The General Aptitude and Abilities Series provides functional, intensive test practice and drill in the basic skills and areas common to many civil service, general aptitude or achievement examinations necessary for entrance into schools or occupations. The Mechanical Aptitude Passbook(R) prepares you by sharpening the skills and abilities necessary to succeed in a wide range of mechanical-related occupations. It includes supplementary text on machines and provides hundreds of multiple-choice questions that include, but are not limited to: use and knowledge of tools and machinery; basic geometry and mathematics; mechanical comprehension; and more. GATE Mechanical Engineering is designed for candidates preparing for the Graduate Aptitude Test in Engineering (GATE). This examination is conducted across the country by the IITs and IISc and it focuses on engineering and science subjects. On the basis of the GATE Score, the higher educational institutes offer admission for M.Tech and Ph.D. programs. The GATE Score is also used by Public Sector units like ONGC, NTPC, ISRO, BHEL, DRDO, IOCL, NHPC and others to recruit entry-level engineers. The book is a valuable resource for the students who wish to achieve success in the GATE, and want to succeed in academic and employment pursuits. This book is based on the latest syllabus of GATE. It is divided into 17 chapters and each chapter contains key concepts and formulas, solved examples, previous years' GATE questions, and practice paper with solutions. KEY FEATURES • Key concepts and formulas to facilitate quick revision of the important points in each chapter. • Practice papers to self-assess are

This is a true-life inspirational story of the author spread over five decades until the present. In this deeply moving memoir, Sandeep Khera takes readers through the unusual events that are largely knitted and shaped by the intriguing and captivating interplay of fate and the certain quirkiness of his personality. He candidly recounts his childhood, filled with challenges as one of the most mischievous, insecure and stubborn kids in the school. His restless soul seeks fulfilment in moving away from what others call normal. The quest to explore the unknown takes him to the wild Savannahs of Africa and the frigid deserts of Mongolia. The unusual life events and unconventional choices help him discover deep spiritual insights in temples near the banks of sacred Ganges in the foothills of Himalayas. Sandeep has merged the
