*This last book in the six-volume series from NEXManga combines cutting-edge illustration with fast-paced storytelling to deliver biblical truth to an ever-changing, postmodern culture. More than 10 million books in over 40 different languages have been distributed worldwide in the series.*

*Looking for the perfect gift for your Friend, Husband, Wife, Family Member's birthday? Hand over this well-crafted, quality notebook for school, uni, office, or home! suitable for scribbling notes, lessons, drawings, thoughts, ideas, quotes, prayers, and mantras. Features: 6 x 9 Inches Format 110 Pages Tough Paperback, Book Industry Quality Binding This book explores the significance of silence within and beyond pedagogical contexts. Silence is a complex and multidimensional phenomenon for everyday life: since schools mirror society, it is also significant in education. While silence can be experienced in a multitude of different ways, the author reflects on whether silence itself can bear a message: is there an aspect of dialogue in silence, or is it a language all of its own? This book examines a variety of silences essential for education, examining such topics as silence and aspects of power, silent students, and the relationship between listening and silence. Drawing on a range of empirical data, the author elucidates the significance of silence in pedagogical contexts.*

*Suburban Remix*

Investment has flooded back to cities because dense, walkable, mixed-use urban environments offer choices that support diverse dreams. Auto-oriented, single-use suburbs have a hard time competing. Suburban Remix brings together experts in planning, urban design, real estate development, and urban policy to demonstrate how suburbs can use growing demand for urban living to renew their appeal as places to live, work, play, and invest. The case studies and analysis show how compact new urban places are being created in suburbs to produce health, economic, and environmental benefits, and contribute to solving a growing equity crisis.

Warm Beer, Lousy Food

This collective work identifies the latest developments in the field of the automatic processing and analysis of digital color images. For researchers and students, it represents a critical state of heart on the scientific issues raised by the various steps constituting the chain of color image processing. It covers a wide range of topics related to computational color imaging, including color filtering and segmentation, color texture characterization, color invariant for object recognition, color and motion analysis, as well as color image and video indexing and retrieval. Contents 1. Color Representation and Processing in Polar Color Spaces, Jesús Angulo, Sébastien Lefèvre and Olivier Lezoray. 2. Adaptive Median Color Filtering, Frédérique Robert-Inacio and Eric Dinet. 3. Anisotropic Diffusion PDEs for Regularization of Multichannel Images: Formalisms and Applications, David Tschumperlé. 4. Linear Prediction in Spaces with Separate Achromatic and Chromatic Information, Olivier Alata, Imtnan Qazi, Jean-Christophe Burie and Christine Fernandez-Maloigne. 5. Region Segmentation, Alain Clément, Laurent Busin, Olivier Lezoray and Ludovic Macaire. 6. Color Texture Attributes, Nicolas Vandenbroucke, Olivier Alata, Christèle Lecomte, Alice Porebski and Imtnan Qazi. 7. Photometric Color Invariants for Object Recognition, Damien Muselet. 8. Color Key Point Detectors and Local Color Descriptors, Damien Muselet and Xiaohu Song. 9. Motion Estimation in Color Image Sequences, Bertrand Augereau and Jenny Benois-Pineau.

This new edition introduces the most friendly amigurumi around! With 15 new patterns, this volume features designers from all over the world, providing a batch of fresh inspiration to keep crafters crocheting. Surprise family and friends with handmade gifts, or add on to a personal collection! Including designs for a parrot, a raccoon, a baby seal, a fox and many more, these projects are suitable for a variety of skill levels, from beginners to advanced crocheters, and are accompanied by easy-to-follow instructions and explanations of all stitches used.

AMERICAN GOVERNMENT AND POLITICS: DELIBERATION, DEMOCRACY AND CITIZENSHIP, has three underlying principles: Citizenship, History and Democracy. Authors Joseph Bessette and John Pitney, Jr. examine the way that civic culture affects students and shapes the country, and take a close look at civic responsibility.

Radiation Risks in Perspective

Public misperception of radiological risk consistently directs limited resources toward managing minimal or even phantom risks at great cost to government and industry with no measurable benefit to overall public health. The public's inability to comprehend small theoretical risks arrived at through inherently uncertain formulae, coupled with an ir

The line began forming after eight o'clock. Sal, short and heavy-set, kept everyone busy. Neat, in a white shirt and sports jacket, with his grey fedora cocked to the side, his crooked grin made you smile. Without warning the heavy door would swing open and the waiters would come outside to join him. They were dressed in pajamas or prison garb, with hats and horns, and were there to warm up the crowd. Some in line expected this, others were shocked. The pink polka dot building should have been a warning. Complete strangers in line became chummy, exchanging stories they had heard; toilet seat covers to serve drinks on, microphones in the ladies room, toilet paper for napkins. Most had brought their friends there to be roasted. The line of people varied in age. They all dressed casually because they'd heard you could get a pie in the face or a squirt in the eye. The club's routines were blue in color, but harmless. If you were lucky you might see a "Balls for the Queen" or a "Singing beer." The price was always right for a good time and Warm Beer and Lousy Food was the place to be.

Landing in the army hospital after a plane crash, Major Jack Novak tries to win the heart of army nurse Lieutenant Ruth Doherty, but Jack soon realizes that he has his work cut out for him as he tries to break down her defenses. Original.

As Shakespeare's best-known and most written-about text, indeed one of the world's most studied texts, Hamlet has inspired countless interpretations and adaptations by artists and writers the world over. At the same time, Hamlet is itself an adaptation of Danish folklore retold through Latin, French, and English translations. Using the possible/fictional-world theories of Saul Kripke, David Lewis, Lubomír Doležal, Douglas Lanier, and others, this work examines Shakespeare's Hamlet as an adaptation of its historical and literary sources, alongside a representative sample of texts in English, French, and Spanish which use Hamlet as their source. Texte le plus célèbre et le plus glorieux de Shakespeare, et sans doute l'un des textes les plus étudiés au monde, Hamlet a inspiré d'innombrables interprétations et adaptations, signés par des artistes et écrivains venus des quatre coins du globe.

Dans le même temps, Hamlet est lui-même une adaptation du folklore danois, revisité à travers ses traductions latines, françaises et anglaises. S'appuyant sur les théories des mondes possibles/fictionnels de Saul Kripke, David Lewis, Lubomír Doležal et Douglas Lanier, entre autres, cette étude examine l'Hamlet de Shakespeare en tant qu'adaptation de ses sources historiques et littéraires, à côté d'un échantillon représentatif de textes de langue anglaise, française et espagnole dont Hamlet est la source.

The World Is No Longer Flat Culo is an art, fashion, and pop-culture movement that defies all national, cultural, and linguistic boundaries. No matter if you were raised to call it derriere, tush, rear end, or booty, culo is the new epicenter of female sexuality, desire, and empowerment. Most celebrated women have subtly shifted our long-held ideals of physical perfection toward a shape that is more authentic and bold. While culo has long been venerated in certain cultures, it is now becoming the object of worldwide mainstream admiration. This emerging global blending of African, Latin, European, and Asian beauty as it is about celebrating the female form's most coveted asset. Culo by Mazucco pays tribute to this phenomenon through a singular artistic vision. In more than 200 photographs and artworks created on location around the world, Culo is a legendary, some about to become so—embody the spirit of culo and the start of a new era of beauty.

Following the Pulitzer prize-winning collection Stag's Leap, Sharon Olds gives us a stunning book of odes. Opening with the powerful and tender "Ode to the Hymen," Olds addresses and embodies, in this age-old poetic form, many aspects of love and gender and sexual politics in structures and pleasures. The poems extend parts of her narrative as a daughter, mother, wife, lover, friend, and poet of conscience that will be familiar from earlier collections, each episode and memory burnished by the wisdom and grace and humor of looking back. In such poems as "Loyalty," "Ode to My Whiteness," "Blow Job Ode," and "Ode to the Last Thirty-Eight Trees in New York City Visible from This Window," Olds treats us to an intimate examination that, like all her work, is universal, by turns searing and charming in its honesty. From the bodily joys of sex to those dearest to us, Olds shapes the world in language that is startlingly fresh, profound in its conclusions, and life-giving for the reader.
