*The unfathomable rate of Black males in education should result in a national call to action. Across the country Black males represent only 2% of the teaching workforce. By the year 2024, minority students will be the majority, yet our current education workforce does not reflect this growing trend in what has been called "The Browning of America." Why is it acceptable that a student can matriculate from Kindergarten through twelfth grade and not have one Black male as his or her teacher? Why has it been a challenge to recruit and in many instances retain Black males in the classroom? Unopened Books explains what is referenced in the book as the Five Black Male Deterrents in Education. Through the personal narrative of Jermaine D. Gassaway, a native Washingtonian, educator, and school leader; coupled with practical solutions, Unopened Books provides insight to multiply the 2%. It is intended to not only be a provocative conversation starter but an actionable approach to increase the number of Black men in the classroom.*

*One week is all we were supposed to share. One week as strangers. All the things you did differently irked me. I thought it meant we couldn't get along, that there was no chance we'd work out. But when it came time for me to leave, you know what I figured out? You were my echo. My call back. And damn it if I didn't find home in the end.*

Echoes in the Storm

The story of "The Ancient" continues... Joseph Miller and Mike Samson are closing in on one of the Fallen on the busy streets of New York City, with the help of a young woman who just happens to grow fur and fangs. Little do they know someone from Miller's past is hunting them to settle a grudge over a thousand years old. Meanwhile, Lizzie Namgung is desperately searching for her missing friend Ann. Much to her surprise, so is the FBI. As a new evil spreads across the city of Newark, Lizzie finds herself caught in a web of murder, mayhem, and monsters. Ancient Awakening is a Horror/Action novel with just the right touch of comedy. Ancient Enemies is the second book in the series that follows the adventures of eccentric demon hunter Joseph Miller. His job is to defend the human race against seven mythical demons and their offspring. Unfortunately for us, he has been dead for the last hundred years. The series begins with Ancient Awakening, continues here with Ancient Enemies, and is followed by Ancient Revelations. The all-new second edition of Ancient Enemies is professionally edited and 55,700 words.

The Sailing Master-Book Two: The Long Passage Readers will happily yield to the spell cast by Book Two without having to first read Book One! Conflict. Love. Commitment & Betrayal. . . all abound in this intrepid novel of the sea set in the Golden Age of Sail. The looming shadow of the Napoleonic War dims the waning glow of the Enlightenment, yet Owen Harriet's heartfelt narrative provides insight into the human condition.

And an overarching question emerges. . . is this chronicle simply the story of a man, or of an entire age? From the opening broadside at the Battle of the Nile to the ironic conclusion off Ushant, Owen continues to come of age, maintaining a steadfast relationship with his beloved mentor, Ignatius Comet Lau, HMS Eleanor's esteemed Sailing Master. Deep within French Indochina. Lost on the Mekong River. Owen befriends an inscrutable boy monk, only to fall prey to a demonic French privateer. A powerful enigma continues to haunt Owen and he begins to understand. A premonition of unknown origin? An Oracle? Or a remnant calling from his own childhood imagination.

The Gospels and Acts Book 2

The Fix Up

**Not a cloud in the blue Atlanta sky, Jeffrey Ross made his morning visit to the Dunwoody Starbucks, expecting this day to be like any other. It wouldn't. Samarra Russell left her meeting at Emory Medical Center after receiving the strange call and wondered if it had anything to do with her immunology research at CDC. It was a secret, or was supposed to be. Going home as instructed, Samarra opened the box of Valentine candy on the kitchen counter and collapsed. Before losing her balance, Samarra recognized the small finger, severed and still wearing the tiny ring she gave him for his 7th birthday. Her precious son. She opened the note after regaining limited senses and read. If she didn't want to receive young Thomas Russell's head in a box, she would do as instructed. And she did.**

**From New York Times bestseller, Kendall Ryan, comes a sexy new standalone novel. My tempting and very alpha friend Sterling Quinn is someone I consider off-limits. It's not just that we're friends, he's also cocky, confident, and British, which means he's a walking aphrodisiac. But lately he's been giving me the look. You know the one. When he thinks I'm not paying attention, and his gaze lingers for too long. When we start working together, that's when the sexual tension between us gets so thick, I want to hack through it with a machete. I want to make all these deep feelings I've harbored for him disappear, because there's no way this can end well. The lines between business and pleasure become irrevocably blurred, and I'm stuck between a rock and Sterling's very, very hard place. Rather than keep a level head about our growing attraction, Sterling wants to go all in, showing me just how explosive we can be together. But I've been around long enough to know that this British bad boy is more than my heart can handle. I'm not about to be cast aside like yesterday's underwear when he's done having fun. Sterling's never been told no, and he's not about to put his ego aside and play by my rules. But I never thought he'd fight so dirty.**
