evaluates the effectiveness of the most popular trauma treatments, thereby equipping clinicians to treat patients across the spectrum of trauma-related psychiatric disorders. Employs a down-to-earth, conversational writing style that makes the book accessible to patients and family members as well as to professionals. Trauma can be the result of blatant events, such as violence, abuse, and neglect, or the subtle yet pervasive failure to connect. Both contribute to developmental psychopathology and cause lasting emotional pain. "Plain old therapy," according to Allen, is a valuable and proven resource for addressing trauma and treating patients with complex psychiatric disorders. This fascinating and eminently useful book should help to restore psychotherapy to its well-deserved stature.

"Congratulations on the purchase of this exclusive product, tailor-made just for you. It will provide you with years of continuous service." The brain is one of nature's most miraculous but misunderstood creations. In this fascinating user-friendly guide, you will discover all you need to know about what is ceaselessly happening inside your head - from the 38 million billion calculations the brain makes per second, to the complex distribution of memory (there is no central storeroom for information) and why love is an entirely neuronal experience. With wit and style, Marco Magrini cuts through the noise of cerebral misinformation to tell the real story of who you are and, crucially, what you are capable of achieving. N.B. Product comes with a 10-year warranty. T&Cs apply "A fantastically original and clever way to popularise neuroscience." - Professor Gilberto Corbellini, Philosophy of Science, La Sapienza University, Rome "In these pages, Magrini describes beautifully, and often very humorously, the extraordinary harvest of new neuroscientific discoveries shedding light on the most complex and astonishing thing in the universe itself." - Tomaso Poggio, MIT McGovern Institute

"Fine stuff...[The Letter of Marque] leaves the devotee of naval fiction eager for sequels." □Jonathan Yardley, Washington Post Book World Captain Jack Aubrey, a brilliant and experienced officer, has been struck off the list of post-captains for a crime he did not commit. His old friend Stephen Maturin, usually cast as a ship's surgeon to mask his discreet activities on behalf of British Intelligence, has bought for Aubrey his former ship the Surprise to command as a privateer, more politely termed a letter of marque. Together they sail on a desperate mission against the French, which, if successful, may redeem Aubrey from the private hell of his disgrace. A nighttime battle with an unusual climax, a jewel of great value, and Maturin's fondness for opium make this segment of Patrick O'Brian's masterful series both original and profoundly exciting.

Some people ask God for temporal gifts. In the author's case, he has never asked God for anything. But being a devout Hindu for twenty years was only bringing misery, disease, poverty, hunger, and social ostracization in his life. There had to be a better path for him to follow. In his forties he started to engage with the Light--Christ--that he had done so in his formative years. He just asked for his will to be done in his life. He found more solace and less confusion and more clarity with God. This book relates the author's journey, an ongoing one, towards Jesus Christ, his One and Only LORD and Savior now.

"Logos 7, Vol. 1 is the eighth of my ten-volume, Logos 1-7 work, each volume of which is able to stand alone as God ' s Book of Life. It took me over 3,000 pages in ten volumes to say How and What is Important to Believe. It seeks to explain by experience who Jesus is, who God is, who the Holy Spirit is, what the Bible is, why it is crucial to life that we believe in them, what " belief " is, what " to be saved " is, just how Salvation is effected, what the " take-away " benefits are, and how to find meaning and purpose in life. This volume focuses on what exactly is the Will of God for each individual and well as corporately for Humankind. It holds God's Warning Messageto the World addressed to every level of society from highest to lowest: world, nation, state, community, family, and individual – that the state of humankind is deplorable to God, and offers the Call of God to believe in Jesus as the Christ Savior and accept his Holy Spirit for Life with Him. He assays it through his Eyes of Christ, warns of coming retribution, and presents the Christ Spirit as the only solution to restore humankind to a godly image. " Each of these ten volumes is able to stand alone as God ' s Book of Life, portraying Life with the Holy Spirit by belief in the Christ of Jesus as Savior to eternal life with God. The ten volumes relate my Story of Writing God's Book of Life, using nonfiction essays and poetry with daily help of divine intervention in producing the seven-Logos Work of ten volumes, and the four supporting volumes, all seek to fully understand and explain this work inspired by the Holy Spirit, the Christ of Jesus. " The action of God fulfilled for him in seven years all of Rodger Crafton's dreams of becoming a writer of poetry and prose, an armchair philosopher, and an artist working in his new, upstairs garage atelier. Neoslavery, Injustice, Genocide, Racism, and Hate live in the bosom chest of the people behind the prison industry complex here in antediluvian times. Wrong turn, Georgia! Particularly the police, legislators, judges, district attorneys, prosecutors, prison officials, pardon and paroles board officials, the Governor, and most so-called defense attorneys, just to name a few! And the people that they are endeavoring to extirpate and remove from the planet altogether is the BLACK MAN! I am apperception that to some the aforementioned may sound bizarre and unconventional. But it's the unadulterated truth. We must remember that Georgia assiduously fought to maintain CHATTEL-SLAVERY! And they were the last to enter into the UNION! And they boldly stressed that the South will rise again. And it has. I maintain that the Federal Government has entered into a Klandestine-Konspiracy with Georgia's pernicious and flagitious officials, which is to allow the officials to execute their Neoslavery via their prison industry complex. I submit to you that you will visit in this book in Technicolor vivid accounts of Assault, Murder, Cover-Ups, Sex Scandals, Racketeering, Discrimination, and other egregious injustices by the aforementioned officials! Which is carried out against convicts and inmates. And you can believe the beforehand or not, but the pardons and paroles board officials operate with impunity and diplomatic immunity! And they have more POWER than the President of the United States! The BLACK MAN is the majority in any prison or jail in the United States. And that's both federal and state. Moreover, the aforementioned is not an accident! It is the wholly quintessence of a proficient Klandestine Konspiracy to eradicate the BLACK MAN! It is also called a Sophisticated-Genocide-Plan! And let it be overstood that to destroy the Black Man is also the demise of the BLACK WOMAN! Because the Black Woman cannot exist without the Black Man! Paul J. Austin

Rural Rides is the book for which the English journalist, agriculturist and political reformer William

Cobbett is best known. At the time of writing *Rural Rides*, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions
