

Michael Crichton Timeline Alison Hammond

Wilbur Smith, one of the world's most acclaimed adventure writers, returns to the world of ancient Egypt withWarlock, the stunning sequel to the New York Times bestselling River God. In the wake of a sixty-year war over the reign of the kingdoms of Egypt, two young pharaohs have risen to claim power, but only one can succeed, deciding the fate of his empire forever... The mission of Prince Nefer, rightful heir to the throne, is to rebuild a magnificent kingdom in the stark and tumbled ruins of the embattled city of Gallala. The desire of Lord Naja is to destroy his rival and rule the land with unholy supremacy. But Nefer has on his side the warlock Taita, a matchless ally and legendary priest of notorious powers.... To see their dream come true, Nefer and Taita must stay one step ahead of the depraved assassin, survive the tortuous shadow of her ever-pursuing armies, and outwit the shocking betrayals of its own flesh and blood. As Nefer's courage increases, and as Taita's magic grows more beguiling, so grows stronger the power of their tireless enemies.... Now, with the threat of tyranny and blood thundering closer and closer toward the vulnerable gates of Gallala, the ultimate battle for Egypt will begin...

In 1988, a retired schoolteacher named Pius Fernandes receives an old diary found in the back room of an East African shop. Written in 1913 by a British colonial administrator, the diary captivates Fernandes, who begins to research the coded history he encounters in its terse, laconic entries. What he uncovers is a story of forbidden liaisons and simmering vengeance, family secrets and cultural exiles--a story that leads him on an investigative journey through his own past and Africa's.

A Novel of Ancient Egypt

The Secrets We Kept

The Lost World

Edinburgh University

Worldwide #1 bestselling author Wilbur Smith returns to Ancient Egypt in a captivating new novel that will transport you to extraordinary times. EGYPT IS UNDER ATTACK. Pharaoh Tamose lies mortally wounded. The ancient city of Luxor is surrounded, All seems lost. Taita, advisor to the Pharaoh, prepares for the enemy's final, fatal push. The ex-slave, now general of Tamose's armies, is never more ingenious than when all hope is dashed. And this is Egypt's most desperate hour. With the timely arrival of an old ally, the tide is turned and the Egyptian army feasts upon its retreating foe. But upon his victorious return to Luxor,

Taita is seized and branded a traitor. Tamose is dead and a poisonous new era has begun. The new Pharaoh has risen — and he must be stopped... From the glittering temples of Luxor to the Citadel of Sparta, PHARAOH is an intense and powerful novel magnificently transporting you to a time of threat, blood and glory.

Master storyteller, Wilbur Smith, is at the very peak of his powers.

The author of the "engrossing" (People) international bestseller The Room on Rue Amélie returns with a moving story set amid the champagne vineyards of France during the darkest days of World War II, perfect for fans of Heather Morris's The Tattooist of Auschwitz. Champagne, 1940: Inès has just married Michel, the owner of storied champagne house Maison Chauveau, when the Germans invade. As the danger mounts, Michel turns his back on his marriage to begin hiding munitions for the Résistance. Inès fears they'll be exposed, but for Céline, the French-Jewish wife of Chauveau's chef de cave, the risk is even greater—rumors abound of Jews being shipped east to an unspeakable fate. When Céline recklessly follows her heart in one desperate bid for happiness, and Inès makes a dangerous mistake with a Nazi collaborator, they risk the lives of those they love—and the vineyard that ties them together. New York, 2019: Recently divorced, Liv Kent is at rock bottom when her feisty, eccentric French grandmother shows up unannounced, insisting on a trip to France. But the older woman has an ulterior motive—and a tragic, decades-old story to share. When past and present finally collide, Liv finds herself on a road to salvation that leads right to the caves of the Maison Chauveau.

"Meticulously researched and beautifully crafted... This is glorious work." — Washington Post "A gripping, deeply relevant book." — New York Times Book Review From Paulette Jiles, author of the critically acclaimed New York Times bestsellers Enemy Women and Stormy Weather, comes a stirring work of fiction set on the untamed Texas frontier in the aftermath of the Civil War. One of only twelve books longlisted for the 2009 Scotiabank Giller Prize—one of Canada's most prestigious literary awards—The Color of Lightning is a beautifully rendered and unforgettable re-examination of one of the darkest periods in U.S. history.

A Novel of Theodosia Burr and Philip Hamilton

The Book of Secrets

The Book of Secrets

From the bestselling author of 'Hotel Kerobokan' and co-author of Schapelle Corby's 'My Story' comes an incredible account of Bali's hidden drug world. With unprecedented access to some of Bali's biggest international smugglers and local dealers, Kathryn Bonella has written a book even more explosive and revelatory than 'Hotel Kerobokan'.

A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It’s also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet “what if.” Despite their fathers’ bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

Vols. 28-30 accompanied by separately published parts with title: Indices and necrology.

Fans can discover the beginnings of one of "Jurassic World's" most beloved characters--Claire Dearing (played by Bryce Dallas Howard)--in this original action-packed novel that fills in the gaps of Claire's past.

Rediscover the unforgettable, heart-wrenching romance set in post-World War II North Carolina, about a young socialite who can't forget the boy who once stole her heart--now one of PBS's Top 100 "Great American Reads." Every so often a love story so captures our hearts that it becomes more than a story-it becomes an experience to remember forever. The No passion can be ageless and timeless, a tale that moves us to laughter and tears and makes us believe in true love all over again... At thirty-one, Noah Calhoun, back in coastal North Carolina after World War II, is haunted by images of the girl he lost more than a decade earlier. At twenty-nine, socialite Allie Nelson is about to marry a wealthy lawyer, but she cannot s her heart. Thus begins the story of a love so enduring and deep it can turn tragedy into triumph, and may even have the power to create a miracle...

Wherever the cutting edge of science goes, Michael Crichton is there. From dinosaur cloning to global warming, nanotechnology to time travel, animal behavior to human genetics, Crichton always takes us to the cutting edge of science and then pushes the envelope. The Science of Michael Crichton examines the amazing inventions of Crichton's books and lifts up t intelligent and well-thought essays, scholars and experts decide what Crichton gets right and what he gets wrong. They examine which Crichton imaginings are feasible and which are just plain impossible. Scenarios examined include whether dinosaurs can be cloned, if nanotechnological particles can evolve intelligence, and if we can go back in time.

The Color of Lightning

You've Had Your Time

There is something about a shapeshifter—a person who can transform into an animal—that captures our imagination; that causes us to want to howl at the moon, or flit through the night like a bat. Werewolves, vampires, demons, and other weird creatures appeal to our animal nature, our “dark side,” our desire to break free of the bonds of society and proper behavior. Real or imaginary, shapeshifters lurk deep in our psyches and remain formidable cultural icons. The myths, magic, and meaning surrounding shapeshifters are brought vividly to life in John B. Kachuba’s compelling and original cultural history. Rituals in early cultures worldwide seemingly allowed shamans, sorcerers, witches, and wizards to transform at will into animals and back again. Today, there are millions of people who believe that shapeshifters walk among us and may even be world leaders. Featuring a fantastic and ghoulish array of examples from history, literature, film, TV, and computer games, Shapeshifters explores our secret desire to become something other than human.

Mary Shelley’s 1818 novel Frankenstein is its own type of monster mythos that will not die, a corpus whose parts keep getting harvested to animate new artistic creations. What makes this tale so adaptable and so resilient that, nearly 200 years later, it remains vitally relevant in a culture radically different from the one that spawned its birth? Monstrous Progeny takes readers on a fascinating exploration of the Frankenstein family tree, tracing the literary and intellectual roots of Shelley’s novel from the sixteenth century and analyzing the evolution of the book’s figures and themes into modern productions that range from children’s cartoons to pornography. Along the way, media scholar Lester D. Friedman and historian Allison B. Kavey examine the adaptation and evolution of Victor Frankenstein and his monster across different genres and in different eras. In doing so, they demonstrate how Shelley’s tale and its characters continue to provide crucial reference points for current debates about bioethics, artificial intelligence, cyborg lifeforms, and the limits of scientific progress. Blending an extensive historical overview with a detailed analysis of key texts, the authors reveal how the Frankenstein legacy arose from a series of fluid intellectual contexts and continues to pulsate through an extraordinary body of media products. Both thought-provoking and entertaining, Monstrous Progeny offers a lively look at an undying and significant cultural phenomenon.

Six Tudor Queens: Writing a New Story is an introduction to the Six Tudor Queens series by eminent historian Alison Weir. The lives of Henry VIII's queens make for dramatic stories that will offer insights into the real lives of the six wives based on extensive research and new theories that will captivate fans of Philippa Gregory and readers who lost their hearts (but not their heads) to the majestic world of Wolf Hall. In all the romancing, has anyone regarded the evidence that Anne Boleyn did not love Henry VIII? Or that Prince Arthur, Katherine of Aragon's first husband, who is said to have loved her in fact cared so little for her that he willed his personal effects to his sister? Or that Henry VIII, an over-protected child and teenager, was prudish when it came to sex? That Jane Seymour, usually portrayed as Henry's one true love, had the makings of a matriarch? There is much to reveal ...

Pharaoh

Who's who

After returning from a trip to Brunei, Anthony Burgess, initially believing he has only a year to live, begins to write - novels, film scripts, television series, articles. It is the life of a man desperate to earn a living through the written word. He finds at first that writing brings little success, and later that success, and the obligations it brings, interfere with his writing - especially of fiction. There were vast Hollywood projects destined never to be made, novels the critics snarled at, journalism that scandalised the morally scrupulous. There is the éclat of *A Clockwork Orange* (and the consequent calls for Burgess to comment on violent atrocities), the huge success - after a long barren period - of *Earthly Powers*. There is a terrifying first marriage, his description of which is both painful and funny. His second marriage - and the discovery that he has a four-year-old son - changes his life dramatically, and he and Liana escape to the Mediterranean, for an increasingly European life. With this marriage comes the triumphant rebirth of sex, creative energy and travel - to America, to Australia and all over Europe.

NEW YORK TIMES BESTSELLER • A thrilling tale of secretaries turned spies, of love and duty, and of sacrifice—inspired by the true story of the CIA plot to infiltrate the hearts and minds of Soviet Russia, not with propaganda, but with the greatest love story of the twentieth century: *Doctor Zhivago* • **A HELLO SUNSHINE x REESE WITHERSPOON BOOK CLUB PICK** At the height of the Cold War, Irina, a young Russian-American secretary, is plucked from the CIA typing pool and given the assignment of a lifetime. Her mission: to help smuggle *Doctor Zhivago* into the USSR, where it is banned, and enable Boris Pasternak’s magnum opus to make its way into print around the world. Mentoring Irina is the glamorous Sally Forrester: a seasoned spy who has honed her gift for deceit, using her magnetism and charm to pry secrets out of powerful men. Under Sally’s tutelage, Irina learns how to invisibly ferry classified documents—and discovers deeply buried truths about herself. *The Secrets We Kept* combines a legendary literary love story—the decades-long affair between Pasternak and his mistress and muse, Olga Ivinskaya, who inspired *Zhivago*’s heroine, Lara—with a narrative about two women empowered to lead lives of extraordinary intrigue and risk. Told with soaring emotional intensity and captivating historical detail, this is an unforgettable debut: a celebration of the powerful belief that a work of art can change the world.
