Field & Stream

This book, the second in a series, is designed to help anglers catch more and bigger fish in Lake Okeechobee, Florida. The authors are both tournament fisherman. One is a professional bass guide on Lake Okeechobee and the other an outdoor writer. They share tips, techniques and some closely guarded secrets about catching trophy largemouth bass on "the Big O." The book also provides a wealth of information about the lake, its fish and the surrounding resources available to anglers. Of

particular value is an up-to-date map with GPS coordinates that identifies year round hot spots for trophy bass. Each "hot spot" is clearly described in the book, including information on seasonal changes, best baits, techniques, and vegetation near the area. Numerous photos or graphics are included which add interest to the book.
