Poems include quotes by Alan Cohen, Confucius, Buddha, Muhammad, Ravi Zacharias, etc. They are organized by names and from A to Z in coherence with the poems. The collection of poems includes 25 crafting poems from A to Z with quotes just like this one: Crafting is much like the letter U because crafting with used books is one of the best ways to add some style. It's a fun way to make an author's words become even more worthwhile! Crafting is also like U because crafting with the universe in mind is yet undefined but might be the best thing happening to mankind. Crafting with the universe might make you seem very small. Yet that one little space you take for you is the most important crafting space of all. Some very lucky few crafters are able to get in touch with it so make sure you work at it! Crafting is also quite like the letter U because crafting reminds me of crafting with used Christmas cards. Used Christmas cards are also quite nice because of every Xmas craft ingredient that is quite convenient and because crafting with Used Christmas cards also follows the crafting law of the "Petit Bourgeois". There are other things like the blue artistic law and the natural crafting law, but the important thing to remember they are all employing the unwritten law of hem and haw! If you think that this crafting thing is getting out of line, let me tell you this. Question the law of crafting and with you, an expert will have a grand ol' time! And as always, never, never forget this. Make sure to stay true to your hue of blue and your glue. If you stick to this you will always keep your artistic view! Umberto Ungerer can really speak to this: "The only exercise some people get is jumping to conclusions, running down their friends, side-stepping their responsibilities, and pushing their luck!" -Umberto Ungerer Welcome to a happy crafting life and welcome to "Crafting Is Like You!"
