Oversight Hearings on the Highway Safety Program

The Highway Engineer & Contractor

In recent years, highway maintenance has become a high profile topic, owing to the greater travel potential of the general public and to the impact of roadworks on commerce following the swing away from rail transport. Highway maintenance was once a low-key activity, but it is now being treated as an important consideration in the overall cost of providing the nation's infrastructure. Roads have assumed an increasingly important role in this process, particularly during the past 30 years as a result of the motorway building programme.

Zombie Highway Resurrected

Hearings, Reports and Prints of the Senate Committee on Public Works

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873.

Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Wisconsin Pedestrian Policy Plan, 2020: Executive summary

The zombie apocalypse had done a horrific number on the world a few years earlier, but somehow the state of Montana had come through better than most places in what had once been America. They had a working electrical grid, were able to manufacture diesel fuel, and had a passable government protected by a mostly green National Guard. Sure, there were still dead heads stumbling about, but not anything like what filled the huge urban areas. Up in GOB (Good Ol' Boy) land, the survivors had cobbled together a semblance of what most had lost. Ted, a verbose ex-Gulf War veteran, worked for Zombie Express, the main trucking company that was helping stitch together the widespread groups of survivors. He left most of the driving to his partner, a fortyish black woman who furtively referred to him as the Old White Dude. They had a professional respect for each other of sorts. Having been of roughly retirement age in the world of before, Ted's attitude with her was a bit dated, and she did not appreciate all the sexual innuendos. All in all, they did their best to survive the aftermath of the apocalypse . . . and each other.
