Miss Lattimore's Letter

As London is emerging from the shadow of World War II, writer Juliet Ashton discovers her next subject in a book club on Guernsey--a club born as a spur-of-the-moment alibi after its members are discovered breaking curfew by the Germans occupying their island. Unexpected lovers find themselves together in Spindle Cove with *A Week to be Wicked*—the second book in Tessa Dare’s utterly delectable historical romance series. This Regency Era delight finds a restless British lord desperate to escape the quaint and too quiet small seaside resort he’s trapped in...and he gets much more than he expected when he eagerly agrees to escort a beautiful, brilliant, socially awkward lady scientist to Scotland. Princes have pomp and glory—not crushes on commoners Nothing gets the tongues of London’s high society wagging like a good scandal. And when the personal secretary of the visiting Prince Sebastian of Alucia is found murdered, it’s all anyone can talk about, including Eliza Tricklebank. Her unapologetic gossip gazette has benefited from an anonymous tip about the crime, prompting Sebastian to take an interest in playing detective—and an even greater interest in Eliza. With a trade deal on the line and mounting pressure to secure a noble bride, there’s nothing more salacious than a prince dallying with a commoner. Sebastian finds Eliza’s contrary manner as frustrating as it is seductive, but they’ll have to work together if they’re going to catch the culprit. And when things heat up behind closed doors, it’s the prince who’ll have to decide what comes first—his country or his heart. Don't miss *Last Duke Standing*, the first book in a sparkling, witty, sexy new series by Julia London! So of course, damn it all, that's when Edward's aunt walks in, and thereafter announces Miss Georgiana Bly is the future Duchess of Thornfield. Georgiana was content to be a spinster, spending her days reading and working to keep her family out of debt. Situated in Ohio, a free territory before the Civil War, Tawawa House is an idyllic retreat for Southern white men who vacation there every summer with their enslaved black mistresses. It's their open secret. Lizzie, Reenie, and Sweet are regulars at the resort, building strong friendships over the years. But when Mawu, as fearless as she is assured, comes along and starts talking of running away, things change. To run is to leave everything behind, and for some it also means escaping from the emotional and psychological bonds that bind them to their masters. When a fire on the resort sets off a string of tragedies, the women of Tawawa House soon learn that triumph and dehumanization are inseparable and that love exists even in the most inhuman, brutal of circumstances— all while they bear witness to the end of an era. An engaging, page-turning, and wholly original novel, *Wench* explores, with an unflinching eye, the moral complexities of slavery.

Colonial America holds friendship, hardship, and love for a bold woman in this classic historical romance from the bestselling author of Green Darkness. In 1631 Elizabeth Winthrop, newly widowed with an infant daughter, set sail for the New World. Against a background of rigidity and conformity she dared to befriend Anne Hutchinson at the moment of her banishment from the Massachusetts Bay Colony; dared to challenge a determined army captain bent on the massacre of her friends the Siwanoy Indians; and, above all, dared to love a man as her heart and her whole being commanded. And so, as a response to this almost unmatched courage and vitality, Governor John Winthrop came to refer to this woman in the historical records of the time as his " unregenerate niece. " Anya Seton ' s riveting historical novel portrays the fortitude, humiliation, and ultimate triumph of the Winthrop woman, who believed in a concept of happiness transcending that of her own day. " The Winthrop Woman is that rare literary accomplishment—living history. Really good fictionalized history [like this] often gives closer reality to a period than do factual records.
