Tapping the Wisdom and Power of Our Heart Energy

A fascinating synthesis of ancient wisdom, modern medicine, scientific research, and personal experiences that proves that the human heart, not the brain, holds the secrets that link body, mind, and spirit. You know that the heart loves and feels, but did you remember, communicates with other hearts, helps regulate immunity, and contains stored information that continually pulses through your body? In The Heart's Code, Dr. Paul Pearsall explains the theory and science behind energy cardiology, the emerging most significant medical, social, and spiritual discoveries of our time: The heart is more than just a pump: it conducts the cellular symphony that is the very essence of our being. Full of amazing anecdotes and data, The Heart's Code presents the latest research of the heart's energy and explores what these breakthroughs mean about how we should live our lives. By unlocking the heart's code we can discover new ways of understanding human healing and consciousness and create a new model for living that leads to new knowledge.

“Awakening Your Ikigai is really quite a delightful look at sometimes mystifying Japanese traditions.”—The New York Times Book Review
Introducing IKIGAI: find your passions and live with joy Ikigai is a Japanese phenomenon commonly understood as “your reason to get up in the morning.” Ikigai can be small moments: the morning air, a cup of coffee, a compliment. It can also be deep convictions: a fulfilling job, lasting friendships, balanced health. Whether big or small, your ikigai is the path to success and happiness in your own life. Author Ken Mogi introduces five pillars of ikigai to help you make the most of each day and become your most authentic self: 1. starting small → focus on the details 2. releasing yourself → accept who you are 3. harmony and sustainability → rely on others 4. the joy of little things → appreciate sensory pleasure 5. being in the here and now → find your flow. Weaving together insights from Japanese history, philosophy, and modern culture, plus stories from renowned sushi chef Jiro Ono, anime filmmaker Hayao Miyazaki, and others, Mogi skillfully shows the way to awaken your ikigai.
