The Law of Distressed Real Estate

Sourcebook for Small Claims Court Judicial Officers

California, Supreme Court. Records and Briefs

California Tenants' Handbook

F003207, Petition for Review

A practical, easy to read guide for landlords and tenants, addressing the compelling issues inherent in the landlord-tenant relationship, including lease agreements, security deposits, insurance, privacy, local ordinances, evictions, lockouts, subtenants, breach of covenant, remodeling, owner move-in, enforcing judgments, personal injury, legal aid and the attorney's role. A handy description of rental control ordinances in California cities is provided, plus standard rental forms, legal notices, informative appendices, and a glossary. Sound advice to help landlords preserve rental property investment. Buying this book may well save the reader the cost of expensive litigation.

Consumer Law Sourcebook for Small Claims Court Judicial Officers: Consumer Law

This revised two-volume set reproduces the easy-to-use, logically-organized format of Searching the Law for each of the 50 U.S. states. Arranged by state and by topic within each state, it features: a complete list of all the legal research materials available for each state jurisdiction; thousands of citations to the legal literature of each state; materials applicable to more than one topic listed under each topic; repeated listings under each state and topic where they apply; and author, title, publisher, format, and the latest known supplement for each citation. Searching the Law-The States is the companion text to Searching the Law. Together the sets form one of the most comprehensive, logical legal reference sources available. Published under the Transnational Publishers imprint.

Searching the Law, the States

Life, liberty, and the pursuit of housing: an increasingly difficult quest in the contemporary urban United States, where crime, urban blight, and continuing capital decay undercut the advantages of city living. The American dream has moved to the suburbs; the nightmare of our cities prompts new recognition both in the president's cabinet and the college curriculum.The editors of this book have updated their acclaimed earlier collection, providing new introductory articles; new papers, such as, Discrimination in Housing Prices and Mortgage Lending, A Summary Report of Current Findings from the Experimental Housing Allowance Program, Alternative Mortgage Designs and Their Effectiveness in Eliminating Demand and Supply Effects on Inflation; and a new bibliography of the literature.Additional chapters focus on differing strategies for improved urban housing and renewal by providing concrete suggestions for distributing existing resources and allocating new funding. The bibliography provides the best single guide to the current literature on housing. Housing Urban America, in this new edition, is an important guide to those students and scholars fascinated by the essential questions of adequate housing: its social costs, and the source of the revenues to provide it.
