Blood calls to blood; charm calls to charm. It is the way of the world. Come close and tell us your dreams. Sanna is a mermaid -- but she is only half seavish. The night of her birth, a sea-witch cast a spell that made Sanna's people, including her landish mother, forget how and where she was born. Now Sanna is sixteen and an outsider in the seavish matriarchy, and she is determined to find her mother and learn who she is. She apprentices herself to the witch to learn the magic of making and unmaking, and with a new pair of legs and a quest to complete for her teacher, she follows a clue that leads her ashore on the Thirty-Seven Dark Islands. There, as her fellow mermaids wait in the sea, Sanna stumbles into a wall of white roses thirsty for blood, a hardscrabble people hungry for miracles, and a baroness who will do anything to live forever. After being touched by the sun at birth, Princess Arianna has grown up imprisoned between two worlds, neither fully mermaid nor fully human. Her life is one of solitude and dreams. But when she loses her family and her kingdom in a war between man and merfolk, she is forced to flee into the arms of the very people who want nothing to do with her kind. With his people starving and his treasury nearly empty, the familiar girl from the past that falls piteously at his feet cannot be afforded his attention. He has only the resources and time for the barest of good deeds to pay back that which she gave him. But the more Michael begins to hear the girl beneath her silence, the more he realizes she just might be the distraction he cannot survive without. All the while, a darkness is beginning to poison the ocean, and an evil foreseen by neither Arianna nor Michael threatens the very existence of both peoples. If they wish to restore their kingdoms, Arianna and Michael will need to reassess their alliances, their beliefs, and an ancient prophecy that's been all but forgotten. Most importantly, however, they will need to decide whether or not they can move past their personal pain and trust one another. Because if they can't, everything and everyone they love will fall. In 1772, angry Rhode Island colonists set fire to a British ship, sparking the American Revolution. Taxation without representation was a motivator. So was the vengeful, man-eating mermaid who had it out for the commanding officer. That was then. This is now. Mermaids, or merrow, still hunt in Narragansett Bay, but these days they keep a lower profile. At night, centuries-old Nomia seduces smutty frat boys, lures them into icy waters, and feeds them to her voracious kin. By day, she and her half-breed daughter attempt to blend in at the coastal Village Playground. But Nomia slips up. She makes a friend. Then she makes that friend disappear, and someone notices. Thirty-something Evie McFagan just wants to make it through working motherhood. But she's a blistering stew of issues-snarky alcoholic and a friendless funeral director who just witnessed Nomia dismembering a guy at the nearby yacht club. When Evie believes a mermaid stole her baby, who will help? The merrow of Ireland? Or maybe anti-hero Evie will surprise everyone, including herself, and summon the strength to save her own family. Intertwining the stories of two primordial families with the colonial history of Narragansett Bay, Waking the Merrow is a dark historical fantasy.

Once there was a fisherman who lived on a cold and rocky coast and was never able to convince any woman to come away and live in that forbidding place with him. One evening he pulled up his net and found a woman in it. A woman with black hair and eyes as grey as a stormy sea and a gleaming fish's tail instead of legs. The storm in her eyes rolled into his heart. She stopped her thrashing and crashing at his voice, though she did not understand his words. But her eyes had seen inside of him, and his loneliness caught her more surely than the net. So she stayed with him, and loved him, though he grew old, and she did not. Remarks of this strange and unusual woman travelled from village to village and town to town, until they reached the ears of a man whose business was in the selling of the strange and unusual. His name was P.T. Barnum, and he'd been looking for a mermaid.
