Milady's Standard Textbook of Cosmetology has led the way in cosmetology education for more than 64 years by changing to meet the evolving needs of students and the market. With this new edition, the changes are dramatic. The fresh new text layout, completely new and reorganized chapters, and all new photography and illustrations provide the open, easy-to-follow format that students need with the reliability that is the hallmark of Milady. By changing to meet the needs of today's students and educators, the Standard remains the number-one choice for cosmetology programs throughout the United States, Canada, and the world. The new Standard is organized into six parts containing 26 chapters, each written by an industry expert in the field, creating an immediate connection to the professional world. New chapters and content were decided upon after extensive research in the form of 600 surveys, two focus groups, and 36 in-depth reviews. With that as a starting point, Milady recruited 20 of the top experts in the field to contribute to the text, followed by a reworking of their material by a professional writer to ensure a uniform reading level throughout. Another three dozen reviewers were enlisted to evaluate the material, ensuring the accuracy and comprehensiveness of the content. The result is the most reliable cosmetology textbook available, one that covers all essential information in a contemporary, easy-to-use manner.

Milady Standard Esthetics Fundamentals, 11th edition, is the essential source for basic esthetics training. This new edition builds upon Milady's strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade, and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student. Focusing on introductory topics, including history and opportunities in skin care, anatomy and physiology, and infection control and disorders, it lays the groundwork for the future professional to build their knowledge. The reader can then explore the practical skills of a skin care professional, introducing them to the treatment environment, basic facial treatments, hair removal, and the technology likely to be performed in the salon or spa setting. Permanent Makeup: Tips and Techniques focuses on the newest techniques and the latest trends in permanent makeup that will give the reader a strong foundation and vital knowledge about this growing industry. Permanent makeup, while being one the hottest procedures in the aesthetics industry today, is also one of the most technique-sensitive. There is high demand for good permanent makeup artists in plastic surgeon's offices, cosmetic dermatologist's offices and spas. This text is designed to fully prepare the reader with comprehensive information, allowing them to move successfully into this exciting profession. All of the latest information regarding FDA and state laws and current studies is included. The reader is also introduced to the anatomy and physiology and how it relates to permanent makeup, and exercises are included to help reinforce the information. There is also a section on tools and how they relate to the procedures, as well as information on inks and their different pigments, organic and inorganic pigments, and the various results achieved. With photos included to help illustrate the techniques, this book is an absolute necessity for the permanent makeup professional.

Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and in this latest version that commitment has not wavered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. From the glittering ballrooms of 17th Century England to the dangerous intrigues of the French court, Laura L. Sullivan brings an unlikely heroine to the page, turning on its head everything we've been told about The Three Musketeers and their ultimate rival. I've gone by many names, though you most likely know me as Milady de Winter: Villainess. Seductress. A secondary player in someone else's tale. It's finally time I tell my own story. The truth isn't tidy or convenient, but it's certainly more interesting. Before you cast judgment, let me start at the beginning, and you shall learn how an innocent girl from the countryside became the most feared woman in all of Europe. Because we all know history was written by men, and they so often get things wrong.
