Excerpt: Rent (often stylized as RENT) is a musical with music and lyrics by Jonathan Larson based on Giacomo Puccini's opera La boheme. It tells the story of a group of impoverished young artists and musicians struggling to survive and create in New York's Lower East Side in the thriving days of Bohemian Alphabet City, under the shadow of HIV/AIDS. The musical was first seen in a limited three-week workshop production at New York Theatre Workshop in 1994. This same New York City off-Broadway theatre was also the musical's initial home following its official January 25, 1996 opening. The show's creator, Jonathan Larson, died suddenly the night before the off-Broadway premiere. The show won a Pulitzer Prize, and the production was a hit. The musical moved to Broadway's larger Nederlander Theatre on April 29, 1996. On Broadway, Rent gained critical acclaim and won a Tony Award for Best Musical among other awards. The Broadway production closed on September 7, 2008, after a 12-year run and 5,124 performances, making it the ninth-longest-running Broadway show by that time, ten years behind The Phantom of the Opera as of December 2009. The production grossed over \$280 million. The success of the show led to several national tours and numerous foreign productions, and in 2005, it was also adapted into a motion picture that features most of the original cast members. In 1988, playwright Billy Aronson wanted to create "a musical based on Puccini's La Boheme, ...*

This remarkable book is the first ever written about commercial sex by a Vietnamese prostitute. Mekong Moe was born in South Vietnam in 1972, just as the US was preparing to pull its troops out and leave the communist North to capture Saigon. She married early, had two children, but increasingly despised her foolish husband. In 2009 she got divorced. Desperately short of money, she travelled to Singapore to work in a hairdressing salon. When she got there, however, she soon discovered she had been tricked. To repay her ticket costs, she would have to sell sex to western businessmen. In this fascinating account of her subsequent adventures, Moe describes the life of a mature Asian hooker. She chronicles her exploits as a blatant street-walker around Singapore, a discreet 'hostess' in smart sex clubs in Dubai and a provider of cheap 'tricks' in Shanghai. She has offered elite escort services to senior businessmen staying in the 5-star hotels in Vietnam and abroad. Moe paints a sympathetic picture of her clients. She gives steamy erotic descriptions of sex with her French boyfriend and other favourite customers. She ties her experiences in with the history of prostitution in her country. She explains the importance of sex work for women from the Vietnamese countryside to escape poverty. The book is richly illustrated, and is a 'must read' for anyone interested in prostitution in Asia today. Her spirited sexuality is evident. The reader will learn much about Asian eroticism, sex tourism in Asia and the Middle East, and the sex lives of the Vietnamese. This experienced Asian MILF whore clearly knows how to fuck and suck. Her customers evidently take home fond memories of the special adventures she has to offer any businessman or traveller lucky enough to meet her in the red light districts of the Gulf or the Orient.

What does it mean to be queer and Asian American at the turn of the century? The writers, activists, essayists, and artists who contribute to this volume consider how Asian American racial identity and queer sexuality interconnect in mutually shaping and complicating ways. Their collective aim (in the words of the editors) is "to articulate a new conception of Asian American racial identity, its heterogeneity, hybridity, and multiplicity -- concepts that after all underpinned the Asian American moniker from its very inception." Q & A approaches matters of identity from a variety of points of view and academic disciplines in order to explore the multiple crossings of race and ethnicity with sexuality and gender. Drawing together the work of visual artists, fiction writers, community organizers, scholars, and participants in roundtable discussions, the collection gathers an array of voices and experiences that represent the emerging communities of a queer Asian America. Collectively, these contributors contend that Asian American studies needs to be more attentive to issues of sexuality and that queer studies needs to be more attentive to other aspects of difference, especially race and ethnicity. Vigorously rejecting the notion that a symmetrical relationship between race and homosexuality would weaken lesbian/gay and queer movements, the editors refuse to "believe that a desirably queer world is one in which we remain perpetual aliens -- queer houseguests -- in a queer nation."

Winner of the 2012 Outstanding Book Award in Cultural Studies, Association for Asian American Studies Puro Arte explores the emergence of Filipino American theater and performance from the early 20th century to the present. It stresses performing body's location as it conjoins colonial histories of the Philippines with U.S. race relations and discourses of globalization. Puro arte, translated from Spanish into English, simply means "pure art." In Filipino, puro arte however performs more ironic function, gesturing rather to the labor of over-acting, histrionics, playfulness, and purely over-the-top dramatics. In this book, puro arte functions as an episteme, a way of approaching the Filipino/a performing body at key moments of U.S.-Philippine imperial relations, from the 1904 St. Louis World's Fair, early American plays about the Philippines, Filipino patrons in U.S. taxi dance halls to the phenomenon of Filipino/a actors in Miss Saigon. Using this varied archive, Puro Arte performance as an object of study and as a way of understanding complex historical processes of racialization in relation to empire and colonialism.
