

Mercy Kill Star Wars Legends X Wing Star Wars X Wing Unnumbered

As Jacen Solo continues his victorious campaign against the Corellian rebels, Han and Leia Solo and Luke and Mara Skywalker begin to suspect that someone has been manipulating the war, and unless the enemy can be stopped, galactic peace will be impossible.

Luke and Ben Skywalker arrive in the mysterious part of space called The Maw in search of more clues as to what caused Jacen Solo's downfall into the dark side. But they are not the only ones exploring The Maw: a Sith Master and her apprentice arrive there, too, having followed the delinquent ancient Sith ship found by Ben in The Legacy of the Force -- and they're thrilled to find Luke there, because they are determined to kill him. But there's another powerful being hiding in The Maw. It's enormously strong, purely evil, and it has its own plans for Luke Skywalker...

THE NEXT CHAPTER IN THE EXTRAORDINARY HISTORY OF THE STAR WARS GALAXY BEGINS HERE. . . . After a violent civil war and the devastation wrought by the now-fallen Darth Caedus, the Galactic Alliance is in crisis--and in need. From all corners, politicians, power brokers, and military leaders converge on Coruscant for a crucial summit to restore order, negotiate differences, and determine the future of their unified worlds. But even more critical, and far more uncertain, is the future of the Jedi. In a shocking move, Chief of State Natasi Daala orders the arrest of Luke Skywalker for failing to prevent Jacen Solo's turn to the dark side and his subsequent reign of terror as a Sith Lord. But it's only the first blow in an anti-Jedi backlash fueled by a hostile government and suspicious public. When Jedi Knight Valin Horn, scion of a politically influential family, suffers a mysterious psychotic break and becomes a dangerous fugitive, the Jedi become the target of a media-driven witch hunt. Facing conviction on the damning charges, Luke must strike a bargain with the calculating Daala: his freedom in exchange for his exile from Coruscant and from the Jedi Order. Though forbidden to intervene in Jedi affairs, Luke is determined to keep history from being repeated. With his son, Ben, at his side, Luke sets out to unravel the shocking truth behind Jacen Solo's corruption and downfall. But the secrets he uncovers among the enigmatic Force mystics of the distant world Dorin may bring his quest--and life as he knows it--to a sudden end. And all the while, another Jedi Knight, consumed by the same madness as Valin Horn, is headed for Coruscant on a fearsome mission that could doom the Jedi Order . . . and devastate the entire galaxy. The Bacta War: Star Wars Legends (X-Wing)

In war, no one is safe. War has come to Thornstone, Tarkin's Point, and Thoriddon, throwing all three nations into chaos. Led by the demon lord Vagborar, the legions of orcs are bent on nothing less than the total annihilation of both human and dwarf. With their demonic allies, they just might succeed. But not without a fight. As Serena tries to find answers and a path to victory, Orin and Brom fight with both sword and spell to turn back the tide of darkness. Beside them are a kingdom of dwarves and a city of humans, but even they may not be enough to beat back such a force. If they hope to survive, they need to come together, but with each nation under siege, uniting as one is easier said than done. When one of them is freed from battle, hope is rekindled, but prejudices rise to the surface, threatening everything. If any of them hope to survive, past actions and old hatreds must be forgotten. Hard decisions and painful sacrifices must be made. And pride and egotism must be set aside for the greater good. If not, a new age of evil will dawn upon the world.

Anyone can escape danger. No one can escape the truth. When a ship full of Sith warriors arrived in Galactic Alliance space, the fight to destroy it accidentally uncovered a hidden menace: a long-hidden group of clones, secretly created as insidious weapons capable of wielding the Force and heedless of the differences between light side and dark side. Now the clones have escaped—and evidence suggests that they are flawed by genetic disease and violent madness. Jedi Knight Jaden Korr pursues the clones, hoping to heal them but prepared to destroy them. What he doesn't know is that Sith agents are hot on his heels, determined not only to recover the clones for their Master but to capture Jaden for their own dark-side purposes. In a life-or-death battle, Jaden will confront a shocking reality that will rock him to his core and bring him face-to-face with the question of what makes a man . . . and a Jedi. The first volume in a new, nine book series launches a huge story arc with heroic roles for the galaxy's most beloved characters as Han Solo, Luke Skywalker, Leia Organa Solo and their surviving children set off on a journey of discovery and hardship, of obstacles and victories, and the aftermath of the civil war that rocked the galaxy.

The first book in the classic vigilante action series from a “writer who spawned a genre” (The New York Times). Overseas, Mack Bolan was dubbed “Sgt. Mercy” for the compassion he showed the innocent. On the home front, they’re calling him the Executioner for what he’s doing to the guilty. In the jungles of Southeast Asia, American sniper Mack Bolan honed his skills. After twelve years, with ninety-five confirmed hits, he returns home to Massachusetts. But it’s not to reunite with his family, it’s to bury them—victims in a mass murder/suicide. Even though Bolan’s own father pulled the trigger, he knows the old man was no killer. He was driven to madness by Mafia thugs who have turned his idyllic hometown into a new kind of war zone. Duty calls . . . Introducing an action hero “who would make Jack Reacher think twice,” this is the first book in the iconic series of vigilante justice that has become a publishing phenomenon (Empireonline.com). With more than two hundred million Executioner books sold since its debut, the series continues to stimulate, Gerry Conway, cocreator of Marvel Comics’ The Punisher, credits the Executioner as “my inspiration . . . that’s what gave me the idea for the lone, slightly psychotic avenger.” The series is also now in development as a major motion picture. War Against the Mafia is the 1st book in the Executioner series, but you may enjoy reading the series in any order.

In this essential Star Wars Legends novel, Mace Windu must journey to his long-forgotten homeworld to confront a terrifying mystery with dire personal consequences. The jungle planet of Haruun Kal, homeworld of the legendary Jedi Master Mace Windu, has become a battleground in the increasing hostilities between the Republic and the renegade Separatist movement. The Jedi Council has sent Depa Billaba—Mace’s former Padawan and fellow Council member—to Haruun Kal to train the local tribesmen as a guerrilla resistance force. But now the Separatists have pulled back, and Depa has not returned. The only clue to her disappearance is a cryptic recording left at the scene of a brutal massacre: a recording that hints of madness and murder, and the darkness in the jungle . . . a recording in Depa’s own voice. Mace Windu trained Depa. Only he can find her. Only he can learn what has changed her. Only he can stop her. He will leave behind the Republic he serves, the civilization he believes in, everything but his passion for peace and his devotion to his former Padawan. And he will learn the terrible price that must be paid when keepers of the peace are forced to make war. . . .

Delegates from both the New Republic and the Empire have been invited to Adumar, and each camp will be given a chance to plead its government’s case. For once they arrive, the X-wing pilots are challenged by Adumar’s fierce warriors and attacked by Imperial assassins bent on eliminating all competition.
