**(Book). Art Song: Linking Poetry and Music is a follow-up to author Carol Kimball's bestselling**

**Song: A Guide to Art Song Style and Literature .** Rather than a general survey of art song literature, the new book clearly and insightfully defines the fundamental characteristics of art song, and the integral relationship between lyric poetry and its musical settings. Topics covered include poetry basics for singers, exercises for singers in working with poetry, insights into composers' musical settings of poetry, building recital programs, performance suggestions, and recommended literature for college and university classical voice majors. The three

**appendices address further aspects of poetry, guidelines for creating a recital program, and representative classical voice recitals of various descriptions. Art Song: Linking Poetry and Music is extremely useful as an "unofficial" text for college/university vocal literature classes, as an excellent resource for singers and voice teachers, and of interest to all those who are fascinated by the rich legacy of the art song genre.**

Be yourself like Molly Lou Melon no matter what a bully may do. Molly Lou Melon is short and clumsy, has buck teeth, and has a voice that sounds like a bullfrog being squeezed by a boa constrictor. She doesn't mind. Her grandmother has always told her to walk proud, smile big, and sing loud, and she takes that advice to heart. But then Molly Lou has to start in a new school. A horrible bully picks on her on the very first day, but Molly Lou Melon knows just what to do about that.

Richard Bailey was a descendant of James Bailey who lived in Henrico County, Virginia in 1736. Descendants lived in

**What do four little girls discover when they spend an afternoon by the sea? Maggie, a shell; Milly, a star; Molly, a "horrible thing"; and May, a smooth round stone. This seemingly simple story by American poet Edward Estlin Cummings (1894 1962), showcasing his**

**signature quirky style, is delightful as well as profound. Readers will enjoy the day at the beach for its innate pleasures, but on contemplation may realize that objects encountered by the girls reflect parts of themselves. Marcia Perry's bright, engaging illustrations enhance the poem with her playful and introspective portraits of the characters; her beach setting sings with the ocean tide and the seagulls' squawks.**

**After her older sister is murdered in a horrific incident of domestic abuse, Taylor begins a new life in a new town. She meets Lily, whose open, warm manner**

**conceals a difficult personal life of her own, coping with her brain-injured mother. The two girls embark on a tentative friendship. But just when life seems to be smoothing out, Taylor's abusive boyfriend, Devon, arrives on the scene, and before they know it, the girls find themselves in a situation that is both scary, and incredibly dangerous. Abetted by Conor, a friend who owes him a favor, Devon takes the girls to a remote cabin. There is no heat, no food, no water. There is a hunting rifle, which Devon uses to intimidate the others. As he becomes increasingly agitated, and Conor threatens to bail, the girls engage in a silent**

**battle of their own. Lily wants to escape, while Taylor feels hopelessly trapped by her relationship with Devon and uses sex and flattery to try to keep the situation calm. The cabin becomes a pressure cooker, filled with tension as the four teenagers wrestle with their anger, fear, resentment and boredom - any one of which could tip the situation into disaster. From the opening moments when Taylor witnesses her sister's autopsy to the final cathartic scene after the two girls have survived their ordeal, the reader is glued to every page of this frank, gripping and beautifully written novel that raises questions for every teenager. Do you**

**need to be a certain way to get a boyfriend? Can someone who loves you also hurt you? How can a million small compromises eat away at who you are? What happens when you don't think you deserve to be treated well? How do you end up in an abusive relationship, and what keeps you there? Elise Moser goes deeply into the hearts and minds of Lily and Taylor, who in the end save each other in unexpected ways.**

In the early days of radio, there were employment opportunities for women as singers, musicians, actors, and hosts of women's interest shows, but few opportunities for them to do much more, not to mention host their own music or comedy programs. Vaughan deLeith, the "Original Radio Girl," was one of the first women to break into radio and

pave the way for others to follow. It is estimated that from 1920 to 1936, deLeith received three million pieces of fan mail, wrote more than 200 published songs, made more than 300 phonograph records and Edison cylinders, and sang 15,000 songs on the air. The women who worked in and on radio in its four greatest decades are given their due in this comprehensive work. Readers will find Bertha Brainard, Judith Waller, Jessica
