Book Size: 8 1/2" x 11." Pages: 55 (Black & White) * * * * OPINIONS OF THE PRESS. "In the illustrations to 'Mother Goose' Miss Greenaway has simply surpassed herself; everyone, from the opening vignette to the last page, is a perfect gem; while nothing could be finer or more thoroughly in keeping with the spirit of the occasion than the manner in which printer and publishers alike have fulfilled their portions of the task." -- Bookbuyer. "This is the first dropping of another of the magnificent crops of juvenile Christmas books for which Messrs. Routledge & Sons have won a preeminent reputation on both sides of the Atlantic. It is satisfactory to say that in spite of all Miss Greenaway's former triumphs in this class of literature, she has never been more successful than in the present case.... In short, it would be impossible to imagine a more delightful book for little people, and we are glad to notice that the publishers, by producing it in a plain but substantial binding, not calculated for show, but for use, are able to offer it at a price which brings it easily within reach. It will no doubt have a large sale, and farsighted people, who know that such books soon become scarce, and therefore valuable, may find it worth while to look after it." --Bristol Mercury. "This little book of children's poetry and pictures, illustrated charmingly by Kate Greenaway, and engraved and printed perfectly by Edmund Evans, promises to be one of the wonders of the infant world. It has the alternative title of 'Mother Goose, which are words well known to the youthful ear. The drawing and colouring are so excellent and refined in their style, that one begins to be conscious that aestheticism, for all the satire of it that is abroad, has invaded for good purpose the nursery. If reform is made at the fountain thus, the river of manhood or womanhood, so to speak, will be all the clearer and more beautiful. The forty-eight pages here are quite a gallery of the prettiest coloured pictures." --Northern Whig. "There is an irresistible charm about Kate Greenaway's pictures, and her new book, "Mother Goose; or, the Old Nursery Rhymes, possesses its full share. The quaint designs, the skillful drawing and effective colouring, and the sketches illustrating these rhymes, are done ample justice to by the admirable engraving and printing of Mr. Edmund Evans." --Christian World.

One Hundred Best-Loved Verses

If asked to list the greatest innovators of modern American poetry, few of us would think to include Jay-Z or Eminem in their number. And yet hip hop is the source of some of the most exciting developments in verse today. The media uproar in response to its controversial lyrical content has obscured hip hop's revolution of poetic craft and experience: Only in rap music can the beat of a song render poetic meter audible, allowing an MC’s wordplay to move a club-full of eager listeners.Examining rap history's most memorable lyricists and their inimitable techniques, literary scholar Adam Bradley argues that we must understand rap as poetry or miss the vanguard of poetry today. Book of Rhymes explores America's least understood poets, unpacking their surprisingly complex craft, and according rap poetry the respect it deserves.

Kate Greenaway (1846-1901) is one of the most popular children's book illustrators of all time. Edmund Evans produced her first book in 1879, which sold out resulting in triumph and gaining Greenaway her reputation. She has enchanted people, young and old, for over one hundred years with her watercolour illustrations of sweet, charming eighteenth century children with their quaint costumes and idyllic scenes. Kate Greenaway's 'Mother Goose Or The Old Nursery Rhymes' was originally published in 1881, it contains many nursery rhymes and tales together with her beautiful illustrations. Many of the earliest children's books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Pook Press are working to republish these classic works in affordable, high quality, colour editions, using the original text and artwork so these works can delight another generation of children.

Mother Goose, Or the Old Nursery Rhymes

A modern edition of a book first published in 1913.

IPPY Award Winner From nonsense to lessons learned, these 45 rhymes include the very well known (Itsy Bitsy Spider) and the somewhat familiar (Hickety, Pickety, My Black Hen). The truly fantastic pictures speak more than a thousand words as artist Scott Gustafson riffs in paint on themes present and imagined in each verse. Nursery rhymes are classic, and so are some of the artist's interpretations. But other paintings are surprises, like an anthropomorphic baking bear, a pelican sea captain, and Peter Piper as a pug on two legs. Welcome to a world where "There Was a Crooked Man" is not about a hunchbacked senior but rather a madcap, double-jointed dandy who might be "crooked" in more ways than one. Jack (Be Nimble) is a leaping cricket and Yankee Doodle a fun-loving chipmunk on a fullsize horse. Scott Gustafson's unique style, influenced by legendary book illustrators Arthur Rackham and N. C. Wyeth, makes this a volume to be treasured by children and illustrated-book lovers of all ages.

Traditional rhymes and stories have been collected under the wing of Mother Goose for centuries. This collection contains the old favourites from "Jack and Jill" to comic alphabets and the fearful fate of Anthony Rowley.

The Annotated Mother Goose

A stunning and picture book reissue of the “brilliant” (The New York Times Book Review) classic Mother Goose collection of over 300 rhymes illustrated by Caldecott Medal winner Arnold Lobel. This treasury of 302 timeless rhymes includes verses that are the foundation of any child’s language development, such as “This little pig went to market” and “There was an old woman who lived in a shoe.” In a starred review, School Library Journal said this gorgeous collection was “lively and energetic...distinguished by abundant humor and a rich variety of moods and styles.”

A collection of 108 illustrated Mother Goose rhymes.

‘Mother Goose – The Old Nursery Rhymes’ is a collection of fairy tales and nursery rhymes, penned by the legendary (and only some claim imaginary), ‘Mother Goose.’ They have inspired many folklorists and illustrators (including Charles Perlin and Jessie Willcox-Smith and Jennie Harbour) – as well as countless generations of children and parents. In the foreword, Rackham states that he has ‘chosen those rhymes I knew and liked best in my own nursery days... altering and adding to the original collection.’ The ‘Old Nursery Rhymes’ are accompanied by a series of dazzling colour illustrations by Arthur Rackham (1867-1939). One of the most celebrated painters of the British Golden Age of Illustration (which encompassed the end of the First World War), Rackham’s artistry is quite simply, unparalleled. Throughout his career, he developed a unique style, combining haunting humour with dream-like romance. Presented alongside the text, his illustrations further refine the poetry of ‘Mother Goose Rhymes’. Pook Press celebrates the great ‘Golden Age of illustration’ in children’s literature – a period of unparalleled excellence in book illustration. We publish rare and vintage Golden Age illustrated books, in high-quality editions, with the masterful artwork and story-telling can continue to delight both young and old.
