

Monterey County 4 H Council Meeting Minutes

The Lyons Press is proud to present the forty-fifth annual edition of the National Wildlife Federation's "Conservation Directory" of U.S. and international organizations and agencies working to protect the environment -- the most vital resource of its kind. Included are: members of the United States Congress; government agencies; citizens' groups; educational institutions; databases, services, periodicals, and other directories; federally protected conservation areas; indexes; and more. This annual directory is essential for colleges and universities, libraries, environmental activists, students, outdoor writers, science editors, natural-resource agencies, those seeking employment in the field of conservation, researchers, and all individuals interested in wildlife and ecology.

Conservation Directory

The authority on natural resource use and management agencies around the world. Do you want to take action to protect Earth's environment? Are you interested in learning more about wildlife conservation and environmental groups? The Conservation Directory 2015 is a great resource for budding environmental activists and scholars alike. This all-inclusive volume is an amazing resource that can help further these environmental goals. The new and revised 2015 edition of the Conservation Directory is the most comprehensive listing of conservation and environmental organizations yet published, with information on more than four thousand government agencies, libraries, and universities, as well as more than eighteen thousand officials concerned with environmental conservation, education, and natural resource use and management. Each entry contains detailed contact information, including names, addresses, and telephone numbers. Also included are selected email and Internet addresses, descriptions of principal publications, and more. Entries are categorized by organization and state or country and are indexed alphabetically and by subject on topics ranging from acid rain to zoology. Each person listed in the directory is also indexed alphabetically.
