Success, and Gold Nuggets for Leaders and Future Leaders . "

In this excellent outline of Christian ethics, Robin W. Lovin achieves a balance between the questions and issues which form the core of the study of ethics and the life situations from which those questions arise. Eschewing a sectarian approach which dismisses other understandings of the moral life, Lovin nonetheless lays claim to a specifically Christian understanding of ethics. He begins with basic Christian convictions about the reality of God and human redemption and weaves these convictions into the fabric of moral concerns that are widely shared in contemporary society. He takes note of the problems that arise when Christians try to act on or enforce their convictions in a pluralistic society and recognizes the variety of theological and moral beliefs that are held within the Christian community, as well as in the wider society.

12 Perspectives on Communicating that Connects

The authors believe the renewal of interest in ministerial ethics has been caused by the rapid changes in our society and the number of moral failures in the ministry in recent years. They address the unique moral role of ministers and provide new and established ministers with clear definitions of their moral obligations.

Ministerial Ethics A Guide for Spirit-Filled Leaders Gospel Publishing House

Designed for those who are not lawyers, accountants, or quasi-legal specialists, this book outlines the elements of risk management for congregations and church professionals.

Divided into three parts, the guide provides an overview and history of the American legal system, details various areas of the law, and focuses on ways religious organizations can minimize their exposure to legal difficulties.

Shares case studies on some of the most sensitive issues pastors and church leaders may have to deal with in their churches--child abuse, AIDS, infidelity, homosexuality, and unexpected pregnancies.

Discover a Proven Approach to Raising Your Church's Evangelistic Temperature Evangelism. It's one of the highest values in the church. So why do so few churches put real effort into it? Maybe it's because we don't understand the evangelistic potential of the church well enough to get excited about it. **Becoming a Contagious Church** will change that. Revised and updated, this streamlined edition dispels outdated preconceptions and reveals evangelism as it really can be. What's more, it walks you through a 6-Stage Process and includes a brand-new 6-Stage Process assessment tool for taking your church beyond mere talk to infectious energy, action, and lasting commitment. "This book is not optional! It's required reading for all who are serious about reaching their communities for Christ. Ignoring this book would be pastoral malpractice!" Lee Strobel, author of *The Case for the Real Jesus* "You can't read this book without having your heart stirred to share the gospel. It's contagious!" Rick Warren, author of *The Purpose Driven Church* and *The Purpose Driven Life* "Entire leadership teams and outreach committees should read and discuss this powerful book—and then put its principles into action." John Maxwell, author of *Developing Leaders Around You* "I can't emphasize how important books like this one are for the future of the

church. It demythologizes the fear and awkwardness of evangelism into something biblical, tangible, and practical for every person.” Dan Kimball, author of They Like Jesus but Not the Church “Becoming a Contagious Church is hands-down the most comprehensive work on church evangelism I’ve ever read. Its principles can turn inward-looking church attenders into outward-looking church evangelists.” Craig Groeschel, senior pastor, LifeChurch.tv

In this outstanding book, Dag Heward-Mills examines real life situations in ministry today. He addresses practical issues like finances, politics, relating with the opposite sex, and ministerial interactions. A common sense guide to the principled practice of your calling, this book is a must for every Christian leader. It is highly recommended for Bible schools and clergy in general.

Sexual health is an essential part of maintaining professional relationships in ministry. Focusing on implications for the practice of ministry, this book engages all dimensions of theological education and academic disciplines. Each chapter includes an analysis of common ministry situations, discussion questions, practical guidelines, and resources for further study. The volume is ideal for use in courses on professional ethics for ministry,

advanced leadership training, and continuing education for clergy. The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The Minister's Guide to Psychological Disorders and Treatments, 2nd ed, is a thorough yet succinct guide to everything a minister might need to know about the most common psychological disorders and the most useful mental-health treatments. Written in straightforward and accessible language, this is the minister's one-stop guide to understanding common mental health problems, helping parishioners who struggle with them, and thinking strategically about whether to refer—and if so, to whom. This thoroughly updated edition is fully aligned with the latest edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM-V) and the latest evidence regarding evidence-based psychological treatments. The second edition also contains a new chapter on ministerial triage as well as additions to the DSM-V such as autism spectrum disorder and somatic symptom disorders. Written with deep empathy for the demands of contemporary pastoring, this guide is destined to become an indispensable reference work for busy clergy in all ministry roles and settings. Ministerial Ethics provides both new and experienced pastors with tools for sharpening their personal and professional decision-making skills. The authors seek to explain the unique moral role of the minister and the ethical responsibilities of the vocation and to provide "a clear statement of the ethical obligations contemporary clergy should assume in their personal and

professional lives." Trull and Carter deal with such areas as family life, confidentiality, truth-telling, political involvement, working with committees, and relating to other church staff members. First published in 1993, this edition has been thoroughly updated throughout and contains expanded sections on theological foundations, the role of character, confidentiality, and the timely topic of clergy sexual abuse. Appendices describing various denominational ministerial codes of ethics are included.

Just about everyone will face a difficult bioethics decision at some point. In this book a theologian, ethicist, and lawyer equips Christians to make such decisions based on biblical truth, wisdom, and virtue. Though a relatively new discipline, bioethics has generated extraordinary interest due to a number of socially pressing issues. Bioethics and the Christian Life places bioethics within the holistic context of the Christian life, both developing a general Christian approach to making bioethics decisions and addressing a number of specific, controversial areas of bioethics. Clear, concise, and well-organized, the book is divided into three sections. The first lays the theological foundation for bioethics decision-making and discusses the importance of wisdom and virtue in working through these issues. The second section addresses beginning-of-life issues, such as abortion, stem-cell research, and infertility treatments. The third section covers

end-of-life issues, such as living wills, accepting and refusing medical treatment, and treatment of patients in permanent vegetative states.

Managing a church has never been easy; because one is dealing with both the spiritual and the physical, amongst other things. Most often, the physical aspect is completely neglected, resulting in administrative chaos. At times, ethics is thrown to the background, resulting in moral failures. This book addresses all this issues and is a perfect hand book for any minister.

A Guide to Ministerial Ethics and Etiquette

A Comprehensive and Practical Guide to Pastoral Ministry

Ministerial Ethics :a Guide for Spirit-filled Leaders

An Essential Guide

This book is an attempt to make a Catholic contribution to stimulate a conversation within the Catholic Church on professional ethics in pastoral ministry.--From publisher's description.

Pastors are tasked with the incredibly demanding job of caring for the spiritual, emotional, and, at times, physical needs of their people. While seminary is helpful preparation for many of the challenges pastors face, there's far more to pastoral ministry than what can be covered in the classroom. Designed as a reference guide for nearly every situation a pastor will face, this comprehensive book by seasoned

pastors Kent Hughes and Doug O'Donnell is packed full of biblical wisdom and practical guidance related to the reality of pastoral ministry in the trenches. From officiating weddings to conducting funerals to visiting the sick, this book will equip pastors and church leaders with the knowledge they need to effectively minister to their flocks, both within the walls of the church and beyond.

In Calling & Character, Willimon lays out a clear and compelling picture of the pastoral life, one that will inform both those embarking on ordained ministry and those who have been in it for many years. He lays out specific habits such as study, collegiality, and humor as the day-by-day means of following the difficult and dangerous, yet deeply rewarding, calling of a pastor.

A classic guide to ethics since 1928. Nolan Harmon studied the ethical codes of conduct of five major denominations and secured the opinions of eighty-six leading pastors. Harmon uses this wisdom to show ministers how to conduct themselves ethically in virtually every phase of ministry, including special occasion rituals.

attempt to make a Catholic contribution to stimulate a conversation within the Catholic Church on professional ethics in pastoral ministry.

At a time when concerns for misconduct, abuse scandals, and liability have brought pastoral ministers under greater scrutiny than ever before and have threatened to undermine their morale, Just Ministry offers a positive perspective on the vocation of pastoral ministry and wise ethical guidance to foster integrity in ministry. This is a helpful training and evaluative resource for those involved in pastoral ministry as ordained clergy, religious, or lay ministers. Key concepts are illustrated through case studies and practical strategies for acquiring and developing virtues, as well as preventative education for pastoral ministry in avoiding misconduct. By examining the professional aspects of a ministerial vocation, this book provides a guide for ministers to be accountable in offering their pastoral service with expert knowledge and skill and with good moral character. It builds upon a theology of vocation, a covenantal model of ministry, and a vision of professional identity. Book jacket.
