The reasoning behind this is that music began as an exercise most focused on the progression of notes in a scale or mode in a horizontal fashion. Music is made up of a variety of symbols, the most basic of which are the staff, the clefs, and the notes. The staff consists of five lines and four spaces. Each of those lines and each of those spaces represents a different letter, which in turn represents a note. Those lines and spaces represent notes named A-G, and the note sequence moves alphabetically up the staff. This blank music staff paper composition manuscript is perfect for write harmonies, melodies, and musical ideas. It is a must-have for professional composers, students, music artists, or anyone who loves to write their music and songs. Makes a brilliant gift for any budding musician, both professional and beginner and your favorite composer! Buy now to enjoy this Blank Sheet Music Notebook!
