Kathie Lee Gifford always believed the Bible held the answers to every question a person could ask. Her problem was: how could she be sure of what the Bible was really saying when we are so separated from the ancient Jewish culture in which it was written? As a lifelong student of Scripture, Kathie Lee Gifford has always desired a deeper understanding of God’s Word and a deeper knowledge of God Himself. But it wasn’t until she began studying the biblical texts in their original Hebrew and Greek—along with actually hiking the ancient paths of Israel—that she found the fulfillment of those desires. In this six-session video study (DVD/video streaming sold separately), Kathie Lee invites you to join her as she visits sites in Israel that have impacted her life. As she shares her story, Rabbi Jason Sobel, a messianic Jewish rabbi who was trained in the ancient rabbinical way, provides fascinating background details into the language, culture and heritage that make the story of the New Testament come alive. Kathie Lee and Rabbi Sobel will take you and your group beyond the typical “Sunday school” teaching to examine the original texts of the Bible. Now you can walk with Kathie on a journey through the spiritual foundations of her faith: The Rock (Jesus Christ): Hear directly from Kathie about her life-changing and ever-deepening connection with Jesus, the Lover of her soul. The Road (Israel): Explore dozens of ancient landmarks and historical sites from Israel, the promised land of God’s covenant. The Rabbi (God’s Word): Go beyond a Sunday-school approach to the Bible by digging into the original languages and deeper meanings of the Holy Scriptures. Come! An Introduction to the Gospels is designed to be a textbook for courses on the Gospels, for use at the college and beginning seminary level. Reflecting the most recent scholarship and written in an accessible style, the volume covers all four of the Gospels, including a survey of "the world of the Gospels". The book opens with a discussion of the origin, development, and interrelationships of the Four Gospels. After a chapter-length treatment of each canonical Gospel and the non-canonical Gospels, the work concludes with a discussion of the "historical Jesus" debate. In An Introduction to the Gospels, Mitchell G. Reddish: - provides a solid, convenient survey of the Gospels in an accessible textbook format - presents up-to-date scholarship in a field that has been dominated by older texts - gives a balanced presentation of the content of the Gospels Pastor and author Martin Thielen has compiled a list of ten things people need to believe, and ten things they don't, in order to be a Christian. This lively and engaging book will be a help to seekers as well as a comfort to believers who may find themselves questioning some of the assumptions they grew up with. With an accessible, storytelling style that's grounded in solid biblical scholarship, Thielen shows how Christians don't need to believe that sinners will be "left behind" to burn in hell or that it's heresy to believe in evolution. And while we must always take the Bible seriously, we don't always have to take it literally. At the same time, Christians do need to believe in Jesus--his life, his teachings, his death and resurrection, and his vision for the world. A great benefit of those beliefs is that they provide promising answers to life's most profound questions, including: Where is God? What matters most? What brings fulfillment? What about suffering? Is there hope? Thielen articulates centrist, mainline Christianity in a way that's fresh and easy to understand, and offers authentic Christian insights that speak to our deepest needs. This new edition includes a leader's guide, previously only available online, and a new introduction from the author that reflects on the book's reception. The leader's guide features unique and easily implemented aids for carrying out a seven-week, congregation-wide initiative that will help local churches reach out to their communities. The New Testament You Never Knew Study Guide

It's Only Crazy Until It Happens

Study Guide to the New Testament

*The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave*

*Are you confident in your faith that Jesus is the Son of God? Or do you want to know Him even more? Do you want to discover new things, unveil mysteries, and deepen your understanding of your Savior? How did Jesus of Nazareth change the lives of the people He encountered and impact mankind, generation after generation, unlike no other person in history? Why did four fishermen lay down their nets and leave everything to follow Him? Why did Matthew change from a tax collector hated by Jewish society to a faithful disciple who targeted his Gospel for the Jews? How did John change from a disciple who desired greatness to a man who wouldn't write his own name in his Gospel? What was it like to hear Jesus teach or to recognize Jesus' voice? How would you have handled the night of terror in the garden, His arrest, trial, and then crucifixion? To answer these questions, Jesus Lives spans the life of Christ from the beginning (John 1:2) to His birth, through His life on earth as Rabbi, Miracle Worker, Storyteller, Jewish Messiah, and Passover Lamb, and that He is our Covenant Partner and Coming King, and much more. This study is for you to have a fresh revelation of Jesus, to get your identity through Christ, to develop intimacy with God, and to worship Him passionately! Join the adventure of Jesus Lives! This 10-week in-depth, interactive study includes daily assignments and 11 weekly video sessions, portions of which were taped in Israel and Egypt, the two countries where Jesus lived. Shirley Mitchell has a passion for people to be transformed by knowing God through His Word. She has served God as a women's ministry leader and a Bible study leader in Lexington, Kentucky.*

This book surveys all the Gospel units and relates them to their parallel passages, showing how the literary and canonical relationships work. Offering up-to-date interaction with the latest discussions about Jesus, the second edition has been substantially revised and updated throughout and includes three new chapters on how we got the Gospels.

*New Testament Study Guide, Pt. 3: The Epistles & the Book of Revelation. This volume is the third of three on the New Testament. An unusually large volume, it covers most of the Book of Acts, the New Testament epistles, and the Book of Revelation. We read of Saul's conversion and then follow him as the Apostle Paul as he takes his five major journeys throughout the Mediterranean area. The book of Acts provides the historical context to his journeys. Along the way, we read his teachings in his 14 marvelous epistles to early Church members. Eventually, we follow Paul to Rome where he was martyred for the cause of Christ. This volume also covers the epistles of James, Peter, John, and Jude. And finally, we read the Book of Revelation?John?s apocalyptic messages written while he was on the Isle of Patmos. The cover features a classic painting of ?St. Paul at His Writing Desk,? painted by Rembrandt in 1692.*

*We saw in Volume 1 of Let's Get Biblical! Why Doesn't Judaism Accept the Christian Messiah? how Christendom-beginning in the earliest epistles of the New Testament- deliberately altered the Jewish Scriptures in order to make these sacred Hebrew texts appear Christological. What else did Christians invent on the way to making Christianity into the religion it became? Christians find it perplexing that Jews don't accept Jesus as the messiah because it seems so obvious to them when they routinely refer to Jesus as "Christ" and "the messiah." Almost all Christians think that the prophets of the Jewish Bible frequently made predictions that the messiah would be the son of God, who would be born to a virgin in Bethlehem, be a great miracle worker, endure a brutal crucifixion, and rise from the dead. As a result of this widespread belief, many Christians are astounded that Jews refuse to believe in their religion. They wonder how Jews could possibly fail to accept their assertion that Jesus is the messiah. Can't they see the overwhelming evidence to support this claim? Are they just being stubborn? Is there some sort of veil over their hearts and eyes? How can a nation reputed to be the most intelligent people on earth be so hardheaded? After all, God chose the Jews to be the recipients and protectors of His sacred oracles. They received their instructions directly from the prophets, and are the only nation on earth that can read and comprehend the Jewish Scriptures in its original language. Can such a nation be so clueless? In essence, Christians are dumbfounded. They don't understand why the vast majority of Jews are unimpressed with their assertion that the central role of the messiah was to die for the sins of the world. Christians wonder: Why don't passages in the "Old Testament" such as Isaiah 53 and Psalm 22 convince the Jews that the messiah was to suffer and die for the sins of mankind? Don't these and other texts in the Hebrew Scriptures provide irrefutable proof that Jesus is the promised Jewish messiah? After all, these chapters appear prominently in their own Bible. There is a clear answer to this age-old question: The messiah is not mentioned in any of these passages. In fact, these texts do not refer to the messiah but to someone or something else.*

*In Volume 2 of this series, Rabbi Tovia Singer continues to probe this eye-opening and thought-provoking study of the Bible in order to answer two fundamental questions: Who invented Christianity, and how did they accomplish this task?*

*A Guide to Biblical Commentaries and Reference Works, by John F. Evans, summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible, giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible. A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators. More scholarly books receive a longer, more detailed treatment than do lay commentaries, and highly recommended commentaries have their author's names in bold. The author keeps up on the publication of commentaries and intends to update this book every three to four years.*

Explore the Jewish and Christian Scriptures with the world renowned Bible scholar and expert on Jewish evangelism, Rabbi Tovia Singer. This new two-volume work, Let's Get Biblical! Why Doesn't Judaism Accept the Christian Messiah?, takes the reader on an eye-opening journey through timeless passages in Tanach, and answers a pressing question: Why doesn't Judaism accept the Christian messiah? Are the teachings conveyed in the New Testament compatible with ageless prophecies in the Jewish Scriptures? Rabbi Singer's fascinating new work clearly illustrates why the core doctrines of the Church are utterly incompatible with the cornerstone principles expressed by the Prophets of Israel, and are opposed by the most cherished tenets conveyed in the Jewish Scriptures. Moreover, this book demonstrates how the Church systematically and deliberately altered the Jewish Scriptures in order to persuade potential converts that Jesus is the promised Jewish messiah. To accomplish this feat, Christian "translators" manipulated, misquoted, mistranslated, and even fabricated verses in the Hebrew Scriptures so that these texts appear to be speaking about Jesus. This exhaustive book probes and illuminates this thought-provoking subject. Tragically, over the past two millennia, the church's faithful have been completely oblivious to this Bible-tampering because virtually no Christian can read or understand the Hebrew Scriptures in its original language. Since time immemorial, earnest parishioners blindly and utterly depended upon manmade Christian "translations" of the "Old Testament" in order to understand the "Word of God." Understandably, churchgoers are deeply puzzled by the Jewish rejection of their religion's claims. They wonder aloud why Jewish people, who are reared since childhood in the Holy Tongue, and are the bearers and protectors of the sacred Oracles of God, do not accept Jesus as their messiah. How can such an extraordinary people dismiss such an extraordinary claim? Are they just plain stubborn? Let's Get Biblical thoroughly answers these nagging, age-old questions.

Stay far away from normal when it comes to matters of faith. Will you be remembered as a person who claimed to follow God but liked to play it safe? Or as a person who lived your life out on the limb and trusted God enough to act with crazy faith? In this five-session video Bible study (video streaming included), bestselling author and pastor Michael Todd reveals how to step out in faith and dive into the purposeful life of trusting God for the impossible. There are many things that seem normal today that at one point in time seemed crazy. History-making inventions that started out as crazy ideas. People who risked everything to stand up for what they believed. But our see-it-to-believe-it generation tends to have a hard time exercising true faith—one that steps out, takes action, and sees mountain-moving results. Many of us would rather play it safe and stand on the sidelines. But it's crazy faith that helps us see God move and reveals his promises. This study guide has everything you need for a full Bible study experience, including: An individual access code to stream all five video sessions online (you don't need to buy a DVD!). The study guide itself—with discussion and reflection questions, video notes, and a leader's guide. Video notes and a comprehensive structure for group discussion time. God goes to great lengths to rescue lost and hurting people. In this 8-session video Bible study (streaming included), enter the culmination of God's complex plan to deliver his people in the person of Jesus Christ, our Savior. Salvation is what the story of the Bible is all about: the final goal of God's narrative. But throughout the Bible, there are two parallel dramas unfolding: The lower story, which describes the events from our human perspective. The upper story, which reveals how the events unfold from God's perspective. The goal of the God the Savior Bible study is to introduce you to these lower and upper stories as told in the New Testament. As you read these stories—featuring characters such as Mary and Joseph, the Twelve Disciples, John the Baptist, Mary Magdalene, and the central figure, Jesus Christ—you will see how God has been weaving our lower story into the greater upper story that he has been writing. This study guide has everything you need for a full Bible study experience, including: The study guide itself—with discussion and reflection questions, video notes, and Scripture readings. An individual access code to stream all eight video sessions online (you don't need to buy a DVD!). Sessions include: Jesus' Birth and Ministry (Matthew–John) Jesus, the Son of God (Matthew–John) The Hour of Darkness (Matthew–John) The Resurrection (Matthew–John) New Beginnings (Acts 1–12) Paul's Mission (Acts 13–18) Paul's Final Days (Acts 19–28) The End of Time (Revelation) The God the Savior Study Guide is part of The Story Bible Study Series: a three-part Bible study drawn from Randy Frazee's bestselling The Story, which reveals the Bible as a single, continuous narrative of God and his people.

This book has grown out of Bible studies carried on jointly by a Dominican priest and a Jewish rabbi. New Testament and rabbinic texts have been studied by various combined groups of Jews and Christians, and the reactions of the groups noted by the authors. From their experience a textbook has emerged for others to use, ideally in similar joint groups. The main topics covered are 'the great commandment,' the synagogue and its function, the parable, the Sabbath, divorce, and forgiveness. These topics differ not only in subject matter, but also in the type of comparison offered--legal, historical, literary, theological, and even contracting themes. Reading the texts will produce questions for dialogue - some suggested questions for discussion are also included, also with a useful glossary and a bibliography.

Manifestos are very popular nowadays. Some, one could argue, have become infamous. Kingdom Manifesto, however, is a series of biblical studies on the Sermon on the Mount. This manifesto was originally given by the King of kings. The first volume is on the Beatitudes which the author entitled the Beautiful Attitudes. The author, Dr. Nelson Thermitus, has done an in-depth study of the Beatitudes; he has offered different ways to apply them and live them out in your Christian walk. These beautiful attitudes, once applied with the help of the Holy Spirit, will help you to become a better disciple of our Lord and Savior Jesus Christ. The values of the kingdom are thoroughly explained. The book will aid you in assessing your values with those of the King and require a change in your behavior. This book could serve as a personal devotional or personal Bible study; it is also perfect for small group Bible studies. The author believes that Kingdom Manifesto can truly change the world and make it a better place. Happy reading.

The word Disciple in Greek is transliterated mathetes (literally, the learning one) and is derived from the verb manthano which means “to learn”. It means “one who learns instruction from another?, or a disciple is likened to an apprentice who learns from his master tradesman. Thus, a disciple is a person that not only gains knowledge from the teacher but also acts upon it. A disciple therefore follows and a disciple learns from the Teacher. The disciple never replaces the one true Teacher, or takes the role of the teacher. Jesus remains our Teacher and our Lord. This study guide explores what it really means to be a disciple, within the context of the Great Commission of Matthew 28.

Does believing in Christ mean refusing to ask hard questions in the midst of doubt? Doubt is familiar territory for Lee Strobel, the former atheist and award-winning author of books for skeptics and Christians. But he believes that faith and reason go hand in hand, and that Christianity is a defensible religion. In this six-session revised small group Bible study (DVP/digital video sold separately), Strobel explores the most common emotional obstacles to faith in Christ. These include the natural inclination to wrestle with faith and doubt, the troubling presence of evil and suffering in the world, and the exclusivity of the Christian gospel. Through compelling personal stories and experts testimony combined with reflection and interaction, Christians and spiritual seekers will learn how to overcome these obstacles, deepen their spiritual convictions, and find new confidence that Christianity is a reasonable faith. SCM Studyguide to Biblical Hermeneutics offers entry-level undergraduates a framework for interpreting the Bible. The book goes beyond offering guidance on how to do exegesis, and is intended as a practical tool to help readers develop good interpretative strategies for themselves. As such it features pedagogical tools such as Try it Out boxes to assist students to develop a tested and thought - through overall interpretative strategy of their own. Market-tested to ensure a good coverage of the typical topics found on a standard level-one hermeneutics course, this "Studyguide" is designed as a practical and comprehensive companion to coursework, be that within a secular institution, a theological institution or within Church reading groups. The authors set out from the beginning to make clear that interpretation of the Bible is largely affected by the reader's own situation and therefore, the text is designed to guide the reader through the myriad of accepted methods of interpretation, no matter what the reader's own perspective or situation may be.

In contrast to the other synoptic evangelists the author of Matthew proceeded differently in many respects. Why did he modify the text so much and arrange ten miracle narratives one after the other at one stretch with minor interruptions? Why did he place the so-called «miracle chapters» immediately after the Sermon on the Mount. Why did he enclose them between two summary statements on either side? These are only some of the unanswered questions about chapters 8 and 9 of Matthew's Gospel. Beginning with Aristotle's theory of the drama or tragedy, the author suggests that the way the evangelist has reworked and reorganized the miracle narratives is similar to the structure of the classic drama. By discovering the narrative strategies and the discourse aspect, we are able to demonstrate how each episode corresponds to the different moments of a plot such as the initial situation, inciting moment, complication, climax with suspense and finally resolution and denouement.

Hick gives a personal account of how he has come to accept religious pluralism - that the major world faiths are different but equally valid responses to ultimate Reality. He considers how much Christians have to learn from Buddhism, discusses the ongoing dialogue among Jews, Christians, and Muslims, and outlines a philosophy of religions - a conception of the relationship between world religions and between them and the ultimately Real. Finally he turns to the mystery of death and, using the resources of the world religions and of parapsychology, suggests a possible conception of life after death.
