My Autumn Half Term Holidays

From Julia Blackburn, an author whose ability to conjure lives from other times and places is so vivid that one suspects she sees ghosts, here is a portrait of a woman whose voice continues to haunt anyone who hears it. Billie Holiday's life is inseparable from an account of her troubles, her addictions, her arrests, and the scandals that would repeatedly put her name in the tabloid headlines of the 1940s and 1950s. Those who knew her learned never to be surprised by what she might do. Her moods and faces were so various that she could seem to be a different woman from one moment to the next. Volatile, unpredictable, Billie Holiday remained, even to her friends, an elusive and perplexing figure. In *With Billie*, we hear the voices of those people—piano players and dancers, pimps and junkies, lovers and narcs, producers and critics, each recalling intimate stories of the Billie they knew. What emerges is a portrait of a complex, contradictory, enthralling woman, a woman who knew what really mattered to her. Reading *With Billie*, one is convinced that she has only just left the room but will return shortly.

She'll find her true love in a snowfall... Or so Charlie Dobbs's late mother always predicted. But surely that prophecy didn't apply to towing a famous pajama designer out of a ditch. Besides, Charlie has no time for love—the season always has its share of wrecks, her schedule is packed with Elfcapade festivities, and she's ditching her mechanic overalls and moving to New York City right after Christmas. Spencer Carmichael would rather be in the Bahamas, but his famous holiday pajamas have failed for the second year in a row. He'll need a fresh attitude to overcome this creative block, but the only thing he's finding in his hometown is a fascination with the woman who saved him from a snowbank. In order to spend more time with Charlie, he offers to take on her never-ending to-do list in exchange for her designing his pajamas. But partnerships that last beyond Christmas Day require trust. Can Charlie and Spencer put aside the fabric and bows and December trimmings long enough to discover what they really need this Christmas?

Presents design ideas and projects for paper craft decorations and gifts that can be created for different holidays.
