**Zachariah OHora's distinctive retro art and kid-friendly humor take the stage in this story about accepting and celebrating differences. Momo is coming to visit, and his cousins are SO excited! But when Momo's cousins give his strange ways a chance, they realize that doing things differently can be fun...almost as much fun as making a new friend. Fans of Peter Brown and Bob Shea will fall in love with Zachariah OHora's bold artwork and hilarious characters.**

MoMo and Her Bugs was inspired by Jo's first grandson. Thinking of a way to teach her grandchildren about the importance of sharing the love of God was the main goal. Now with two grandsons in her life, she realized Eli, the oldest, loves bugs, but his little brother Jason did not. With that she began to head out on adventures with them, making up different situations to exercise the compassion of God but also the authority of God over any and all fears. With all the different bugs and each having their own special abilities, they also have their own shortcomings. Though the first publication of MoMo and Her Bugs is more of an introduction to the main characters and their future goals, it will kick off a series of children's books with an incredible grandma named MoMo and her bugs of love, learning and growing in Christ. Addressing modern situations like bugs who bully; bugs who bug; and bugs who live just, honest, and fair; and bugs who just don't care. We can't wait to head out on these adventures with you all. Now let's get started!

The pure and upstanding Momo Inuwashi absolutely adores her brothers, even to a fault! She's created a castle to protect them and would die to defend it. Momo Turns 10

A Remarkable Story About the Power to Overcome

Momo is a female shiba dog living in Japan. Miserably, she was once abandoned by her ex-owner. But then, she was adopted by a kind girl named Tanya and could lead a happy, new life with her and her mother. One day Tanya showed her a book featuring so-called the World Heritage Sites. Momo was so inspired by them that she decided to visit the World Heritage Sites in Japan. This is the story regarding Momo's heartwarming adventures. This work was exclusively created for The BBB: Breakthrough Bandwagon Books.

In this book, MoMo encounters a not-so-nice character named Tina Termite. Bullying is something that can scar people inside and out. This book has a light, humorous approach, but being bullied is no laughing matter. If you see this happening or are experiencing it yourself, don't hesitate to speak up. You are not alone. You matter.

Momo is a female Shiba dog. After the two-year journey to tour the World Heritage Sites on the globe (refer to the "Momo Meets the World Heritage Sites" series), she came back to Japan, her home country. Then, this time she had decided to visit the World Heritage Sites in Japan more thoroughly. She started her new journey at the Ministry of the Environment and the Agency for Cultural Affairs, both of which were the governmental organizations choosing articles to be recommended for World Heritage Site. Memorably, the National Museum of Western Art had become a newly listed one just around the time when she visited it in 2016. At Ogasawara Islands, she could experience various interesting activities. In Nara, she even joined a fire drill. At Himeji Castle, she accidentally showed her strange expression. At Shirakami Sanchi and at Yakushima, she met good friends. The actual maps and the related links are also included for your reference. Momo's new adventure has just started.

Lily is sad because she doesn't have anyone to play with. But one day she receives an unexpected package. Inside is Momo. What's Momo? Young readers will join Lily in her adventure to find out, making a new best friend along the way.

***Winner of the Teen Fiction Award of the CHRISTIAN BOOK AWARD, October, 2016. From Kevin M. Kraft comes this inspirational thriller! In the wake of his father's death, Mark Taylor thinks he and his son, Evan need some quality time together. He is certain that a weekend at the family cabin in the Missouri woodland presents the perfect opportunity and will strengthen their bond. But as darkness falls, their stay becomes a terrifying fight for survival against a savage night creature straight out of the annals of cryptozoology, with little more than faith, desperate courage***

*and a single cabin door providing their only means of defense. With Mark badly injured, dawn too far away, their generator running out of power, and no means of calling for help, they are ultimately left with a single heart-rending option that might let one of them survive to see another day. MOMO is based on Kevin M. Kraft's award-winning screenplay, with as much suspense as it does soul and as much terror as it touches the heart.*

**In September 2010, Alejandro Souza learned that Momo, his cousin and closest friend in the family, was suddenly imprisoned. Crushed by his imprisonment and desiring to infuse him with strength, resilience, and, above all, love, Souza made an unconditional commitment to write Momo one letter each day for as long as he was in jail. Letters to Momo is the true, remarkable story about the power to overcome told by the collection of all letters written to Momo during his 144 days in prison—intact and in their original state, exactly as he received them. Uniquely sincere and approachable, the letters' contemplative style illuminates core truths about the human experience and invites all to engage in profound reflection. Through broad thematic examinations spanning from personal experiences to Persian poetry, and from Nietzsche to cognitive psychology, the letters' inspirational tone leads you away from the traps of victimhood to reclaim the innate power to author change in your life. With the closing words of each letter, "I love you with all my heart, and today, let me walk with you," Souza holds our hearts and hands as we embark on our own journey of personal resilience, transcendence, and freedom. Today let these letters walk with you.**
